**Resumo:** O corporativismo é um fenômeno histórico que afetou a agenda social, econômica e política de vários países, na Europa e na América Latina, ao longo do século XX. Levando em conta esse contexto, esta apresentação tenta sublinhar o caráter multifacetado e transnacional do corporativismo apresentando os artigos que compõem este número da revista *Tempo*.

**Palavras-chave:** Corporativismo; Século XX; Estado; Trabalho.

*Corporatism: historical experiences and their representations in the 20th century*

**Abstract:** Corporatism is a historical phenomenon which influenced the socio-economic and political agenda of multiple countries in Europe and Latin America during the 20<sup>th</sup> century. Taking that context into account, this introduction aims to highlight the multifaceted and transnational characteristic of Corporatism by presenting the articles gathered in this special issue of *Tempo*.

**Keywords:** Corporatism; 20<sup>th</sup> Century; State; Work.

## **The Limits Of Corporatism The British Experience In The Twentieth Century:**

**The Limits of Corporatism** Sarah Vickerstaff, John Sheldrake, 1989      *Euro-corporatism?* Michael J. Gorges, 1996 This work looks at the process of European integration by focusing on interest intermediation in the European Community In order to characterize and explain various patterns of interest intermediation the author employs a modified neo institutionalist approach This framework provides a coherent picture of interest intermediation and explains the variety of bargaining patterns and interest group participation in EC policy making This study also looks at issues important to the future of the European Union focusing on policy making governance and fair distribution of costs and benefits of integration Euro Corporation will interest students and scholars of international relations regional integration European politics and European integration interest groups and industrial relations      *Chomsky on Democracy and Education* Noam Chomsky, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company      **The Evolution of Law and the State in Europe** Spyridon Flogaitis, 2014-11-06 Most books about public power and the state deal with their subject from the point of view of legal theory sociology or political science This book without claiming to deliver a comprehensive theory of law and state aims to inform by offering a fresh reading of history and institutions particularly as they have developed in continental Europe and European political and legal science Drawing on a remarkably wide range of sources from both Western and Eastern Europe the author suggests that only by knowing the history of the state and state administration since the twelfth century can we begin to comprehend the continuing importance of the state and public powers in modern Europe In an era of globalization when the importance of international law and institutions frequently lead to the claim that the state either no longer exists or no longer matters the truth is in fact more complex We now live in an era where the balance is shifting away from the struggle to build states based on democratic values towards fundamental values existing above and beyond the borders of nations and states under the watchful gaze of judges bound by the rule of law

Industrial Relations & Politics in Britain, 1880-1989 John Sheldrake, 1991 In the course of a study of industrial relations from a social historical perspective the author argues that gradual accreditation of government responsibility for industrial relations led to a crisis in 1979 Thatcher s consequent policy shift and implications for the future are examined

**Euro-corporatism?** Michael James Gorges, 1993      *A London Bibliography of the Social Sciences* , 1931 Vols 1 4 include material to June 1 1929      **The Emergence and Evolution of Peak Associations in Japan and the United States**

Yuzuru Suzuki, 1995      *Forthcoming Books* Rose Arny, 1990      **The Cumulative Book Index** , 1990 A world list of books in the English language      *Central European Political Science Review* , 2006      *Analysing Public Policy* Peter John, 1998-01-01 An accessible review of the main approaches in the study of public policy this text argues that most writers who seek to explain how policy varies and changes use one of the five frameworks institutional group network socio economic rational choice and ideas based It describes these methods in detail offers constructive criticisms and explores their claims in the

light of American British and French examples      2007-12-10 20 10 5 10      1990  
*Subject Guide to Books in Print* ,1996      *Books in Print* ,1991      *Analyzing Public Policy* Peter John,2013-02-28 The  
 fully revised and updated new edition of this textbook continues to provide the most accessible overview of the main  
 approaches in the study of public policy It seeks to review the most common and widely used frameworks in the study of  
 policy analysis institutions groups and networks society and the economy individual interests ideas The book explains each  
 one offers constructive criticisms and explores their claims in the light of a variety of American British and European  
 examples Arguing that no one framework offers a comprehensive explanation of public policy John suggests a synthesis  
 based on different aspects of the approaches introducing concepts approaches of advocacy coalitions punctuated equilibrium  
 and evolution as more effective ways to understand public policy Combining both a clear summary of debates in public policy  
 and a new and original approach to the subject this book remains essential reading for students of public policy and policy  
 analysis      *Bibliography of Political Studies* ,1990      ***Bibliographie Internationale de Science Politique*** ,1992  
***Australian Industrial Relations in the 1980s*** Braham Dabscheck,1989 Braham Dabscheck provides a critical and  
 analytical commentary on the major macro level developments of the 1980s
