The Leon Valley:

Leon Valley ,2011 Surrounded by the city of San Antonio and bisected by Texas State Highway 16 Leon Valley is known as the City of the Lions In the early 1800s European and Mexican immigrants homesteaded and raised their families here Joseph Huebner an Austrian immigrant built a limestone house that became a stagecoach stop providing a change of stock and overnight accommodations for weary travelers Stories about strange noises and hauntings told by former homestead residents were thought to be related to the circumstances of his death In the mid 1930s a building boom attracted many to the quiet countryside By the 1940s dairy farming was the main occupation From its beginnings Leon Valley residents have chosen to preserve and celebrate its history and concern for the well being of its citizens has remained a priority This small community offers the advantages of a big city but retains its small town atmosphere **LEON VALLEY** Friends of the Leon Valley Public Librar,Leon Valley Historical Society,2011-12 **The Leon Valley Collection, Volume 1** Rose Waters,2025-07-27 Siren Menage Amour Erotic Romance Contemporary Menage a Trois Suspense MFM HEA Dangerous Love Sienna Jackson had it with men and heartbreaks She was going to concentrate on her career as a reporter Her newest story was going to get her out of this crappy town for sure No one was going to stop her either Sterling Anderson and his brother Sam Anderson regretted breaking Sienna s heart They wanted her back but she was too stubborn to listen When her story brings danger to her doorstep they will stop at nothing to protect her and win her heart again Show Me What Love Is Sheriff Everett King knew the only way to stop the flow of drugs into his town was to get to the dealer s sister Jenna Dawson He didn t expect to feel the instant attraction to her and neither did his FBI brother Easton Jenna was nothing like they thought she would be She was sweet and innocent Jenna Dawson was tired of everyone in town including the new sheriff in town lumping her with her father and brother She worked an honest job and stayed out of trouble Could she put her trust in the sheriff and his FBI brother Was she letting the pull of desire between the three of them affect her better judgement Getting her heart broken wasn t on her list of things to do but she could not resist the two men Dare she open her heart and hope for the best **Hearings** United States. Saving San Antonio Lewis F. Fisher,2016-08-22 Few American cities enjoy the likes of San Antonio s visual links with its dramatic past The Alamo and four other Spanish missions recently marked as a UNESCO World Heritage site are the most obvious but there are a host of landmarks and folkways that have survived over the course of nearly three centuries that still lend San Antonio an odd and antiquated foreignness Adding to the charm of the nation s seventh largest city is the San Antonio River saved to become a winding linear park through the heart of downtown and beyond and a world model for sensitive urban development San Antonio s heritage has not been preserved by accident The wrecking balls and headlong development that accompanied progress in nineteenth century San Antonio roused an indigenous historic preservation movement the first west of the Mississippi River to become effective Its thrust has increased since the mid 1920s with the pioneering work of the San Antonio Conservation Society In Saving San Antonio Texas historian Lewis Fisher peels back the myths surrounding more than a century of preservation triumphs and failures to reveal a lively mosaic that portrays the saving of San Antonio s cultural and architectural soul The process entertaining in the telling has reverberated throughout the United States and provided significant lessons for the built environments and economies of cities everywhere
