Woodhill Rockhill, 2013-11-05 First Published in 2000 The analysis of the Tibetan Bkash hgyur by Alexander Csoma de Koros struck its readers with the wonderful patience and perseverance of this extraordinary scholar Csoma s premature death prevented him examining as fully as we could have desired the Tibetan Bstan hgyur to elucidate the difficulties which so frequently beset the canonical works in the Bkash hgyur Throughout this volume no attempt has been made to criticise the texts which have been studied they are only intended as materials for those who hereafter may undertake to write a history of the Buddha **The Life of the Buddha** Bhikkhu Nyanamoli, 1992 Among the numerous lives of the Buddha this volume may well claim a place of its own Composed entirely from texts of the Pali Canon the oldest authentic record it portrays an image of the Buddha which is vivid warm and moving Chapters on the Buddha s personality and doctrine are especially illuminating and the translation is marked by lucidity and dignity throughout **The Life of the Buddha** William Woodville Rockhill, 1884 *The Life of the Buddha* Heather Sanche, 2020-04-14 In the full bloom of spring in a beautiful garden in a place called Lumbini a prince was born So begins the extraordinary story of the life of Siddhartha Gautama the prince who would become the enlightened Buddha the Awakened One This classic tale follows Prince Siddhartha s journey of truth seeking and discovery including his life altering encounters with human suffering and his realization of the Four Noble Truths Today millions of people all over the world follow the Buddha s teachings on meditation selflessness and compassion Rendered here in exquisite original watercolor illustrations this inspiring story is brought to life for young readers curious about one of history s most monumental and influential figures **The Life of the Buddha** , 1982 **The Life of the Buddha** Bhikkhu Ñānamoli, 2013-05-09 Composed entirely of texts from the Pali canon this unique biography presents the oldest authentic record of the Buddha s life and revolutionary philosophy The ancient texts are rendered here in a language marked by lucidity and dignity and a framework of narrators and voices connect the canonical texts Vivid recollections of his personal attendant Ananda and other disciples bring the reader into the Buddha s presence where his example offers profound inspiration and guidance on the path to freedom *The Life of the Buddha* Lily Adams Beck, 1999 *The Life of the Buddha - Part One and Part Two* REV. valuable booklet This publication meets a long felt need for a suitable text book for Lower Secondary School standards that deals particularly with the period of earthly existence of the Buddha Although the account of the Life in the book is set down very briefly I believe that this presentation offers a good deal of material for the study of our Great Master s Life Teachers of the Dhamma classes in the various Buddhist Sunday Schools and even other religious institutions may elaborate on certain lessons to their satisfaction in their classes when this booklet is used as a textbook Since the material dealt with is very fundamental and comprises the basic knowledge desired of a junior beginning the study of Buddhism it is recommended that teacher make sure the students have grasped the principles involved in each topic or lessons by getting the class to answer questions set down at the end of every chapter The omission of legend and the absence of accounts of miracles from the compilation is intended to indicate that the contribution of the Buddha to world Happiness and His Supreme Enlightenment when he was born a man had successfully bridged the gap between man and divinity is more than enough for anyone who seeks the Truth to appreciate and accept the Method of the Great Master without having to call on miracles and legends to highlight His life As a compensation for the many pages of words and words there are several good illustrations pertaining to the Life of the Buddha I believe our young readers will be pleased with these illustrations as they have been specially selected for the book having relevant bearing on the period the custom as well as the dignity of the occasion for each topic represented Many of the illustrations are by courtesy of the Buddhist Information Centre Sri Lanka Thanks are due to the Buddhist Missionary Society for undertaking the publication of the two volumes and for meeting the cost of printing
