Shai Feldman, Yiftah Shapir

The Military Balance 1979 198:

The Tenuous Balance James M Garrett, 2019-06-12 The instigation for this book was the author's doubt that the political and military confrontation in Central Europe would remain stable in a serious crisis. Uncertainty of success may deter Soviet risk taking forty nine years out of fifty but not in that fiftieth year if Soviet leaders should face an apparent threat to their continued hegemony in

The Military Balance in the Cold War David Walsh, 2007-07-20 This book examines the impact of American perceptions of the military balance between the United States and the Soviet Union during the key period of 1976-1985. That decade witnessed the decline of the US-Soviet détente and the resurgence of superpower confrontation often called the Second Cold War. Among the factors contributing to this shift was the American view of the military balance whether the United States had been or was being overtaken by the Soviet Union in terms of military capability. Since then the military balance has been viewed within the overall context of issues impacting superpower relations during this era. David Walsh examines the full range of issues: strategic and European based forces, power projection capabilities and military spending and their role in shaping perceptions not just of the military balance but also in such key areas of international relations as arms control, trans-Atlantic diplomacy and Third World conflict. In doing so he shows how the perceptions of the 1970s contributed to key policy decisions in the 1980s which themselves played a significant role in bringing the Cold War to an end. *The Military Balance in the Cold War* will be of interest to advanced students of Cold War history, strategic studies, US foreign policy and international relations in general.

The Salvadoran Officer Corps and the Final Offensive of 1981 Brian J. Bosch, 2013-02-22 The final offensive, an insurgent campaign fought after El Salvador's coup of 1979, clearly demonstrated the strengths, weaknesses, idiosyncrasies and behavior of the Salvadoran officer corps. During this crucial period the military institution faced the double threat of internal politics and a rebel guerrilla army. Colonel Bosch served as the U.S. Embassy's Defense and Army Attaché during the crisis. His intimate perspective brings to life the important political and military events before, during and after the final offensive. His book also offers an historical perspective of officer attitudes from 1931 to 1979. The Armed Forces political crisis of 1979 and 1980 is discussed followed by a detailed analysis of the final offensive, the short-lived cohesiveness shown by the officer corps and the divisiveness that lasted through the war and into peace. The text is complemented by a map and photographs.

The Middle East Military Balance, 2001-2002 Shlomo Brom, Yiftah Shapir, 2002 Up to date authoritative information on military capabilities in the Middle East. The explosion of violence between Israelis and Palestinians that began in late 2000 is a tragic reminder of the potential for armed conflict in the Middle East. Although many developments in the 1990s appeared to have reduced the likelihood of war in the region, stability between Israel and its Arab neighbors remains tenuous. Security in the Persian Gulf also remains uncertain as Iran and Iraq have continued their pursuit of weapons of mass destruction. Understanding the dynamics of security in the Middle East requires detailed information on the military capabilities of the region's countries. *The Middle East Military*

Balance is prepared annually by the Jaffee Center for Strategic Studies in Tel Aviv. It is based on data from many sources including some that are unavailable to other institutes. With its wealth of current hard-to-find information, it offers an authoritative and indispensable guide to military capabilities in the Middle East. Governments, the media, and researchers pay close attention to its data and analysis each year. *The Military Balance 2009* IISS, 2018-01-17. The Military Balance is The International Institute for Strategic Studies' annual assessment of the military capabilities and defence economics of 170 countries worldwide. It is an essential resource for those involved in security policymaking, analysis, and research. The book is a region-by-region analysis of the major military and economic developments affecting defence and security policies and the trade in weapons and other military equipment. Comprehensive tables detail major military training activities, UN and non-UN deployments, and give data on key equipment holdings and defence expenditure trends over a ten-year period. Key Features: Region-by-region analysis of major military issues affecting each region; changes in defence economics, weapons, and other military equipment holdings; and the trade in weapons and military equipment. Comprehensive tables of key data on weapons and defence economics, such as comparisons of international defence expenditure and military manpower. Analysis of significant military and economic developments. Wallchart and detailed world map showing current areas of conflict with explanatory tables. This new edition of *The Military Balance* provides a unique compilation of data and information enabling the reader to access all required information from one single publication.

The Gulf Military Balance Anthony H. Cordesman, Robert M. Shelala, Omar Mohamed, 2014-03-12. The United States faces major challenges in dealing with Iran, the threat of terrorism, and the tide of political instability in the Arabian Peninsula. The presence of some of the world's largest reserves of oil and natural gas, vital shipping lanes, and Shia populations throughout the region have made the peninsula the focal point of US and Iranian strategic competition. Moreover, large youth populations, high unemployment rates, and political systems with highly centralized power bases have posed other economic, political, and security challenges that the Gulf states must address, and that the United States must take into consideration when forming strategy and policy.

The Military Balance in the Middle East Anthony H. Cordesman, 2004-09-30. Noted Middle East military expert Anthony H. Cordesman details the complex trends that come into play in determining the military balance in a region that has become so critical to world peace. This ready resource provides a wealth of information on military expenditures and major arms systems, as well as qualitative trends by country and by zone. However, as Cordesman stresses, because the greater Middle East is more a matter of rhetoric than military reality, mere data summarizing trends in 23 different countries is no substitute for a substantive explanation. Using tables, graphs, and charts, this study explores every aspect of the regional military balance, with attention to sub-regional balances, internal civil conflicts, and low-level border tensions. The Middle East is certainly one of the most militarized areas in the world, and changes in technology, access to weapons of mass destruction, and political instability contribute to a situation that has long been in constant flux. Some of the regional flashpoints covered in this study include the Maghreb.

North Africa the Arab Israeli conflict dominated by Israel versus Syria and the Gulf divided into those states that view Iran as the primary threat and those who lived in fear of Iraq Internal conflicts such as those in Mauritania Algeria Libya Egypt Sudan Bahrain Saudi Arabia Iraq and Yemen increasingly dominate regional tensions In addition border conflicts within the region and with neighboring countries could further aggravate the delicate balance

The Middle East Military Balance

2000-2001 Shai Feldman, Yiftah Shapir, 2001 With its wealth of current hard to find information The Middle East Military Balance offers an authoritative and indispensable guide to military capabilities in the Middle East Although Israel and its Arab neighbors have taken many steps toward peace in recent years the Middle East remains an uncertain and volatile region Stretching from Morocco to Iran the area has seen numerous international and internal conflicts in recent decades Understanding the dynamics of these conflicts requires detailed information on the military capabilities of the region's countries The Middle East Military Balance is prepared annually by the Jaffee Center for Strategic Studies in Tel Aviv Israel It is based on data from many sources including some that are unavailable to other institutes With its wealth of current hard to find information it offers an authoritative and indispensable guide to military capabilities in the Middle East Governments the media and researchers pay close attention to its data and analysis each year The Jaffee Center's new reorganized Middle East Military Balance provides the most comprehensive and objective analysis of Middle East military developments available in the open literature A first rate product Geoffrey Kemp Director of Regional Strategic Programs The Nixon Center

Strategy, Doctrine, And The Politics Of Alliance Paul Buteux, 2019-07-31 This book examines the processes of nuclear policymaking in NATO and the interaction of alliance strategy with the doctrines underlying it Dr Buteux focuses on the issue of theatre nuclear force modernisation to illustrate his thesis that NATO's strategic posture results from a political process in which other than purely strategic objectives are sought agreements on alliance strategy may in fact be related only indirectly to the actual military posture of the alliance and the means available to support it The book highlights the cumulative effect of strategic and technological change on the strategy and nuclear politics of NATO Emphasizing that the present strategic environment has called into question many of the strategic and political premises on which NATO's nuclear posture has been based Dr Buteux gives special attention to recent proposals to deploy enhanced radiation weapons the neutron bomb and new intermediate range nuclear weapons in Europe He considers the impact of these proposals on NATO's nuclear policymaking process and on the ability of the alliance to continue to base its deterrent posture on the concept of flexible response

U.S.-Soviet Military Balance John M. Collins, 1980

This is likewise one of the factors by obtaining the soft documents of this **The Military Balance 1979 198** by online. You might not require more period to spend to go to the books introduction as competently as search for them. In some cases, you likewise pull off not discover the statement The Military Balance 1979 198 that you are looking for. It will extremely squander the time.

The Military Balance 1979 198 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Military Balance 1979 198 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Military Balance 1979 198 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Military Balance 1979 198 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Military Balance 1979 198 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Military Balance 1979 198 is one of the best book in our library for free trial. We provide copy of The Military Balance 1979 198 in digital format, so the resources that you find are reliable.
