Coleman,2023-01-01 Franz Liszt is well known for his early years as super star pianist who excited audiences throughout Europe but his later life is also of great interest In his final 25 years he sought to achieve his life s aims of promoting new forms of music and giving stronger witness to his Christian faith while continuing to support his stalwart life partner Princess Carolyne However he was to face unexpected problems in the continued negative reception of his music and recrimination in his closest relationship Drawing on detailed analysis of Liszt s correspondence from his fiftieth year onwards Peter G Coleman approaches his later life as a case study of an older person grappling with a succession of often disturbing life experiences These included the deaths of two of his children political upheaval and war within Europe and a growing

realisation of his own past failings Liszt suffered frequent bouts of depression but never ceased composing music nor steadfastly heeding Christ's command to bear one's cross This sensitive treatment of an extraordinary individual will appeal to the scholar and general reader alike *From Rome to the End* La Mara, Constance Bache, 2004-06-01 The four scores of the Beethoven Symphonies of which you advised me in your friendly letter reached me yesterday My eyes are meanwhile revelling and delighting in all the glories of the splendid edition and after Easter I shall set to work Nothing shall be wanting on my part in the way of goodwill and industry to fulfil your commission to the best of my power A pianoforte arrangement of these creations must indeed expect to remain a very poor and far off approximation How instil into the transitory hammers of the Piano breath and soul resonance and power fulness and inspiration color and accent *Letters of Franz Liszt: Years of travel as virtuoso.
