**The Lawrenceville Stories** Owen Johnson, 1967 For generations the unforgettable characters of Owen Johnson's *The Lawrenceville Stories* have been delighting American readers with their antic humor and outrageous behavior Hungry Smeed the Uncooked Beefsteak the Tennessee Shad Doc Macnooder the Gutter Pup and Dink Stover Johnson has peopled the Lawrenceville School with some of the most lovable adventurers and misadventurerers ever to pass through the gates of a preparatory school Publisher **The New York Times Book Review**, 1987 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback American Bookseller, 1986 **Being a Boy Again** Marcia Ann Jacobson, 1994 Jacobson finds her answers in the widespread social and economic changes of the second half of the 19th century as well as in the personal crisis that inspired each of the boy books She argues that key works by such writers as Thomas Bailey Aldrich William Dean Howells Mark Twain Stephen Crane and Booth Tarkington marked a nostalgic retreat to being a boy again in the face of the difficulties of being a man in 19th century America The interplay between the narrating male adult in these books and the child he once was results in wonderfully innovative books all of which have at their core the narrator's confrontation with his father the person who should have taught him how to be a man and who inevitably is found wanting
