**The Leader of the Band** Peter Lines, 2010 This is a true story about the events of my life to the present We live in a time when many flaunt their sexuality There is a huge lack of knowledge regarding human sexual expression leading to misinformation dysfunction and perversion Is it possible for us as we journey through this life to know the truth about a subject as monumental as our very self identity Of course God gave us the Bible So why not see what our Heavenly Father's intentions are for sex and identity WARNING this is not a book for the faint of heart My story shows how far one can go away from God when self becomes more important than He By definition sin is anything that becomes more important to the individual than God With education as one of his life long pursuits Pete achieved an undergraduate degree in ministry and several years post graduate Every decade of his life he returned to college to take classes in whatever his interests were at the time art photography Sociology and Psychology Now in his sixties Pete is still pursuing a Masters in Psychology and Counseling While daily living has often gotten in the way of education he has had careers in teaching art operating his own advertising agency retail management and owning a small deli Pete also has been active in social issues for many years He has donated his time and artistic ability to adoption agencies and the Pro Life movement He founded and operated a public venue where artists and crafts people could display and sell their creative accomplishments He also obtained considerable notoriety with a Fathers Rights Organization he started and operated for several years **Leader of the Band** Fay
