## **The Law And Social Work:**

**Social Work and the Law** Donald Brieland, John Lemmon, 1985

**Using the Law in Social Work** Robert

Johns, 2011-07-26 Law is a core subject of the social work degree and this title introduces students to the complexities and challenges of this subject Now in its fifth edition this well established book looks at how the law in England and Wales interacts with key aspects of practice such as human rights mental health youth justice and community care Fully revised to include new information on youth justice this text is essential reading for all social work students The implications of the Social Work Task Force and ongoing changes to social work practice are also discussed and reflected upon Using the Law in Social Work Robert Johns, Jacqueline Harry, 2022-11-23 A core function of social work is to assist empower and protect the most vulnerable in society Social workers make difficult decisions in complex and challenging situations every day They work in organizations that have clear statutory duties Therefore it is essential that social work students know what their responsibilities are Familiarity with law legislation and legal processes is consequently fundamental to sound social work practice This best selling book will help you gain this foothold in understanding law as it applies to social work practice It avoids complicated legal jargon remote from the everyday realities of practice offering instead a grounding in legally appropriate rights based social work It covers the full range of social work law including services for children and families and child protection adult care law youth justice court work professional regulation and human rights **Social Work Practice and the Law** Lyn K. Slater, Kara R. Finck, 2011-10-17 This is the first book to give social workers the tools to understand their clients legal needs and rights and to address them collaboratively and effectively Lyn Slater and Kara Finck ground their text in a comprehensive grasp of the legal system and the inequities of race class and gender that shape clients experiences Social Work Practice and the Law is a powerful call for social workers to be passionate and skillful advocates for their clients Essential reading for social workers and lawyers alike who serve low income people entangled in systems that so often fail them Dorothy Roberts JD Kirkland Ellis Professor Northwestern University School of Law Author Shattered Bonds The Color of Child Welfare Based on the author s innovative and nationally recognized prototype for inter professional work at Fordham University this is the only volume about social work and the legal system that is written from the social worker s perspective Devoid of legalese the book is designed to help social workers develop the ability to reappraise question and challenge the law to best serve their clients It aims to promote the development of a more strategic relationship with the legal system a partnership that can achieve more creative and just solutions to social problems Exhaustive in scope Social Work and the Law identifies current national and international trends and legal movements that support and invite inter professional critically competent social work participation The book also identifies and explains the essential knowledge skills values and attitudes necessary for the attainment of collaborative critical competence when interacting with the legal system Each chapter includes vivid case studies based on actual collaborations that illustrate the application of theory to practice

Chapters also include legal social work and evidence based resources Key Features Promotes a proactive approach to the ways in which social workers can use law to promote clients best interests Addresses all domains of social work practice child welfare housing law educational access disability law benefits and more Offers abundant case studies taken from the authors real life work Devoid of legalese and written from a social worker s perspective

**Social Work and the Law** Chris Maylea,2019-12-04 This exciting new textbook introduces students to the key aspects of the law and legal frameworks essential for social work practice in Australia Simple and easy to read it communicates the complex legal concepts in practice in ways students can easily understand With a focus on human rights and ethical conduct it s both concept based examining the ways of thinking and understanding law and social work interactions and topic based exploring the different specific areas of law which social workers are most likely to come into contact with This is essential reading for any student taking a unit in Social Work Law Specific to Australia it accounts for Australian jurisdictions and can be easily integrated into the classroom context with case studies questions for discussion and links to further resources including interactive resources and a website to support further learning and provide updates to changes in the law between editions

*The Role of Law in Social Work Practice and Administration* Theodore J. Stein,2004-08-18 The strong nexus between law and social work is beyond dispute the law informs day to day social work practice and administration and social workers are employed by the courts Moreover they work collaboratively with attorneys in legal aid offices public defenders offices and other law enforcement settings interviewing clients preparing reports for use in court interpreting social science information and providing consultation on how best to approach client problems This book addresses the relationship between the professions of social work and law and helps social workers develop the knowledge necessary to practice in a legal environment The author focuses on how the law affects the day to day practice of social work the creation administration and operation of social service agencies and the ways in which social workers and attorneys collaborate to serve the public

**Law for Social Workers** Hugh Brayne,Helen Carr,David Goosey,2015 This new edition gives a clear and up to date picture of how the Children Act 1989 is working All chapters have been updated with the latest case law legislation and guidance

**Ethics and Law for Social Workers** Robert Johns,2015-11-10 How do social workers in the UK legal context act ethically What do we understand by ethics and how does social work law relate to it Social work practice in all countries incorporates a clear unstinting commitment to social justice but what is social justice Using an applied practice based and refreshingly real approach this text bridges the gap between law and ethics Each chapter opens with a case study which considers ethical dilemmas in real life practice Chapters have been designed to help students strengthen their critical reflection skills encouraging consideration of the legal and ethical dimensions of social work generally and in personal practice Topics such as care proceedings adoption community care youth justice mental capacity and accountability explore how understanding and application are equally important

Essential Law for Social Workers Robert G. Madden,2003 This book explores legal

concepts legal reasoning and legal processes illustrated with case vignettes from social work practice in order to provide social work practitioners and students with practical and accessible legal knowledge It introduces readers to scholarship about the law and to conceptual knowledge that can be applied to any interaction with the legal system The volume features a discussion of recent reform movements including Alternative Dispute Resolution and an appendix of sources for legal information and research on the law

**Child Law for Social Work** Jane Williams, 2008-05-18 An invaluable resource for all social workers in practice with children and families this book examines key issues such as child protection family support care planning adoption and case preparation for court With illustrative case studies throughout the text is divided into two sections Part 1 explores the legal context of social work practice with children examining how international human rights standards are absorbed within domestic law Part 2 explores the application of the law policies and systems to individual case work illustrating rights based thinking in practice Accessible to those without a background in law the book highlights links between social work standards and legal values and rules With promotion of the rights of children and families a measure of professional competence and legal obligation the book helps readers satisfy social work standards and use their knowledge of the law to improve their practice The book is vital reading for all levels of social work student including those undertaking the post qualifying award in child care as well as being an indispensable resource for practitioners working with children and families Jane Williams is a lecturer in law at the University of Swansea She specialises in social work law and children s rights Other publications include *Children and Citizenship* SAGE 2007 co edited with Antonella Invernizzi
