Historical Cape Coral

by

Betsy Zeiss

Cape Coral Historical Society

An aerial photograph of Cape Coral, Florida, showing the city's extensive canal system and surrounding landscape. The image is in a monochromatic blue-green color scheme. The canals are visible as a network of light-colored lines winding through the darker, vegetated land. The city's layout is clearly visible, with the canals forming a grid-like pattern. The water in the canals reflects the sky, creating a shimmering effect. The overall scene is a wide-angle shot, capturing a large portion of the city and its unique geography.
