*Non-standard Collection Management* M. Pearce, 2018-11-09 First published in 1992 this volume recognises that it is not unusual when practising librarianship to come across small to medium collections within the library which because they are different from the main collection are outside the librarians experience or are a new type of material not properly managed or exploited Therefore this volume contains chapters on a range of materials which are united by a certain rarity in the experience of most librarians It is aimed at those who need to know how to progress from scratch with a collection but not necessarily to take it into complete specialization There is information about characteristics of each type of material as well as guidance for their management Lists of further reading are provided and a note of some important collections *Guides to Library Collection Development* John Thomas Gillespie, Ralph J. Folcarelli, 1994-08-15 Intended to enhance collection development in school public and college libraries this volume lists and annotates approximately 1 500 significant bibliographies published from 1985 through 1993 with some earlier but still useful publications Annotations indicate scope of the work size often the number of entries kinds of material included purpose arrangement nature of entries indexes special features and a recommendation Author title and subject indexes provide easy access to the entries With its deep and comprehensive coverage this work will help not only in the process of selecting and acquiring materials for the library but also in the process of identification of items for reference readers advisory interlibrary loan and collection evaluation

**Walford's Guide to Reference Material: Generalia, language and literature, the arts** Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories **1979-1990** Henryk Sawoniak, 2012-02-14 No detailed description available for 1979 1990 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1991

**Guide to Reference Books** Robert Balay, Eugene Paul Sheehy, 1992 The 10th edition of the Guide 1986 is one of a small core of references essential to the day to day operations of Reference and Research Book News it was enthusiastically reviewed in our May 1987 issue and we trust to librarians and researchers everywhere This Supplement the only one to the 10th edition lists 4 668 titles that cover reference publishing from the end of December 1984 through the end of 1990 As in prior editions the focus continues to be on reference works for scholarly research but representative works intended for general reference are included as well Member price 76 50 Annotation copyright by Book News Inc Portland OR
