A TRUE STORY

The Millionaire Miner

Henry Demarest Lloyd

The Millionaire Miner:

A Miner's Million John Monk Foster, 2021-11-09 In *A Miner's Million* John Monk Foster intricately weaves a narrative that explores the life of a coal miner striving for prosperity amidst the harsh realities of his environment. The novel employs a richly descriptive literary style that captures the grit and determination of its protagonist while delving into the socioeconomic complexities of early 20th century mining communities. Foster intricately contrasts the raw beauty of the Appalachian landscape with the oppressive nature of labor exploitation, presenting a poignant commentary on the American Dream and the often unattainable pursuit of wealth. Foster, born and raised in a mining town, draws heavily from his own experiences and community lore, lending authenticity and depth to his characters. His interests in labor rights and social justice profoundly influence the narrative as he seeks not only to entertain but to provoke thought on the conditions faced by working class Americans. This backdrop of personal and regional history infuses the novel with an emotional weight that resonates throughout. Readers seeking a compelling exploration of resilience, sacrifice, and aspiration within America's labor history will find *A Miner's Million* to be an essential read. Foster's vivid storytelling and the novel's socio-political insights make it a vital contribution to the contemporary canon of American literature. [A Strike of Millionaires Against Miners](#)

Slocum #304: Slocum and the Lady Reporter Jake Logan, 2004-05-25 Slocum is always bad news for outlaws. Despite its name, there's always trouble brewing in the small mining town of Nirvana, Nevada. John Slocum's just riding through when the comely widow Mrs. Benteen and newspaper reporter asks for his help on a scoop about claim jumpers. If no news is good news, then for Slocum this is downright bad. Slocum reckons he'd rather mosey along, but he's never left a widow, especially a right pretty one, high and dry. But when claim jumpers find him snooping around Nirvana, Slocum had better defend himself before he makes the papers the obituaries that is. **The Call of Gold** Newell D. Chamberlain, 2002 Newell D. Chamberlain was born in 1880 and spent his early years in San Francisco. In 1926 he established Camp Midpines, so named because it was amidst the pines and midway between Merced and Yosemite. In the 1930s he compiled this chronicle of events during and after the Gold Rush, drawing on newspapers of the time and interviews with early pioneers and their children. The result is this kaleidoscopic view of life in a dramatic era in the history of California. Illustrated with many historic photographs, some of which have not previously been published.
