diligence is unquestionable and even readers who think they know the poems will see nuances they had previously missed should render further attention by biographers superfluous for several years Guardian Those of us who never warmed to Larkin the man or poet will have our aversions challenged by this sympathetic but different account of his life and work Independent _____ A fascinating and controversial study of Philip Larkin's world and how it bled into his work James Booth's biography is a unique insight into the man whose life and art have been misunderstood for too long Philip Larkin was that rare thing among poets a household name in his own lifetime Lines such as Never such innocence again and Sexual intercourse began In nineteen sixty three made him one of the most popular poets of the last century Larkin's reputation as a man however has been more controversial A solitary librarian known for his pessimism he disliked exposure and had no patience with the literary circus And when in 1992 the publication of his Selected Letters laid bare his compartmentalised personal life accusations of duplicity faithlessness racism and misogyny were levelled against him There is of course no requirement that poets should be likeable or virtuous but James Booth asks whether art and life were really so deeply at odds with each other Can the poet who composed the moving Love Songs in Age have been such a cold hearted man Can he who uttered the playful self deprecating words Deprivation is for me what daffodils were for Wordsworth really have been so boorish A very different public image is offered by those who shared the poet's life the women with whom he was romantically involved his friends and his university colleagues It is with their personal testimony including access to previously unseen letters that Booth reinstates a man misunderstood not a gaunt emotional failure but a witty provocative and entertaining presence delightful company an attentive son and a man devoted to the women he loved Meticulously researched unwaveringly frank and full of fresh material Philip Larkin Life Art and Love definitively reinterprets one of our greatest poets

In Love with Hell William Palmer, 2021-04-22 Sympathetic and wonderfully perceptive a heartbreaking read NICK COHEN Critic Wise witty and empathetic outstanding JIM CRACE A fascinating treatment of the age old problem of writers and drink which displays the same subtle qualities as William Palmer's own undervalued novels D J TAYLOR An enjoyable exploration of an enduringly fascinating subject Palmer is above all a dispassionate critic and is always attentive to and unwaveringly perceptive about the art of his subjects as well as their relationship with alcohol his treatment is even handed and largely without judgement He tries to understand without either condoning or censuring the impulses behind often reprehensible behaviour SOUMYA BHATTACHARYA New Statesman A vastly absorbing and entertaining study of this ever interesting subject ANDREW DAVIES screenwriter and novelist *In Love with Hell* is a fascinating and beautifully written account of the lives of eleven British and American authors whose addiction to alcohol may have been a necessary adjunct to their writing but ruined their lives Palmer's succinct biographies contain fine descriptions of the writers their work and the times they lived in and there are convincing insights into what led so many authors to take to drink PIERS PAUL READ Why do some writers destroy themselves by drinking alcohol Before our health conscious age it would be true to say that many

writers drank what we now regard as excessive amounts Graham Greene for instance drank on a daily basis quantities of spirits and wine and beer most doctors would consider as being dangerous to his health But he was rarely out of control and lived with his considerable wits intact to the age of eighty six W H Auden drank the most of a bottle of spirits a day but also worked hard and steadily every day until his death Even T S Eliot for all his pontifical demeanour was extremely fond of gin and was once observed completely drunk on a London Tube station by a startled friend These were not writers who are generally regarded as alcoholics Alcoholic is in any case a slippery word as exemplified by Dylan Thomas's definition of an alcoholic as someone you dislike who drinks as much as you The word is still controversial and often misunderstood and misapplied What acclaimed novelist and poet William Palmer's book is interested in is the effect that heavy drinking had on writers how they lived with it and were sometimes destroyed by it and how they described the whole private and social world of the drinker in their work He looks at Patrick Hamilton the feverish magic that alcohol can work Jean Rhys As soon as I sober up I start again Charles Jackson Delirium is a disease of the night Malcolm Lowry I love hell I can't wait to go back there Dylan Thomas A womb with a view John Cheever The singing of the bottles in the pantry Flann O'Brien A pint of plain is your only man Anthony Burgess Writing is an agony mitigated by drink Kingsley Amis Beer makes you drunk Richard Yates The road to Revolutionary Road and Elizabeth Bishop The writer's writer's writer
