Malcolm Bull, Keith Lockhart

The Millennium A Journey Through The Sabbath Of Time:

The Millennium Phyllis Carol Olive, 2002 The author has carefully researched upcoming global events and shares her findings in a pleasing easy to read book the book is based on the scriptures and the words of the modern prophets a New Dawn Awaits the World The concluding scenes of the earth's telestial condition is often frightening but the great millennial day to follow will be glorious and wonderful Those who have a clear picture of that day will be willing to endure whatever comes in order to be part of that Zion oriented society This book will renew that vision in your life Learn about upcoming global events such as the gathering and the protection of the righteous the transfiguration of the earth Civilization during the Millennium the earth's ultimate destiny

The Pursuit of the Millennium Norman Cohn, 1970 The end of the millennium has always held the world in fear of earthquakes plague and the catastrophic destruction of the world At the dawn of the 21st millennium the world is still experiencing these anxieties as seen by the onslaught of fantasies of renewal doomsday predictions and New Age prophecies This fascinating book explores the millenarianism that flourished in western Europe between the eleventh and sixteenth centuries Covering the full range of revolutionary and anarchic sects and movements in medieval Europe Cohn demonstrates how prophecies of a final struggle between the hosts of Christ and Antichrist melded with the rootless poor's desire to improve their own material conditions resulting in a flourishing of millenarian fantasies The only overall study of medieval millenarian movements The Pursuit of the Millennium offers an excellent interpretation of how again and again in situations of anxiety and unrest traditional beliefs come to serve as vehicles for social aspirations and animosities

return *Revival and Awakening* Adam H. Becker, 2015-03-09 This volume examines how the presence of an American evangelical mission in the borderlands between Qajar Iran and the Ottoman Empire in the nineteenth century contributed to the development of a secular nationalism among the indigenous Neo Aramaic speaking Christian population of the region A particular evangelical configuration of modernity was cultivated at the mission in the antebellum period one belonging to a visceral realm often unrecognised in characterisations of secularism and the Enlightenment Seeking a Sanctuary Malcolm Bull, Keith Lockhart, 2007 The story of a large yet little known Protestant denomination **Israel and the Covenants in New Testament Times** Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that **A Narrative of Travels in the United States of America** William O'Bryan, 1836 **The Rapture: From the Ground Up** Richard L. Guthrie, 2014-04 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if

the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture *The Rapture From the Ground Up* explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of God's Word
