The Marsh Marlowe Letters:

The Marsh Marlowe Letters Craig Brown, 1986-01-01 *The Marsh Marlowe Letters* Craig Brown, 2001 Sir Harvey Marlowe publisher engages in a sprightly correspondence with his old schoolmaster Gerald Marsh From his home in Shuffling Marsh waxes lyrical on the subject of household manners I blow my nose with an handkerchief Et toi and the pleasures of reading books backwards Meanwhile Sir Harvey darting from meal to meal with gifted young writers sends his old friend the hottest news from the literary front But despite their passion for literature I imagine you already know that steak is an anagram for Keats 1983 proves a testing year for their friendship At the same time as Marsh is completing *Pass the Fruitcake* Iris his 1 000 page study of music hall gaffes Sir Harvey is becoming strangely attracted to his wife This is a wickedly funny send up of literary pretension *The Marsh Marlowe Letters* Robert Craig Brown, 1984 **Hello Goodbye Hello** Craig Brown, 2013-08-20 A collection of whimsical true encounters between famous and infamous individuals describes the unlikely meetings of Marilyn Monroe with Frank Lloyd Wright Michael Jackson with Nancy Reagan and Sigmund Freud with Gustav Mahler **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1990 *Ninety-Nine Glimpses of Princess Margaret* Craig Brown, 2018-08-07 Rollicking irresistible un put downable For anyone who swooned to Netflix's *The Crown* this book will be manna from heaven Hamish Bowles *Vogue* *Ninety Nine Glimpses of Princess Margaret* is a brilliant eccentric treat Anna Munday *The Wall Street Journal* I ripped through the book with the avidity of Margaret attacking her morning vodka and orange juice The wisdom of the book and the artistry is in how Brown subtly expands his lens from Margaret's misbehavior to those who gawked at her who huddled around her pens poised over their diaries hoping for the show she never denied them Parul Sehgal *The New York Times* Brown has done something astonishing He makes the reader care even sympathize with perhaps the last subject worthy of such affection His book is big fun equal measures insightful and hysterical Karen Heller *The Washington Post* A witty and profound portrait of the most talked about English royal She made John Lennon blush and Marlon Brando tongue tied She iced out Princess Diana and humiliated Elizabeth Taylor Andy Warhol photographed her Jack Nicholson offered her cocaine Gore Vidal revered her Francis Bacon heckled her Peter Sellers was madly in love with her For Pablo Picasso she was the object of sexual fantasy Princess Margaret aroused passion and indignation in equal measures To her friends she was witty and regal To her enemies she was rude and demanding In her 1950s heyday she was seen as one of the most glamorous and desirable women in the world By the time of her death in 2002 she had come to personify disappointment One friend said he had never known an unhappier woman The tale of Princess Margaret is Cinderella in reverse hope dashed happiness mislaid life mishandled Such an enigmatic and divisive figure demands a reckoning that is far from the usual fare Combining interviews parodies dreams parallel lives diaries announcements lists catalogues and essays Craig Brown's *Ninety Nine Glimpses of Princess Margaret* is a kaleidoscopic experiment in biography and a witty meditation on fame and art snobbery

and deference bohemia and high society **150 Glimpses of the Beatles** Craig Brown, 2024-03-26 Winner of the 2020 Baillie Gifford Prize for Non Fiction A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time If you want to know what it was like to live those extraordinary Beatles years in real time read this book Alan Johnson The Spectator Though fifty years have passed since the breakup of the Beatles the fab four continue to occupy an utterly unique place in popular culture Their influence extends far beyond music and into realms as diverse as fashion and fine art sexual politics and religion When they appeared on The Ed Sullivan Show in 1964 fresh off the plane from England they provoked an epidemic of hoarse throated fandom that continues to this day Who better then to capture the Beatles phenomenon than Craig Brown the inimitable author of Ninety Nine Glimpses of Princess Margaret and master chronicler of the foibles and foppishness of British high society This wide ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore When actress Eleanor Bron touched down at Heathrow with the Beatles she thought that a flock of starlings had alighted on the roof of the terminal only to discover that the birds were in fact young women screaming at the top of their lungs One journalist mistaken for Paul McCartney as he trailed the band in his car found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant s heartbeat so as to induce a hypnotic state in listeners And just how many people have employed the services of a Canadian dentist who bought John Lennon s tooth at auction extracted its DNA and now offers paternity tests to those hoping to sue his estate 150 Glimpses of the Beatles is above all a distinctively kaleidoscopic examination of the Beatles effect on the world around them and the world they helped bring into being Part anthropology and part memoir and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen this book is a humorous elegiac and at times madcap take on the Beatles role in the making of the sixties and of music as we know it *Ending Up* Kingsley Amis, 2015-04-28 A group of disgruntled septuagenarians prepare for their final days in this dark and very funny English novel about death and the inevitability of growing old The Observer Everyone wants a comfortable place to die and Kingsley Amis s characters have found it in Tuppenny happeny Cottage where assorted septuagenarians have come together to see one another out the door of life There s grotesque Adela whose sole passion is her cheapness her brother Brigadier Bernard Bastable always strategizing a new retreat to the bathroom before sallying forth to play some especially nasty practical joke Shorty the servant who years ago had a fling with the brigadier in the barracks and now organizes his day around a trail of hidden bottles George Zeyer the distinguished professor of history bedridden and helpless to articulate his still coherent thoughts and Marigold who slowly but surely is forgetting it all And now it is Christmas Children and grandchildren are coming to visit their ailing elders They don t know what lies in store before the story ends None of us do Ending Up is a grimly hilarious dance of death full of bickering bitching backstabbing drinking of course and idiocy of all

sorts It is a book about dying people and about a dying England clinging to its memories of greatness as it succumbs to terminal decay Q Craig Brown,2024-10-01 With equal measures of wit and wisdom the author of 99 Glimpses of Princess Margaret draws a deeply original hilarious and telling portrait of the Queen herself She was the most famous person on earth she first appeared on the cover of Time magazine at the age of three When she died few people were old enough to recall a time when she was not alive Her likeness has been reproduced in photographs on stamps on the notes and coins of thirty different currencies more than any since Jesus It is probable that over the course of her ninety six years she was introduced to a greater number of different people than anyone else who has ever lived likely well over half a million Yet this most closely observed of all women rarely left any real impression on those she encountered beyond vague notions of her radiance and sense of duty A high proportion of those she met can remember what they said to her but not a word of what she said to them Up until now the curious tactic employed by biographers of the Queen has been to ignore what is interesting and to concentrate on what is not Craig Brown the author of 150 Glimpses of the Beatles and Hello Goodbye Hello rejects this formula bringing his kaleidoscopic approach to the most famous and most guarded woman on earth examining the Queen through a succession of interlocking prisms With Q this fantastically funny marvelously insightful journalist gives us an unforgettable portrait of the omnipresent elusive Queen Elizabeth II
