The Masters Healing Presence Bible:

HEALING PRESENCE Alex Mathew, 2024-03-03 This book is written in a theistic context that I believe God is in control. It is not an easy proposition to intelligent technical and scientifically thinking AI Robotic brains. Existence itself is the Love Truth that infill and surrounds all that exist. It is The all inclusive IS. Existence itself is a present continuous ongoing event that can only be represented by IS or the present continuous state of being. The idea of meta love counseling or beyond counseling is being in the moment that reveals itself to the one who is ready in sensitive alertness to receive whatever IS. This book maintains that none is entitled to alter the perpetual IS. The Counselor as Jesus meant will lead you into situations that redeem and heal. The idea is very simple. In that particular state of being the counselor whom we refer to as the Christian Meta Love Counselor or a Healing Presence functions as a conduit of healing in the confused suffering broken desperate defeated self centered unforgiving individuals to gain freedom from their private bondage to experience Healing. It is not as much as what the Meta Love Counselor does but who she or he is within the glorious presence of Jesus who in fills the Meta love counselor to function as an agent of the healing in and through the Meta love counselor only acts as a channel of healing. The Holy Spirit source of all comfort and healing begins flowing to the person in need through you who functions as a genuine conduit for the happening healing process. The dynamics of such happenings is not explainable technically as it is there for anyone in the Spirit to experience it and for those outside it to reject outright. Without love the counselee will only be influenced to believe everything is fine. Love Truth makes all things possible including all comforting healing and wholeness. Surrounded by Love Truth all things become possible. Surrender in Love Truth to sense the magic of love.

Healing Presence David Shuch, 2022-04-05 Creating a presence based approach to healing. With *Healing Presence* author David J Shuch has written an impressive and groundbreaking guide to the theory and practice of healing in its many aspects. He proposes the idea that we need to re examine and redefine what it means to be a healer and attempts to answer the following questions: What is consciousness? What is human life? What is healing? What is the science behind the art of healing? What practices and what capacities are needed so that one may be rooted in the face of suffering and helpful in fostering an atmosphere of healing? You will be motivated to reflect upon and question your own views as you study the book's teachings. Masterfully weaving together concepts from history, religion, science and more, the author has created a unique theory of faith, consciousness and humanity.

Seven Statements from the Christian Bible that Jews Should Know

Alfredo Calderon-Rodriguez, 2023-07-20 We know that from the fields of politics, economics, culture and social affairs, different motives have emerged for the rejection of some Jewish communities in some nations, but why from Christianity? Is Christianity a monolithic bloc from which these expressions of rejection came out, and has anyone who considers himself a Christian also participated in them at least in his conscience? Or is Christianity a broad field of thought, one that goes beyond forming a single dogmatic culture in its believers? Fortunately, we know that universal Christianity is not that solid block of thinking. So

for the same reasons why we know that not all politicians societies cultures economies or religions have been or are anti Semitic neither is the universal of Christianity For Christians of virtually every denomination the Bible is their ultimate teaching book It is the book whose content has all the information necessary to direct our lives But why are there so many divisions in the Christian faith Worse still why are there different versions of that Christian Bible even though they contain the basic biblical books Will the Bible have the answer to this and other questions regarding the inclusion of Christianity in anti Semitism behave In this book we will try to find the answer to these questions and see what the Christian Bible has to tell us about it In this work called Seven Statements from the Christian Bible that the Jews should know we try to scrutinize the pages and message contained in the pages of the Bible hoping to find the information that will help us better understand this complicated matter
