Groucho Marx, 1973 The Marx Brothers Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work The Marx Brothers and America Robert E. Weir, 2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film The Cocoanuts and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor The Annotated Marx Brothers Matthew Coniam, 2015-02-19 Have you ever watched a Marx Brothers film and wondered what habeas Irish rose is What is the trial of Mary Dugan with sound What is a college widow When exactly did Don Ameche invent the telephone Their films are full of such in jokes and obscure theatrical literary and topical references that can baffle modern audiences In this viewer's guide to the Marx Brothers you will find the answer to such mysteries along with an exhaustive compilation of background information obscure trivia and even the occasional busted myth Each of the Marx Brothers 13 films is covered by a running commentary with points in the film discussed as they appear Each reference is listed by its running time with time code given for both PAL and NTSC DVD An introduction for neophytes and a resource for fanatics this book is a travel guide

to the rambling landscape of these remarkable comedies

The Marx Brothers as Social Critics Martin A. Gardner, 2009-10-21 The Marx Brothers films are packed with slapstick and obvious jokes gags puns pratfalls and mimicry But beneath the laughs is a serious and biting condemnation of American culture This book examines historical events political practices economic conditions manners and customs literary subjects and popular entertainment as satirized in the films and considers the ways in which the films were relevant in their era and remain so today

That's Me, Groucho! Matthew Coniam, 2016-08-25 Groucho Marx s career as a solo performer began long before the Marx Brothers and lasted almost until the end of his life with a series of controversial sold out concerts in his eighties In between came several films numerous television and radio appearances theater performances dramatic acting and writing and his smash hit radio and TV quiz show You Bet Your Life 1947 1961 This first ever comprehensive study of his work without his famous brothers reveals a Groucho perhaps unfamiliar to the public Driven to prove he was much more than just a comedian with a greasypaint later real mustache Groucho always thought of himself as essentially a solo performer and strove for individual success in his professional life and to balance if not always successfully his career with his family life Many rare photographs are included along with new and previously unpublished interviews
