

The Lincoln Image

EW Minium

The Lincoln Image:

The Lincoln Image Harold Holzer, G. S. Boritt, Mark E. Neely, 1984 A fascinating examination of the relationship between Lincoln's image, the printmaker's craft and the political culture that helped shape them both. The Lincoln Image documents how printmakers both chronicled and influenced the president's transformation into an American icon. 106 photos. **The Lincoln Image** Lincoln National Life Insurance Company, 1984* *From Rail-splitter to Icon* Gary L. Bunker, 2001 A copiously illustrated history of the development of Lincoln's public profile. From Rail Splitter to Icon is enriched by editorial news, poetic and satirical content from contemporary periodicals artfully woven into a topical narrative. The Lincoln images originally appearing in such publications as Budget of Fun, Comic Monthly, New York Illustrated News, Phunny Phellow, Southern Punch and Yankee Notions significantly expand our understanding of the evolution of public opinion toward Lincoln, the complex dynamics of Civil War popular art and culture, the media, political caricature and presidential politics. Because of the timely emergence and proliferation of the illustrated periodical and the convergence of representational technology and sectional conflict, no previous president could have been pictured so fully. But Lincoln also appealed to illustrators because of his distinctive physical features. One could scarcely conceive of a similar book on James Buchanan, his immediate predecessor. Despite ever improving techniques, Lincoln's pictorial prominence competed favorably with any succeeding president in the nineteenth century. *The Lincoln Image* National Endowment for the Humanities, 1984 Pamphlet advertises exhibition of prints of Abraham Lincoln at Gettysburg College, Brown University, Fort Wayne Museum of Art. **Abraham Lincoln Portrayed in the Collections of the Indiana Historical Society** Indiana Historical Society, 2006 This book features more than 150 rare Lincoln images and artifact photos from the collection of the Indiana Historical Society. The collection includes contemporary and later images of Lincoln with his family, generals and cabinet members. Also included are political cartoons, illustrated sheet music, book and newspaper illustrations and the original carte de visite photographs of conspirators John Wilkes Booth, David Herold and John Surratt. The centerpiece of this collection is the original collodion wet plate negative of a portrait of Abraham Lincoln. It is one of the best known photographs of Lincoln and was used as the model for the Lincoln Memorial in Washington D.C. **Roosevelt's Image Brokers** Alfred Haworth Jones, 1974 **Washington and Lincoln Portrayed** Harold Holzer, 1993 *Bézier and Splines in Image Processing and Machine Vision* Sambhunath Biswas, Brian C. Lovell, 2007-12-20 Digital image processing and machine vision have grown considerably during the last few decades. Of the various techniques developed so far, splines play a significant role in many of them. This book deals with various image processing and machine vision problems efficiently with splines and includes the significance of Bernstein Polynomial in splines, detailed coverage of B-splines applications which are relatively new. Splines in motion tracking, various deformative models and their uses. Finally, the book covers wavelet splines which are efficient and effective in different image applications. *Abraham Lincoln (Pictorial America)* Jim Lantos, 2009-01-30 Over 60 images relating to Abraham Lincoln in a full color.

paperback Part of Applewood's Pictorial America series the images are drawn from historical sources and includes prints paintings illustrations and photographs This small gem is the ideal gift for anyone interested in a concise and beautiful visual biography of America's most beloved President **Lincoln Seen and Heard** Harold Holzer, 2000 Holzer also takes a closer look at Lincoln's oratory the words of a man often ridiculed for his homespun manner of speaking He shows how Lincoln's choice of words in the Emancipation Proclamation was actually designed to minimize its humanitarianism and argues that the story of his failure at Gettysburg has been unfairly exaggerated BOOK JACKET **Lincoln's Body: A Cultural History** Richard Wightman Fox, 2015-02-09 An astonishingly interesting interpretation Fox is wonderfully shrewd and often dazzling Jill Lepore New York Times Book Review Abraham Lincoln remains America's most beloved leader The fact that he was lampooned in his day as ugly and grotesque only made Lincoln more endearing to millions In *Lincoln's Body* acclaimed cultural historian Richard Wightman Fox explores how deeply and how differently Americans black and white male and female Northern and Southern have valued our sixteenth president from his own lifetime to the Hollywood biopics about him Lincoln continues to survive in a body of memory that speaks volumes about our nation *Lincoln, Inc.* Jackie Hogan, 2011-10-16 From Lincoln themed cocktails and waffle parlors to high tech museums and steamy romance novels the image of Abraham Lincoln so permeates the national imagination that we now find him in the unlikelyst of places In *Lincoln Inc* Jackie Hogan examines the uses and abuses of the sixteenth president in the United States today The book takes readers on a journey through the little white lies of Lincoln tourism and offers a front row seat as the martyr president is invoked in heated political debates over such issues as homosexuality abortion and the war on terror Readers enter classrooms that use an idealized Honest Abe to Lincolnize American schoolchildren And readers step into the alternate universe of Lincoln fiction that transforms the Rail Splitter by turns into a hapless time traveler a sentimental cyborg an axe wielding zombie slayer or a frontier heart throb But *Lincoln Inc* is more than a tour through the thriving Lincoln industry today Whether in staid biographies blockbuster films school pageants or sleeping pill advertisements Hogan shows how the use of the Lincoln image reveals the nation's shared fears and fascinations The book analyzes the ways we employ Lincoln today in our political ideological personal and national struggles the ways we simultaneously deify and commercially exploit him the ways he is packaged and sold in the marketplace of American ideas In learning about *Lincoln Inc* we learn about ourselves about who we think we are and who we wish we could be **Lincoln Lessons** Frank J. Williams, William D. Pederson, 2009-01-02 In *Lincoln Lessons* seventeen of today's most respected academics historians lawyers and politicians provide candid reflections on the importance of Abraham Lincoln in their intellectual lives Their essays gathered by editors Frank J Williams and William D Pederson shed new light on this political icon's remarkable ability to lead and inspire two hundred years after his birth Collected here are glimpses into Lincoln's unique ability to transform enemies into steadfast allies his deeply ingrained sense of morality and intuitive understanding of humanity his civil deification as the first assassinated American president

and his controversial suspension of habeas corpus during the Civil War The contributors also discuss Lincoln s influence on today s emerging democracies his lasting impact on African American history and his often overlooked international legend his power to instigate change beyond the boundaries of his native nation While some contributors provide a scholarly look at Lincoln and some take a more personal approach all explore his formative influence in their lives What emerges is the true history of his legacy in the form of first person testaments from those whom he has touched deeply Lincoln Lessons brings together some of the best voices of our time in a unique combination of memoir and history This singular volume of original essays is a tribute to the enduring inspirational powers of an extraordinary man whose courage and leadership continue to change lives today Contributors Jean H Baker Mario M Cuomo Joan L Flinspach Sara Vaughn Gabbard Doris Kearns Goodwin Harold Holzer Harry V Jaffa John F Marszalek James M McPherson Edna Greene Medford Sandra Day O Connor Mackubin Thomas Owens William D Pederson Edward Steers Jr Craig L Symonds Thomas Reed Turner Frank J Williams Honest Abe's Image: The Ups and Downs of the Rail Splitter Pasquale De Marco, Honest Abe s Image The Ups and Downs of the Rail Splitter is a comprehensive examination of Abraham Lincoln s life and legacy Drawing on a wealth of primary sources this book reveals the complex and multifaceted nature of one of America s most iconic figures Lincoln s journey to greatness was anything but smooth As a young man he failed in business and lost several elections Even after he was elected president he faced fierce opposition from both sides of the Civil War Yet despite these challenges Lincoln persevered He slowly rose through the ranks of the Republican Party and he eventually won the presidency in 1860 When the Civil War broke out Lincoln took decisive action to preserve the Union He led the country through four bloody years of conflict and he ultimately emerged victorious Lincoln s leadership during the Civil War was marked by both brilliance and pragmatism He was able to keep the Union together and he ultimately defeated the Confederacy However he was also willing to compromise on some issues in order to achieve his goals Lincoln s legacy is complex and multifaceted He was a brilliant politician a gifted orator and a compassionate leader He was also a flawed human being who made mistakes and struggled with personal demons But despite his flaws Lincoln s achievements were undeniable He saved the Union he ended slavery and he helped to create a more just and equitable society In this book we will explore Lincoln s life and legacy in depth We will examine his political career his personal life and his impact on American history We will also consider Lincoln s legacy in the 21st century Is he still a relevant figure for today s Americans What can we learn from his example Honest Abe s Image The Ups and Downs of the Rail Splitter is an essential read for anyone who wants to understand the life and legacy of one of America s greatest presidents If you like this book write a review *Film and the American Presidency* Jeff Menne, Christian B. Long, 2015-02-20 The contention of *Film and the American Presidency* is that over the twentieth century the cinema has been a silent partner in setting the parameters of what we might call the presidential imaginary This volume surveys the partnership in its longevity placing stress on especially iconic presidents such as Lincoln and FDR The contributions to this

collection probe the rich interactions between these high institutions of culture and politics Hollywood and the presidency and argue that not only did Hollywood acting become an idiom for presidential style but that Hollywood early on understood its own identity through the presidency's peculiar mix of national epic and unified protagonist Additionally they contend that studios often made their films to sway political outcomes that the performance of presidential personae has been constrained by the kinds of bodies for so long white and male that have occupied the office such that presidential embodiment obscures the body politic and that Hollywood and the presidency may finally be nothing more than two privileged figures of media age power

Ideas Are Weapons Max Lerner, *Perception of Pixelated Images* Talis Bachmann, 2016-01-21 *Perception of Pixelated Images* covers the increasing use of these images in everyday life as communication socialization and commerce increasingly rely on technology The literature in this book is dispersed across a wide group of disciplines from perception and psychology to neuroscience computer science engineering and consumer science The book summarizes the research to date answering such questions as What are the spatial and temporal limits of perceptual discrimination of pixelated images What are the optimal conditions for maximizing information extracted from pixelated images and How does the method of pixelation compromise or assist perception Integrates research from psychology neuroscience computer science and engineering Explains how the process of perception works for pixelated images Identifies what assists and hinders perception including the method of pixelation Discusses the limits of perception of pixelated images

Loathing Lincoln John McKee Barr, 2014-04-07 While most Americans count Abraham Lincoln among the most beloved and admired former presidents a dedicated minority has long viewed him not only as the worst president in the country's history but also as a criminal who defied the Constitution and advanced federal power and the idea of racial equality In *Loathing Lincoln* historian John McKee Barr surveys the broad array of criticisms about Abraham Lincoln that emerged when he stepped onto the national stage expanded during the Civil War and continued to evolve after his death and into the present The first panoramic study of Lincoln's critics Barr's work offers an analysis of Lincoln in historical memory and an examination of how his critics on both the right and left have frequently reflected the anxiety and discontent Americans felt about their lives From northern abolitionists troubled by the slow pace of emancipation to Confederates who condemned him as a black Republican and despot to Americans who blamed him for the civil rights movement to more recently libertarians who accuse him of trampling the Constitution and creating the modern welfare state Lincoln's detractors have always been a vocal minority but not one without influence By meticulously exploring the most significant arguments against Lincoln Barr traces the rise of the president's most strident critics and links most of them to a distinct right wing or neo Confederate political agenda According to Barr their hostility to a more egalitarian America and opposition to any use of federal power to bring about such goals led them to portray Lincoln as an imperialistic president who grossly overstepped the bounds of his office In contrast liberals criticized him for not doing enough to bring about emancipation or ensure lasting racial equality Lincoln's

conservative and libertarian foes however constituted the vast majority of his detractors More recently Lincoln s most vociferous critics have adamantly opposed Barack Obama and his policies many of them referencing Lincoln in their attacks on the current president In examining these individuals and groups Barr s study provides a deeper understanding of American political life and the nation itself Lincoln's Campaign Biographies Thomas A. Horrocks,2014-03-31 During the 1860 and 1864 presidential campaigns Abraham Lincoln was the subject of over twenty campaign biographies In this innovative study Thomas A Horrocks examines the role that these publications played in shaping an image of Lincoln that would resonate with voters and explores the vision of Lincoln that the biographies crafted the changes in this vision over the course of four years and the impact of these works on the outcome of the elections Horrocks investigates Lincoln s campaign biographies within the context of the critical relationship between print and politics in nineteenth century America and compares the works about Lincoln with other presidential campaign biographies of the era Horrocks shows that more than most politicians of his day Lincoln deeply appreciated and understood the influence and the power of the printed word The 1860 campaign biographies introduced to America Honest Abe the Rail Splitter a trustworthy rugged candidate who appealed to rural Americans When Lincoln ran for reelection in 1864 the second round of campaign biographies complemented this earlier portrait of Lincoln with a new paternal figure Father Abraham more appropriate for Americans enduring a bloody civil war Closing with a consideration of the influence of these publications on Lincoln s election and reelection Lincoln s Campaign Biographies provides a new perspective for those seeking a better understanding of the sixteenth president and two of the most critical elections in American history *American Faces* Richard H. Saunders,2016-09-06 A sweeping exploration of why and how we look at ourselves through art

As recognized, adventure as skillfully as experience nearly lesson, amusement, as skillfully as union can be gotten by just checking out a books **The Lincoln Image** with it is not directly done, you could receive even more roughly speaking this life, not far off from the world.

We come up with the money for you this proper as with ease as easy exaggeration to acquire those all. We offer The Lincoln Image and numerous book collections from fictions to scientific research in any way. in the midst of them is this The Lincoln Image that can be your partner.
