The Psychoanalytic Review , 1917 **Reaching for Eternal Truths** Donald Rhody, 2009-09 If our minds are unable to grasp even the concept of eternity how can we possibly understand the many biblical truths written from the perspective of eternity When we misunderstand each other using the written and spoken word why does God use these means to communicate with us Reaching for Eternal Truths begins with the understanding that definitive answers to these questions are elusive for finite minds Yet author Donald Rhody demonstrates the merit in the endeavor as he examines such difficult questions as bull How is it possible for the sovereignty of God and the free will of man to coexist bull If we are saved by grace what is the role of good works bull When God desired to give the early Israelites a covenant sign why did he choose circumcision bull What is our relationship to creation Reaching for Eternal Truths will guide you as you begin your own explorations into these questions It provides a scriptural foundation not the entire structure beginnings of discovery not complete answers The goal is to bring us closer to understanding God and our place in his world Whatever you finally discover you will emerge from your quest spiritually stronger intellectually more alert and with a new realization that there is much more to learn in the continual search for truth The Christian Writer's Manual of Style Robert Hudson, 2016-08-30

Unlocking the Idioms: An LDS Perspective on Understanding Scriptural Idioms George M. Peacock, 2023-02-02 Idioms and idiomatic language are as real to the messages of holy scripture as are prophecies and parables Idioms are words and phrases that express more than the actual words themselves They paint mental or emotional images that bring events or feelings to the present quickly and with intensity Like a cultural shorthand they can describe things without using lengthy explanations On the other hand idioms can be meaningless and misleading if the reader has no experience with the culture and language from which the idioms originated Mistranslation and cultural differences both contribute to the misinterpretation of many scriptural idioms Phrases such as gird up your loins and salt of the earth will lose their intended effect if they are taken only literally In these pages George M Peacock explains exactly what idioms are how to identify them and how learning their meaning can add to your understanding of the scriptures and their messages Unlocking the Idioms will help bring you insight and knowledge as you feast upon the words of the Lord
