The Short Stories of Damon Runyon - Volume II - The Lemon Drop Kid Damon Runyon, 2018-10-10 Damon Runyon was born Alfred Damon Runyan on October 4th 1880 in Manhattan Kansas When Runyon was two his father was forced to sell his newspaper and the family moved further west eventually settling in Pueblo Colorado in 1887 where Runyon spent the rest of his youth By most accounts he attended school only through the fourth grade and then seeking a career moved into the newspaper trade working for his father In 1898 still a teenager Runyon sought to broaden his horizons and enlisted in the U S Army to fight in the Spanish American War After his service he returned to Colorado and worked for several local newspapers Runyon's expertise was covering the semi professional teams in Colorado for a man who would become indelibly linked to sports he endured a notable failure in an attempt to organize a Colorado minor baseball league It lasted less than a week In 1910 Runyon moved to New York City to work for the William Randolph Hearst newspaper chain writing a daily column in *The New York American* Here in his first New York byline his name was changed once more The editor decided to drop the Alfred and run with the soon to be famous moniker Damon Runyon Promoted to be the Hearst newspapers baseball columnist he

developed his trademark knack of spotting the eccentric and the unusual on the field or in the stands and Runyon generally re wrote and revolutionized the way baseball was covered in newspapers and shared this style with its adoring millions of fans But Runyon was more than a great sports writer His plays and essays became legendary ways of looking that bit differently at America of soaking up the atmosphere of a glamorous and rip roaring age and distilling it into black and white type Of course the cliché about newspapermen and writers is that they are heavy drinkers chain smokers gamblers and obsessively chase women with a sideline in gathering info and actually getting something written just before the deadline hits And that pretty much was Runyon s life In 1938 Runyon developed throat cancer which eventually would leave him unable to speak but not unable to work which he continued to do so at a ferocious pace From 1939 to 1943 Runyon pursued a Hollywood career as a writer and producer at MGM Universal and RKO studios The work continued to follow from Runyon s pen Not only some fabulous short stories in his famous Runyonesque filled with characters as funny and gritty as anything that could be written but classic books that would endure long after he was gone *Guys and Dolls* a book a film a musical Alfred Damon Runyon died in New York City on December 10th 1946 from throat cancer at age 66 [Broadway Boogie Woogie](#) D.

Schwarz,2003-04-18 While analyzing Damon Runyon s high spirited work in terms of historical contexts popular culture and of the changing function of the media Schwarz argues that in his columns and stories Runyon was an indispensable figure in creating our public images of New York City culture including our interest in the demi monde and underworld that explains in part the success of *The Godfather* films and *The Sopranos* In his lively and exuberant chapters that include a panoramic view of New York City between the World Wars with a focus on its colourful nightlife Schwarz examines virtually every facet of Runyon s career from sports writer daily columnist trial reporter and Hollywood figure to the author of the still widely read short stories that were the source of the Broadway hit *Guys and Dolls* As part of his discussion of Runyon s art and the artistry of Runyon s fiction Schwarz skilfully examines the special language of the Broadway stories known as Runyonesque and explains how Runyonesque has become an adjective for describing flamboyant behaviour **Guys & Dolls** Damon

The Road to Comedy Donald McCaffrey,2004-12-30 Although Bob Hope has been the subject of many biographies no book yet has fully explored the comic persona he created in vaudeville and radio brought to fruition in dozens of films from the 1930s through the 1960s and made a lasting influence on comedians from Woody Allen to Conan O'Brien Now in *The Road to Comedy The Films of Bob Hope* noted film comedy authority Donald W McCaffrey finally places Hope in his well deserved position among the highest rank of film comedians of his era Drawing on archival materials and interviews with

collaborators McCaffrey analyzes each major film in depth with due attention to particular sequences that reveal how Hope created a unique comic personality that lasted over dozens of very popular films from the Road movies with Bing Crosby through such underrated classics as *Son of Paleface* *Monsieur Beaucaire* and *Casanova's Big Night* In so doing McCaffrey introduces readers to a Bob Hope now overshadowed by his own reputation We see here that Hope's significance has been greater than any USO appearance or television special might suggest Because many of these movies have recently been made available on DVD the first time in decades that they've been easily available to the general public the volume will also serve as an excellent introduction for those wanting to see these films for the first time Bound and Gagged in Hollywood

Donald W. McCaffrey, 2006 In *Bound and Gagged in Hollywood* Edmund L. Hartmann Screenwriter and Producer film scholar Donald W. McCaffrey reviews the long and varied career of this talented man Drawing on more than fifty interviews McCaffrey creates a profile of a man whose success in film extended to television triumphs He also examines Hartmann's tenure in the 1950s as president of the western branch of the Writers Guild as he and his fellow screenwriters endured investigations by the House Un-American Activities Committee In this intimate portrait McCaffrey provides an analysis of Hartmann's work on both the large and small screens covering a span of more than forty years Hartmann himself adds spice to the narrative with anecdotes and an insider's view of the creative process This book is a fitting tribute to a man whose legacy lives on in both television and cinema **BOOK JACKET** *Ladies Or Gentlemen* Jean-Louis Ginibre, 2005 From Greek drama through vaudeville and modern cinema nothing in the theatrical experience has ever guaranteed a laugh like a man in a dress This spectacular pictorial history examines the grand tradition of male cross dressing in the movies through more than 700 photos more than half of which are previously unpublished The screen's greatest stars from comedians like Buster Keaton and Peter Sellers to serious actors like Marlon Brando and Max von Sydow are pictured in everything from bustiers to ball gowns Just as in real life the cinematic motives for cross dressing are complex ranging from plot device *I Was a Male War Bride* and social commentary *Tootsie* to the simple sight gags of Laurel and Hardy The book explores these and myriad other reasons actors are coaxed out of dress suits and into dresses By turns provocative serious and silly *Ladies or Gentlemen* is a delightful study of a seldom explored facet of cinema history **The Bob Hope Films** James L.

Neibaur, 2005-01-10 Bob Hope got his start in show business when he was in his twenties remained active past the age of 90 and lived to be 100 His longevity was remarkable especially when one considers that he was active in vaudeville radio motion pictures and television He excelled in each of these popular forms of entertainment but his films are the most genuine testaments to his timeless comedy His smart quips fast pace and breezy manner were perfect ingredients for the brand of comedy that was popular during World War II and the years immediately following the war This book begins with a discussion of Bob Hope's early career and the short films that he starred in and then covers each of the Hope films beginning with *The Big Broadcast* of 1938 The Hope films the author says do not have deep subtexts or clever cinematic innovations but

provide clever uplifting entertainment that continues to inspire laughter and offer solid examples of the humor that made Americans smile during and after World War II Cast and credit information is provided for each film
