Light of My Life Takiba,2025-10-28 Back in high school best friends Aki and Minagi were inseparable Aki dreamed of becoming a professional football player while everyone called Minagi a genius and urged him to chase his dream of working in medicine Years later Aki has taken over his grandfather s hair salon and Minagi has set his interest in medicine aside to work in a host club Despite the growing tension between them following their high school fallout Minagi shows up at Aki s apartment one day asking for a place to stay Can the two men confront their past in order to repair their future The Light and Loves of My Life Ann Blackburn,2015-10-23 This narration of a life experience and the deep love shared with two special canines of the wolf persuasion comes from the heart In sharing the story the author hopes to connect with those who have known the amazing relationship that humans can have with animals of another species and also awaken others to both appreciate and respect the uncanny sensitivity and intelligence that other species do possess People would often ask me
