## **The Latchkey Kid:**

*The Latchkey Kid* Helen Forrester, 1985      *The Latchkey Kid* Helen Forrester, 1996      **The Latchkey Kid** Sepha De Leeuw, 2015-03-19 Hello I am Ovelia What a terrible name I think At first I didn't want to tell anyone my story It's quite private you know But then I realized that there are more children who like me are often alone and my story might prove helpful to them Sepha de Leeuw has published adult novels short stories and a biography The press has praised her original style and empathy The Latchkey Kid is her first children's book With this book she again proves her unique talent for writing This time she imagines the thoughts of a young headstrong girl      **The Handbook for Latchkey Children and Their Parents** Lynette Long, Thomas J. Long, 1983 A guide offering parents and their children solutions for reducing problems and anxieties      LATCHKEY KID MIKE. HUGHES, 2022      **Latchkey Child** Lynette Long, Thomas Long, 1983-08      *The Latchkey Kid* Brenda Alexis, Brenda Blake, 2019-05-07 My biography as a child I was filled with negative thoughts and emotions growing up on a council estate parents both working full time when I overheard an adult conversation that would impact my future spending time confused depressed and looking for answers my life became a search of looking for what was wrong with me I started to look at my thoughts and emotions to feel better Then an illness gave me time alone where I focused on what went on inside my head and feelings After continuing this exploration I started to discover things and had some dreams that came true the next day This change me I continued this way of exploring until a man Tony Crisp came into my life who taught me the value of my dreams and so much more I have led an interesting life I hope you find it interesting

*The Latchkey Children* André Launay, 1985      **Working Mother**, 1986-09 The magazine that helps career moms balance their personal and professional lives      **The Latchkey Kid** Jamunadevi Bhatia, 1971      *A Field Guide to the Subterranean* Justin Hocking, 2025-06-10 A radically inventive excavation of one man's life and our relationship to the earth by the critically acclaimed author of *The Great Floodgates of the Wonderworld* Justin Hocking grew up in a part of Colorado where so many things happened beneath the surface mining exploits underground nuclear testing just thirty miles from his family's home and geothermal activity that heats one of the world's largest hot spring pools His homelife too was plagued by hidden patterns of abuse and virulent masculinity *A Field Guide to the Subterranean* charts the author's lifelong process of unearthing the past and reclaiming his own identity and connection to the natural world How might we transform our traumas into deeper care for one another and the landscapes that sustain us How do we transcend the mythos of the rugged American male so rooted in extraction and exploitation And how far can we move beyond the self in a memoir Hocking explores these and other vital questions by combining personal introspection with expansive narratives that examine geology ecology gender theory mining history labor rights and even skateboarding Abundant with historical research and teeming with birdlife and ranging in location from remote caves and mountains to secluded surf breaks in Costa Rica *A Field Guide to the Subterranean* heralds a boldly original and kaleidoscopic approach to the genres of memoir and nature writing      **Jet**

**Who's Minding the Kids?** ,1994 *The Adventures of a Latchkey Kid* Robert Hodum,2020-12-11 We latchkey kids never understood how much our parents gave up for us Other than a holiday trip to the city their urban day jobs were a mystery to us We grew up off of potato fields and woodlands rolling pastures and apple farms where our childhood adventures played out Unchaperoned we ran wild under those suburban skies **Employed Mothers and Their Children** Jacqueline V. Lerner,Nancy L. Galambos,2021-04-14 In 1969 the author wrote a letter to Science protesting the unfair

treatment of academic mothers who were expected to work full time Her problem with balancing work and family life was typical of the problems of most young parents in the United States More than 20 years later the same problems have not been solved even though more than twice as many families are headed by a fully employed parent or parents In this volume the authors survey the many problems of employed parents and their children Documenting problems by sound research and pointing to the future solutions is a valuable contribution to the psychological literature
