**The Admirable Life of the Glorious Patriarch Saint Joseph ...** J. A. Boullan,1887 **The Life and Glories of St. Joseph** Edward Healy Thompson,Edward Healy Thompson Ma,2013-04-21 Spend your life in honouring St Joseph and your love and homage will never equal the love and homage paid to him by Mary it will approach never so distantly to the obedience the love the homage paid to him for thirty years on earth by the Son of God But in proportion as your heart grows towards him in the reverence and unbounded confidence of a son will you trace in your soul a more faithful copy of the Incarnate Word Letter on Devotion to St Joseph by Herbert Bishop of Salford 1877 Passages from the visions and revelations of saints and holy contemplatives St Bridget Sister Maria of Agreda and others have been interwoven with the narrative simply in the way of illustration and not as being invested with authority except in the sense in which after due examination they have been favoured with ecclesiastical approval namely as containing nothing contrary to faith and morals and affording pious and profitable helps to meditation Finally observations and reflections have been introduced as occasion offered which were suggested by various authors whose works have been consulted or which occurred to the writer s own mind from consideration of the materials before him It is no uncommon idea even among Catholics that the devotion paid to St Joseph and the lofty estimate of his prerogatives now prevailing in the Church are innovations of comparatively modern date and that they have no precedent or sanction in antiquity But this is far from being the case In the writings of the ancient Fathers are to be found not only what may be called prolific germs but also positive and explicit statements of doctrine which sufficiently show how deep in the consciousness of the Church lay the belief of Joseph s exalted dignity and sanctity and how

definite a shape it had assumed even in the early ages The devotion paid to him has it is true been much more distinctly formulated in later centuries when his place in the celestial hierarchy came to be more fully recognised but from the first this great Saint had a peculiar attraction for many holy and gifted souls who regarded him with singular veneration and affection as the citations given abundantly testify
