**The Lincoln Ideals** Abraham Lincoln, 2003-01 *The Lincoln Ideals, His Personality and Principles as Reflected in His Own Words (Classic Reprint)* Abraham Lincoln, 2017-12-20 Excerpt from *The Lincoln Ideals His Personality and Principles as Reflected in His Own Words* I was born Feb 12 1809 in Hardin County Kentucky My parents were both born in Virginia of undistinguished families second families perhaps I should say My mother who died in my tenth year was of a family of the name of Hanks some of whom now reside in Adams and others in Macon counties Illi nois My paternal grandfather Abraham Lincoln emigrated from Rockingham County Virginia to Kentucky about 1781 or 2 where a year or two later he was killed by indians not in battle but by stealth when he was laboring to open a farm in the forest His ancestors who were quakers went to Virginia from Berks County Pennsylvania An effort to identify them with the New England family of the same name ended in nothing more definite than a similarity of Christian names in both families such as Enoch Levi Mordecai Solomon Abraham and the like About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Abraham Lincoln Sesquicentennial* United States. Lincoln Sesquicentennial Commission, 1960 *Presidents of the United States* James Sayler, 2002 While America s presidents hold great sway and command much attention during their terms of office the measure of their historical impact often comes from what they write The papers produced by each commander in chief helps to determine how history will remember him since the writings provide first hand accounts of the presidency Mirroring the personality of the president these writings vary from the pedestrian to the prolific Little of note remains from the tenure of Zachary Taylor while the products of the Nixon era continue to spark national debate This book gives a listing of the major pieces of literature produced by each president as well as an overview of researching presidential records In providing an introductory bibliography the book becomes an excellent starting point for anyone researching the presidency in general or a president in particular **Presidents of the United States--their Written Measure** James Sayler, 1996 *American Presidents* Fenton S.
