The Mass Communication Process A Behavioral And Social Perspective:

The Mass Communication Process Stamm, Jennifer Bowes, 1988-11-01 *The Mass Communication Process* Keith R. Stamm, John E. Bowes, 1990 **Mass Media** James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes **Global Perspectives on the Impact of Mass Media on Electoral Processes** Aririguzoh, Stella Amara, 2021-03-18 The media play active roles in politics with different media channels serving as bridges that link the politicians and citizens together It is clear that what the media emphasize as important may be seen as such by the public Hence it is likely that the media may impact voter decisions during electoral processes and even during the elections As such it is imperative that research is collected on the impact of the media and the role it plays in strengthening party loyalty improving public knowledge on elections and swaying apathetic citizens to become involved in the electoral process Global Perspectives on the Impact of Mass Media on Electoral Processes provides relevant theoretical frameworks and research findings that evidence the impact of the media in specific elections in different countries around the world The book supports professionals who want to improve their understanding of the strategic roles that the media play in electoral politics as well as political candidates who may want to know if their heavy expenditures in paying the media to carry their political messages bring in returns on their investment Covering topics that include social media political cartoons and media influence this book seeks to provide fresh insights on the media s impact on elections whether at the national regional or local levels It is ideal for politicians campaign managers media analysts government officials professionals researchers students academicians and individuals involved in electoral management political parties advertising agencies and marketing companies **Voices and Values** Ratna M. Sudarshan, Rajib Nandi, Over the last several years regular evaluation of development programs has become essential in measuring and understanding their true impact Feminist and gender sensitive evaluations have gradually emerged drawing attention to existing inequities gender caste class location and more and the cumulative effect of these biases on daily life Such evaluations are also deeply political they explicitly acknowledge that gender based inequalities exist show how they remain embedded in society and articulate ways to address them Based on four years of research Voices and Values offers critical insight into how gender class and nationality inflect and affect sociological research It examines how feminist evaluations could make an effective contribution to new policy formulations oriented to gender and social equity The essays here focus centrally on the structural roots of inequity giving weight to all perspectives adding value to marginalized groups and people under evaluation and taking forward the findings of evaluation

into advocacy for change In doing so each essay advances the understanding of feminist evaluation both conceptually and as practice
