Ethno-Playography Anne Hart,2007-07-27 Here s how to write salable plays skits monologues or docu dramas from life
 experiences social issues or current events Write plays skits using the technique of ethno playography which incorporates
 traditions folklore and ethnography into dramatizing real events The sample play and monologues portray events as social
 issues One true life example for a skit is the scene in the sample play written from first person point of view about a 1964 five
 minute train interlude when a male passenger commands the protagonist not to cross between cars while the train is in
 motion The passenger stands between the cars next to his wife who says timorously Let her go dear after the wife notices the
 young protagonist wears a wedding ring The protagonist tells him she s pregnant returning from the john and needs to get
 back to her family Instead he squeezes her head in a vise like grip crushing her between his knee and the wall of the train He

kicks at the base of her spine yelling stereotypical ethnic epithets while passengers ignore events After the sample play and three monologues for performance you will have learned how to write ethnographic dialogue and select appropriate scene settings Also included are e interviews with popular fiction writers *Billboard* ,2001-09-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1998-05-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Complete Idiot's Guide to MP3** Rod Underhill,Nat Gertler,2000 MP3 is an Internet music format to compress music for easy download and storage This work gives a history of how MP3 came to exist and what the technology is The authors offer pointers and tips for would be artists who want to run for the music industry Billboard ,2000-12-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends PC Mag ,2004-07 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology
