Judson* A. C. Kendrick, 2015-06-27 Excerpt from *The Life and Letters of Mrs Emily C Judson* It is with unfeigned diffidence that the writer commits this work to the public A man writing the memoir of a woman a digger among Greek roots writing the life of a sensitive child of genius and song a not very intimate acquaintance delineating a character to which the most thorough knowledge could hardly do justice constitutes a triad of difficulties which he can scarcely hope to have overcome The author undertook the work reluctantly and he will be abundantly satisfied if it shall make upon the mind of the reader that impression of the rare excellence of its subject which the study of her life and letters has left upon his own Mrs Judson was a very voluminous correspondent and the selection from her letters often of very nearly equal merit was a matter of considerable difficulty Sometimes doubtless the selection might have been made more wisely and many have been omitted which with larger limits he would gladly have inserted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The Life and Letters of Mrs. Emily C. Judson (Classic Reprint)** A. C. Kendrick, 2018-01-17 Excerpt from *The Life and Letters of Mrs Emily C Judson* The true lover of poetry will not I trust complain of the number of her poetical pieces inserted in the memoir for most of these are such as will always find a welcome and they will in fact enhance very considerably the interest of the volume My chief apology however for inserting them is that they belong in a preeminent degree to her life They grow directly out of the critical passages of her history and they at once illustrate her feelings amidst these scenes and derive from the circumstances under which they were written fresh force and beauty They come from her heart more than from her intellect they belong to her life even more than to her works In parting with the work I would express my gratitude to the family and personal friends of Mrs Judson who have furnished valuable materials T0 Rev Dr Bright I am under very peculiar

obligations for his patient kindness in listening to the reading of my manuscript during the hot month of August and for the important information and numerous valuable suggestions by which he has improved the work With this I submit it to the public earnestly hoping that it may subserve the great cause to which Mrs Judson's life was devoted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

involvement in the mission movement with a welcome focus on the often overlooked antebellum era. Most scholars have argued that the emergence of women as a dominant force in American Protestant missions in the late nineteenth century was an outgrowth of nascent feminist activism in the various denominations. This new contribution suggests that the feminization of the later mission movement actually stemmed in large part from images of the degraded Oriental woman that popular evangelical literature had been circulating since the 1790s and that the increasing focus on and involvement of women was supported by male denominational leaders as an important strategy for reaching the world with the Christian gospel. In the late eighteenth through the early nineteenth centuries popular evangelical literature began circulating descriptions of women of the Orient designed to illustrate the need of those women for the Christian gospel. Such powerful and widely disseminated images demonstrated to young American women their relatively privileged position in society and throughout the nineteenth century led many to support the cause of missions with their money and sometimes their lives. A belief in the desperate need of Oriental women for salvation and social uplift was largely responsible for feminizing the American Protestant foreign mission movement. *A Looking Glass for Ladies: American Protestant Women and the Orient in the Nineteenth Century* traces the creation and dissemination of images of women who lived in that part of the world known to nineteenth century Westerners as the Orient. It examines the emotional power of those images to create sympathy in American women for their sisters in Asia. That sympathy catalyzed many evangelical women and men to argue for vocational roles for women both married and single in the mission movement. The book demonstrates the ways in which assumptions about the condition and needs of Oriental women shaped American evangelical women's self-perceptions as well as the evangelizing strategies of the missionaries and their sending agencies. *The Home and Foreign Record of the Free Church of Scotland*, 1861      ***The American Theological Review***, 1860
