The Lincoln Affair:

The Lincoln Affair Michael Gerhardt, 2003 **The Love Affairs of Washington and Lincoln** Elton Raymond Shaw, 1923 *Affairs of State* Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation s highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders *Affairs of State* is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C SPAN please click here **The Trent Affair** Thomas Le Grand Harris, 1896 *The Black and White Apple Orchard Affair* Ken Kent Thomas, 2012-09-24 This true sensually graphic love story took place in 1959 in an Apple Orchard located in a town known as Glen Cove on Long Island New York A beautiful white Italian young lady by the name of Nichi fell in love with an African American high school basketball star by the name of Cap Her sexual obsession with him was so overwhelming she walked three miles from her home to where he lived in the Orchard on Easter Sunday and unconditionally gave herself to him Both were virgins so the sex was so explosive they did not notice Caps best friend watching After they were finished and dressed Cap went for just a few minutes to the edge of the Orchard to check for a clear passage for her to leave Within that short period of time best friend Larry physically beat and violently raped her The girls parents called the police and Cap was arrested and charged with violently raping this young lady Cap took the blame completely by not implicating his friend They threw him in jail for not only the violent rape but also for the fact the girl was only a young teenage High School student Even though Cap suffered emotionally he and this girl could not stop seeing each other and having sex repeatedly right up to the trial date During those days the towns white folks and the police did not like black people The town wanted to string Cap up by his neck and castrate him Glen Cove became a racial ticking time bomb **The Love Affairs of Abraham Lincoln** Roy Dwight Packard, 1947 *The Truth of Power* Benjamin R. Barber, 2008 In 1994 Benjamin R Barber was invited by President Clinton to participate in a seminar on the future of democratic ideas and ideals Following their meeting Barber became an informal consultant to the Clinton White House working with a president who proved to be an astonishing listener open to a variety of ideas Barber s experiences were

unexpected and enlightening the most unpredictable being his interactions with the president himself Barber's meditation on Bill Clinton's tenure in office offers a balanced and complex portrait of the Clinton administration especially in its relationship to America's intellectual and scholarly community Barber also identifies the true faultlines of power that future candidates must negotiate if they are to win an election For this edition Barber has written a new afterword reflecting on Clinton's vision problem his controversial role in shaping today's Democratic Party and his efforts to confront the challenges of interdependence and terrorism He concludes with a provocative assessment of Hillary Clinton as a Democratic primary candidate in the battle for the presidency

Abraham Lincoln Deals with Foreign Affairs Jay Monaghan,1997-01-01 On the eve of the American Civil War the old predatory powers of Europe were waiting to capitalize on the split in the Union President Lincoln had to prevent foreign governments from giving official recognition to the Confederacy Jay Monaghan shows how the underestimated rustic president dealt with diplomats both in this country and abroad and also with contentious politicians and cabinet members
