How Jesus Saves Joshua M. McNall, 2023-03-07 How does Jesus save us by dying on the cross One night as Josh McNall was talking with his young daughter before bedtime she asked him this seemingly simple question How would you answer The fact that Jesus saves is perhaps the most basic claim of Christianity Theologians and scholars refer to the way Jesus saves us as the atonement the follow up question How does he save demands the attention not just of theologians but of every Christ follower How exactly does a brutal and shameful crucifixion bring salvation Why does the Bible call it good news and why should we In *How Jesus Saves* McNall professor and host of the podcast Outpost Theology answers common questions and resolves misunderstandings that many people have about the atonement You ll explore questions like If Jesus conquered death why doesn t it look like it How could an innocent person justly pay the penalty for the guilty Why couldn t God simply forgive apart from the cross Doesn t following Jesus sacrificial example actually enable abuse Through Scripture story and real life applications McNall addresses this great Christian doctrine with simplicity without sacrificing the nuance it demands Clear and readable *How Jesus Saves* will deepen your faith and commitment as a Christian giving you the comprehension and confidence you need to explain the atonement not only to your curious loved ones but also to skeptics who might challenge your faith This book includes reflection questions at the end of each chapter

The Power of Presence Neil T Anderson, 2016-03-20 Neil Anderson has travelled the world speaking and teaching and has written many books At his side at his back has been his wife Joanne they have been together for over 50 years Now Joanne is gripped by a long decline sinking gradually into agitated dementia She depends on Neil s presence calls him Daddy He has no training as a nurse but now for long hours he sits at her bedside and cares for her bodily needs They do not speak much conversation is

a strain So Neil has used the silent hours to pray to spend time in God's presence and to reflect on what this means I have become keenly aware that God is using Joanne's illness to teach me about the power of presence he writes I'm learning on a much deeper level the purpose of just being there and what it means to be still and know that He is God There is an inexplicable peace that comes from knowing I don't have to do in order to be in God's will to be in His presence to be in each other's presence It has been a peaceful time of reflection upon the presence of God and how that has shaped me our marriage and ministry My theology tells me that God is omnipresent but we are not always aware of His presence and yet without His presence we are not fully alive
