Sage Wendy Anne,2020-08-26 Sage perceivably a perfect example of a successful serial entrepreneur devoted mother and wife has within her an ancient secret awaiting discovery Though her public persona is nothing short of an ideal existence she leads a second life imbued with spiritual sensual and esoteric behavior Sage s mind procures a curator s elucidation in the structure of an inner monologue that belongs to an eclectic spiritualist peculiar artist indigo empath intuitive witch and anarchist she travels between the realms of arbitrary sacred ambiguous and fundamental worlds Within said worlds she embarks upon a

journey where she traverses through greater dimensions lucid dreams premonitions and connects to an immortal lover that begins to drain the essence of her organic life tied to her five basic senses In the perpetual cycle of good and evil trials and tribulations found both within her inner psyche and external circumstances Sage learns immortal secrets so powerful that they have the potential of changing the course of all beings that thrive on the third dimension of earth realm **Letters to Lightworkers** Diane Hall,2015 A beautiful collection of inspired articles blog posts poems and uplifting quotes from novelist intuitive and channel Diane Hall and her Guide Peter Elohim Packed with entertaining essays and articles inspired through mediumship as Diane and Peter work together to shed light on the challenges of our shifting times from both a human and a fifth dimensional perspective The second part contains messages channelled directly from Peter Elohim who offers visionary views of life beyond 2012 A comprehensive guide to shining your light while shift happens **In Love and Light** Scott Elliott Kuenzel,2011-01-03 Although most of us pray to God or some form of higher spiritual consciousness doesnt it seem odd that we perceive this presence as separate from us In this turbulent time of change and transformation so many are asking why does life have to be so challenging why disease why famine why poverty why war why am I alone Our plight on this Earth begs the question where is this divine and loving presence we innately call to All of this was weighing heavily on my mind as I helplessly witnessed a beautiful young soul be taken by leukemia It was while questioning Where is God that from the silence of seemingly unanswered prayers I was asked Are you ready now I was totally perplexed What did it mean And who was calling to me Was it God Was it an angel Or was it perhaps just my imagination For weeks I pondered both the question and its origin and although I was indeed fearful of embracing that which was so unknown something from within said This is your calling Have courage and move forward in faith As the weeks passed I sat idle uncertain as to the course to choose but then alas the thought of moving forward into that unknown didnt seem any scarier than sitting still Cautiously I answered Yes I am ready I said Im ready to embrace this calling I feel from within me but Ill only do this in the vein of love and peace with honor and dignity and in the spirit of the Christ consciousness It was there that my journey began one that swiftly moved me into the heart of what I call a spiritual awakening Long forgotten gifts of clairvoyance began emerging into the forefront of my awareness I was having visions of past lives and found myself acutely aware of those in spirit often times hearing their directives Eventually I began recording the guidance I perceived them to be conveying in a journal As I did to my amazement it became abundantly clear that not only was I connecting with loved ones who had passed but with a host of spirit guides angels and ascended masters Several years of walking the path had passed when one evening as I read a message for a friend synchronicity opened a door It sounds like the message was written just for me she said Over the course of the next several months there were nearly a dozen people for whom I read that made the same exact comment Thats when I knew that the messages were meant to be shared By the grace of God that which is conveyed in this book has been provided only by those who resonate with the vibration of Love and Light They come from many spheres of spiritual

consciousness including ascended masters angels and Archangels I have chosen to refer to them collectively as Spirit When one reads from their messages it becomes obvious that they are not contrary to any religion nor are they postulating a religion They are merely supplemental revelations spoken through divine grace in order that we might understand a little bit more about divine design about karma and the power each of us holds in our words deeds and actions They offer enlightening information about why life is and how we can and will affect our own future collectively and individually as evolving spirits The best way to allow the messages to serve you is to hold the book in your hands and simply ask in the name of Love and Light that guidance be revealed that will serve your highest good Relax and breathe in the loving presence of divine grace letting go any other thoughts When you are ready randomly open the book You will undoubtedly be drawn to a message that will speak directly to your situation Spirit says Take from these messages that which truly speaks to your heart and know that what we share with you comes in and of the divine Light Through the choices we make in our words deeds and actions we create our own tempering It is drawn unto us and thus becomes the living proof of who we are and that which we have learned regarding love and compassion respect and honor to name a few And in so making these choices we are creating the karma that will shape the future lessons of not only this life but the ones to come You will reap that which you sow the great master Jesus said By collective choice the future is ours to sow We can engage the energy of Love and Light or we can wallow in the energy of fear and negativity The question is which will we choose In Love and Light Scott Elliott Kuenzel Kenzel *SoulStroller* Kayce Stevens Hughlett, 2018-11-01 Seductive sincere and at times hysterical and heartbreaking this memoir follows author and good girl Kayce Stevens Hughlett out of her carefully constructed comfort zone into the world of international travel healers wise winged mentors and inspiring versions of humankind SoulStroller introduces a fresh and exciting way of experiencing and living life on one's own terms expanding readers world views whether they choose to visit destinations like Paris Ireland or Bali or get to know what home looks like through fresh eyes Labeled shy and rendered virtually silent by age six Kayce had been raised to fit the role of perfect wife doting mom and accomplished woman She fulfilled her mission by her mid forties when society said she had it all Society was wrong When her eldest child disappears into the haze of addiction her perfect world changes faster than you can say Get it right Ethereal gritty and relatable SoulStroller is the evolution of a woman too timid to speak her mind into someone who writes her own rules and redefines what it means to live with silence compassion and joie de vivre **Angel Therapy** Doreen Virtue, 1997-11-01 Dr Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking After her angelic encounter Doreen began asking the angels for additional guidance They answered her requests with very clear and loving words She writes of how the angelic guidance affected her work as a psychotherapist I began helping my counselling clients to hear their own angels Very quickly I discovered that the healing power of the angels exceeds any form of man made therapy I had ever witnessed The angels have wonderful gifts from God to impart to us In

Angel Therapy Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression boredom confusion and anger and issues associated with careers relationships parenting and much more *The Automatic Writing Experience (AWE)* Michael Sandler, 2021-02-16 An AWE Inspiring Adventure
