Library,1975 *Stan and Ollie* Simon Louvish,2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the

present day the screen's most famous and popular comedy double act celebrated by legions of fans. But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death. Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work. Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short *Duck Soup*. The inspired casting teamed them until their last days. Both often married they found balancing their personal and professional lives a nearly impossible feat. Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues. Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history. In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day. The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art. In *Stan and Ollie: The Roots of Comedy: The Double Life of Laurel and Hardy* Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers.

**Anders Van Haden** Terris C. Howard, 2018-07-12

Anders Van Haden was well known for his roles in many German versions of Hollywood films in the late 1800s and early 1900s. In *Anders Van Haden* author Terris C. Howard, Van Haden's grandson, shares a pictorial biographical history of this bit character actor in Hollywood who started his acting career on stage and silent films in New York state. Born William A. Howard in 1876, Van Haden immigrated to the United States around 1898. This memoir presents a chronological look at the known facts of his stage and silent film career. Based on detailed research, *Anders Van Haden* includes a host of photographs as well as programs, reviews, movie stills, and candid cast poses accompanied by pertinent facts and history. This historical look at one actor's life offers insight into not only Van Haden's career but the world of the silent film industry.

**The New Biographical Dictionary of Film** David Thomson, 2010. Thomson's independent scholar writing of *The Biographical Dictionary of Film* aka *A Biographical Dictionary of the Cinema* 1975 edition described it as a personal, opinionated and obsessive biographical dictionary of the cinema. Thirty-five years and several editions later that description still holds true of this expanded work. The new dictionary summarizes salient facts about its subjects' lives and discusses their film credits in terms of the quality of the filmmakers' work. In ambition it has competitors including Leslie Halliwell's various editions of

Halliwell's Filmgoers Companion 12th ed 1997 and Halliwell's Who's Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson's but whose entries are neutral and exceedingly brief. Additionally Francophile Richard Roud's edited Cinema: A Critical Dictionary The Major Filmmakers 2 v 1980 is as passionate a work as Thomson's but narrower in scope with entries written by various experts rather than only by Roud. Finally the multivolume magnum opus The International Dictionary of Films and Filmmakers 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations. However it looms large and heavy unlike the handy one volume work by Thomson. Arguably Thomson's work for its scope is the most fun the most convenient and the most engaging title. All libraries supporting people interested in film should buy it. It will get lots of use and provide very good value for the money. Summing Up Highly recommended. **The 100 Greatest Silent Film Comedians** James Roots, 2014-10-23 The silent film era featured some of the most revered names of on screen comic performance from Charlie Chaplin and Buster Keaton to Harold Lloyd Douglas Fairbanks and Laurel Hardy. Besides these giants of cinema however there are other silent era performers both leading actors and supporting players who left an enduring legacy of laughter. In The 100 Greatest Silent Film Comedians James Roots ranks the greatest performers based on a scorecard that measures each comic's humor timelessness originality and teamwork. Far more than just a listing this is an idiosyncratic and entertaining review of the men and women who created the golden age of comedy. As a critic and deaf viewer Roots brings a truly unique perspective to the evaluation of these performers and their work. He has viewed thousands of silent comedies and offers some assessments that run contrary to the standard list of performers. While many obvious names are placed in the top echelon the author also champions performers who have been neglected in part because their work has not been as visible. Each entry includes a filmography a scorecard an evaluation of the artist's overall work an assessment of representative films DVD availability. With the increased availability of films on DVD as well as Internet access more and more silent performers are being discovered by

film fans Supplemented by an appendix of comedians who missed the cut as well as an annotated bibliography The 100 Greatest Silent Film Comedians will be an invaluable resource to anyone wanting to know more about the brilliant entertainers of the silent era     **RKO Radio Pictures Horror, Science Fiction and Fantasy Films, 1929-1956** Michael R. **We'll Always Have the Movies** Robert L. McLaughlin, Sally E. Parry, 2006-03-03 *We'll Always Have the Movies* explores how movies made in Hollywood during World War II were vehicles for helping Americans understand the war Far from being simplistic flag waving propaganda designed to evoke emotional reactions these films offered audiences narrative structures that formed a foundation for grasping the nuances of war These films asked audiences to consider the implications of the Nazi threat they put a face on both our enemies and allies and they explored changing wartime gender roles *We'll Always Have the Movies* reveals how film after film repeated the narratives character types and rhetoric that made the war and each American's role in it comprehensible Robert L. McLaughlin and Sally E. Parry have screened more than 600 movies made between 1937 and 1946 including many never before discussed in this context and have analyzed the cultural and historical importance of these films in explaining the war to moviegoers Pre Pearl Harbor films such as *Sergeant York* *Foreign Correspondent* and *The Great Dictator* established the rationale for the war in Europe After the United States entered the war films such as *Air Force* *So Proudly We Hail* and *Back to Bataan* conveyed reasons for U.S. involvement in the Pacific *The Hitler Gang* *Sahara* and *Bataan* defined our enemies and *Mrs. Miniver* *Mission to Moscow* and *Dragon Seed* defined our allies Some movies *The Miracle of Morgan's Creek* *Hail the Conquering Hero* and *Lifeboat* among them explored homefront anxieties about the war's effects on American society Of the many films that sought to explain the politics behind and the social impact of the war and why it concerned Americans *Casablanca* is perhaps one of the most widely recognized McLaughlin and Parry argue that Rick's Café Américain serves as a United Nations sheltering characters who represent countries being oppressed by Germany At Rick's these characters learn that they share a common love of freedom which is

embodied in patriotism from this commonality they overcome their differences and work together to solve a conflict that affects them all As the representative American Rick Blain Humphrey Bogart cannot idly stand by in the face of injustice and he ultimately sides with those being oppressed Bogart s character is a metaphor for America which could also come out of its isolationism to be a true world leader and unite with its allies to defeat a common enemy Collectively Hollywood s war era films created a mythic history of the war that even today has more currency than the actual events of World War II
