SECTION IV THE PROPHET ON MOUNT CARMEL In the opening verse of chapter xviii a new order is issued to our prophet  
And it came to pass after many days that the word of the Lord came to Elijah in the third year saying Go shew thyself unto  
Ahab and I will send rain on the earth Here Elijah is summoned away from his retirement at Zarephath to make his  
appearance in public and stand again before king Ahab To one occupying the position and exhibiting the spirit of a true  
servant it matters not what summons he receives Whether it be go hide thyself or go shew thyself he is ready through grace

to obey The Lord had been training His servant for three years and a half in secret At Cherith and Zarephath He had taught him many important lessons and when the time was come for his shewing unto Israel he was called to leave the desert and appear again as the public witness of Jehovah Nor did he hesitate No not for a moment however much he might have preferred retirement to the stormy scenes and harassing vicissitudes of public life Elijah was a servant and that was enough He was as ready to confront the angry Ahab and all the prophets of Baal as he had been to seclude himself for three years and a half Truly we may well covet the spirit of a servant an humble obedient servant Such a spirit will carry us through many difficulties will save from much contention will send us along the path of service while others are disputing about it If only we be willing to obey we shall be left at no loss as to the path we should pursue We have already had occasion to notice the prophet's unhesitating obedience to the word of the Lord Such obedience will ever involve the abandonment of self To be told for example     A Bibliography of Theology William Swan Sonnenschein, 1897     *Chariots Of Fire* Stephen Davey, If there was ever a day when Satan's kingdom seemed to have the upper hand it was Elijah's day Elijah appeared on the scene and a great movement of revival began It was desperately needed then it is desperately needed now     **Prophet of Fire** Phil Johnson, 2008     **The Prophet of Fire** John Ross Macduff, 2018-10-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
