America's Bishop Darius L. Salter, 2019-11-19 The digital copies of this book are available for free at First Fruits website place.asburyseminary.edu/firstfruits Foreword Children of outstanding parents often have difficulty being objective about the ones who gave them birth There may be no greater illustration of this than the understanding of American Methodists about their founding father Francis Asbury His fate among his own people has been largely one of neglect Yet he is one of the most important men in the history of the Christian church particularly in the development of American Christianity John Wesley sent Francis Asbury a young man of 26 to the American colonies in 1771 At that time there were four Methodist preachers in the thirteen colonies caring for about three hundred people By 1813 three years before Asbury's death official Methodist records report 171 448 white and 42 850 African American members in full society By that time according to historian Mark Noll one out of every eight Americans some one million persons were attending Methodist camp meetings each year Noll continues by insisting that by 1860 Methodism had become the most pervasive form of Christianity in the United States Methodism as no other single religious tradition helped shape the character of American religious life The key to it all was Francis Asbury Yet his story is largely unknown especially among his own spiritual children Dennis F Kinlaw Founder Francis Asbury Society **Francis Asbury** Ezra Squier Tipple, 1916 The Pioneer Bishop William Peter Strickland, 1858 **Life and Labors of Francis Asbury, Bishop of the Methodist Episcopal Church in America** George Gilman Smith, 1896
