The Latvians A Short History Studies Of Nationalities:

The Latvians Andrejs Plakans, 1995 This is the first English language volume that brings the history of Latvia to the threshold of the twenty first century Until the re establishment of Latvian independence in 1991 Soviet dominance served for nearly fifty years to hinder publication of any complete and objective historical record of the region Plakans now places the evolution and formation of the Latvian nation in a balanced historical framework that stretches from the early medieval period to the present

The Latvians Andrejs Plakans, 1995 This postperestroika historical narrative should contribute significantly to assessing the likelihood of Latvia s survival as an independent republic **BOOK JACKET**

Between Giants Prit Buttar,2013-05-20 During World War II Latvia Lithuania and Estonia found themselves trapped between the giants of the Soviet Union and Nazi Germany Over the course of the war these states were repeatedly occupied by different forces and local government organizations and individuals were forced to choose between supporting the occupying forces or forming partisan units to resist their occupation Devastated during the German invasion these states then became the site of some of the most vicious fighting during the Soviet counter attack and push towards Berlin Many would be caught up in the bitter fighting in the region and in particular in the huge battles for the Courland Bridgehead during Operation Bagration when hundreds of thousands of soldiers would fight and die in the last year of the war By the end of the war death and deportation had cost the Baltic States over 20 per cent of their total population and Soviet occupation was to see the iron curtain descend on the region for four decades Using numerous first hand accounts and detailed archival research Prit Buttar weaves a magisterial account of the bitter fighting on the Eastern Front and the three small states whose fates were determined by the fortunes and misfortunes of war

A Pastoral Approach for the Journey of Healing and Wholeness Through Sharing One's

Latvian Grief Story Ruth Sonia Ziedonis,1997 Author explores the benefits of telling grief stories to arrive at self acceptance and acceptance of others **The Czechs and the Lands of the Bohemian Crown** Hugh LeCaine Agnew,2004 In this first up to date single volume history of the Czechs Agnew provides an introduction to the major themes and contours of Czech history for the general reader from prehistory and the first Slavs to the Czech Republic's entry into the European Union

Estonia and the Estonians Toivo U. Raun,2002-02-01 Estonia and the Estonians provides the first compendious survey in any language of Estonian history from prehistoric times to the twenty first century Estonia's strategic geopolitical location a crossroads where the major powers of northeastern Europe have struggled for influence and the small number of ethnic Estonians are crucial factors that have shaped the history of the area and its inhabitants The book emphasizes the period since the mid nineteenth century when a national movement calling for Estonian cultural and political autonomy began to emerge During the two world wars Estonia gained and lost political self determination Yet a modern Estonian culture was firmly established and a strong sense of national identity survived the Soviet era Soviet Postcolonial Studies Epp

Annus,2017-09-05 Postcolonial studies is a well established academic field rich in theory but it is based mostly on postcolonial experiences in former West European colonial empires This book takes a different approach considering postcolonial theory in relation to the former Soviet bloc It both applies existing postcolonial theory to this different setting and also uses the experiences of former Soviet bloc countries to refine and advance theory Drawing on a wide range of sources and presenting insights and material of relevance to scholars in a wide range of subjects the book explores topics such as Soviet coloniality as co constituted with Soviet modernity the affective structure of identity creation in national and imperial subjects and the way in which cultural imaginaries and everyday materialities were formative of Soviet everyday experience

The Baltic Transformed Walter C. Clemens,2001 Why isn't the Baltic region like the Balkans Why have the Baltic republics not experienced ethnic cleansing border wars authoritarian rule and social chaos Instead peace democracy and market economies have taken root since the fall of communism Walter C Clemens Jr here uses complexity theory which analyzes the role of self organization in complex adaptive systems to explain the Baltic miracle He argues that the theory is a vital tool for understanding the remarkable strides made by Estonia Latvia and Lithuania since 1991 in coping with the transition to partnership with the new Europe The Baltic peoples have adapted well to the demands of democracy a market economy and a constructive role in world affairs The achievements of Estonia Latvia and Lithuania in the past decade are the more amazing when considered against the hundreds of years they were dominated by Teutonic knights Hanseatic merchants Sweden Russia and the USSR Clemens uses this history as a springboard to analyze how Balts self organize today to meet the challenges of transition One of the first books to apply complexity theory to a major sphere of world politics The Baltic Transformed will provoke constructive debate with its ambitious and well grounded analysis of not only Baltic developments but European security more generally Despite its theoretical foundation the book is written in a clear and accessible style

that will make it invaluable for courses on comparative politics political development international relations security or transition studies
