Wright, 2013-06-15 Wright has found a way to wed fragments of an iconic America to a luminously strange idiom eerie as a tin whistle which she uses to evoke the haunted quality of our carnal existence The New Yorker Inspired by numerous visits inside Louisiana state prisons where MacArthur Fellow C D Wright served as a factotum for a portrait photographer One Big Self bears witness to incarcerated men and women and speaks to the psychic toll of protracted time passed in constricted space It is a riveting mosaic of distinct voices epistolary pieces elements from a moralistic board game road signage prison data inmate correspondence and counts of things from baby s teeth to chigger bites Count your folding money Count the times you said you wouldn t go back Count your debts Count the roaches when the light comes on Count your kids after the housefire One Big Self originally published as a large format limited edition that featured photographs and text was selected by The New York Times and The Village Voice as a notable book of the year This edition features the poem exclusively C D Wright is the author of ten books of poetry including several collaborations with photographer Deborah Luster She is a professor at Brown University **The Caged Owl** Gregory Orr, 2012-12-11 Gregory Orr s genius is the transformation of trauma into art Whether writing about his responsibility for a brother s death during a hunting accident drug addiction or being jailed during the Civil Rights struggle lyricism erupts in the midst of desolation and violence Orr s spare succinct poems distill myth from the domestic and display a richness of action and visual detail This long awaited collection is soulful work from a remarkable poet whose poems have been described as mystical carnal reflective and wry San Francisco Review Love Poem A black biplane crashes through the window of the luncheonette The pilot climbs down removing his leather hood He hands me my grandmother s jade ring No it is two robin s eggs and a telephone number yours from Gathering the Bones Together A father and his four sons run down a slope toward a deer they just killed the father and two sons carry rifles They laugh jostle and chatter together A gun goes off and the youngest brother falls to the ground A boy with a rifle stands beside him screaming Orr s is an immaculate style of latent violence and inhibited tenderness charged with a desperate intensity whose source is often obscure The New York Times Book Review Gregory Orr is the author of seven volumes of poetry and three books of criticism He is the editor at Virginia Quarterly Review teaches at the University of Virginia and lives with his wife and

Orpheus Eurydice A Lyric Sequence **PRISMATICS: LARRY LEVIS & CONTEMPORARY AMERICAN POETRY**
Gregory Donovan, Michele Poulos, 2020-03-04 *Prismatics* Larry Levis he was the star risen out of a constellation of poets coming from Fresno In *Prismatics* many of our most notable poets offer insightful personal and detailed responses to and assessments of Larry's life and work Especially touching and salient are the interviews with Philip Levine Peter Everwine C G Hanzlicek and David St John Fresno poets and friends who knew him best and who knew Larry from the start They testify to his talent humanity and unmatched originality and voice For lovers of Larry's poetry of contemporary poetry this is an invaluable collection Christopher Buckley author of *A Condition of the Spirit* As I read through the interviews in *Prismatics* I found myself pausing in the middle of chapters rather than between them so as to savor the feeling of always being immersed in a rich and rewarding conversation I love the cumulative warmth of this book of so many poets speaking affectionately and thoughtfully about one of the great American poets of the 20th century as friend colleague lover co conspirator and cynosure But more than a commemoration of Larry Levis *Prismatics* offers meditations on passion creativity self destruction ambition and the nature of literary legacy It's a book as capacious and complex as the poetry of Levis itself Nicky Beer author of *The Octopus Game* and *The Diminishing House* *Visiting Dr. Williams* Sheila Coghill, Thom Tammara, 2011-06 Loved for his decidedly American voice for his painterly rendering of modern urban settings and for his ability to re imagine a living language shaped by the philosophy of no ideas but in things William Carlos Williams 1883 1963 left an indelible mark on modern poetry As each successive generation of poets discovers the new that lives within his work his durability and expansiveness make him an influential poet for the twenty first century as well The one hundred and two poems by one hundred and two poets collected in *Visiting Dr Williams* demonstrate the range of his influence in ways that permanently echo and amplify the transcendent music of his language Contributors include Robert Creeley David Wojahn Maxine Kumin James Laughlin A R Ammons Wendell Berry Heid Erdrich Frank O Hara Lyn Lifshin Denise Levertov Wallace Stevens John Ashbery Allen Ginsberg and a host of others *In the Next Galaxy* Ruth Stone, 2004-01-01 A collection of sardonic crafty poems questions the role of convention in everyday life *In the Permanent Collection* Stefanie Wortman, 2014-04-15 Trying to make sense of a disordered world Stefanie Wortman's debut collection examines works of art as varied as casts of antique sculpture 19th century novels and even scenes from reality television to investigate the versions of order that they offer These deft poems yield moments of surprising levity even as they mount a sharp critique of human folly These poems seem haunted by a mostly nameless melancholia In *The Permanent Collection* however turns its grim geography of prisons mortuaries and tawdry suburbs into something close to classical elegy In sunken rooms Wortman writes on scratchy rugs maybe we've never known happiness It's that maybe the smart hedge that renders her poems complex often beguiling but

never without a gesture of redemption This should be part of any serious poet's permanent collection Chad Davidson author
