provocative book by best selling author Herb Goldberg is about the power women potentially have in their relationships with men and the way to use that power to bring out the best in men's relationship behaviors while creating for women the kind of love experience they grew up to believe was possible. The way women have traditionally been socialized to relate to men to men actually brings out many men's worst personal features. The end result is a woman who becomes increasingly bitter toward men who can't figure out what they are doing wrong. What Every Woman Should Know About Men explains woman's amazing power over men. It explains why men won't open up, how to handle your man's top 12 blind spots, what he won't say but wants you to know, and how to change him. Most importantly, this book explains why men need women more than women need men. One of the most valuable books ever written in terms of helping women understand men. Simple, easy to read, and understand, and full of priceless tips and suggestions. About The Author: Dr. Herb Goldberg is an internationally recognized relationship specialist and best selling author of The Hazards Of Being Male and seven other widely selling books. His groundbreaking work on the failure of many traditional relationships has stimulated a great deal of work and discussion.
