U.S. International Trade in Goods and Services , **Survey of Current Business** ,2004 Presents current statistical data on economic activity **Survey of Current Business** ,2004 **Bulgaria's Integration Into the Pan-European Economy and Industrial Restructuring** Bart?omiej Kami?ski,Francis Ng,2006 3 Exports of unskilled labor intensive products continue towering over other exports even during the current expansionary phase The composition of top performers in EU markets indicates the shift toward natural resource and capital intensive products Bulgaria s export offer in EU markets has begun shifting toward more processed goods mostly products of electro engineering sectors Bulgarian producers have made significant strides in information communication technology products and automotive parts Trade in parts and engineering products has displayed strong growth The returns usually associated with liberal reforms that is gains in competitiveness combined with a shift toward products in line with the country s endowments in production factors began to surface only recently In contrast to the period preceding the second transformational recession in 1996-97 gains in competitiveness derive from corporate and industrial restructuring and not from subsidies **The Sustainable Development Project, 1992-2003** Tumsifu Jonas Nnkya,2005 **The Evolution of Labour Law (1992-2003): National reports** Silvana Sciarra,2005 *Public Service Media in Europe: A Comparative Approach* Karen Arriaza Ibarra,Eva Nowak,Raymond Kuhn,2015-07-16 Public service media PSM have been the mainstay of Western European broadcasting for a number of decades Yet despite a general political consensus in favour of PSM recent technological economic and political changes have led to a questioning of their value This new collection of essays explores the history of PSM in selected European countries from their early establishment as the main media in many countries to charting their transformation and evolution in recent years The contributions consider the political economic and market integration issues that impact PSM while also highlighting the importance of the ideology that originally accompanied PSM in its initial years to see how relevant they are in the contemporary world The book consists of two complementary parts Part I Theoretical Aspects and Global Influences on Public Service Media in Europe Part II A Comparative Analysis of Public Service Media across Europe With contributions from leading experts the first part offers a thorough examination of the current concepts and conditions that influence PSM in Europe The second offers a comparative study of PSM in several European countries including France Germany Italy Poland Spain and Sweden Offering the most comprehensive study of the field to date Public Service Media in Europe will be useful for students and researchers in public media political communication international and comparative media **The EU economy** European Commission. Directorate-General for Economic and Financial Affairs,2006 This year s edition of the EU Economy Review is entirely devoted to the issue of globalisation It analyses recent trends and developments in international economic integration and examines its impact on the economy This document is an integral element of the Commission s ongoing surveillance of economic developments and policies in the Member States the euro area and the EU

The Sustainable Cities Programme in Tanzania, 1992-2003 Tumsifu Jonas Nnkya, 2005

The Performance of the EU in International Institutions Sebastian Oberthür, Knud Erik Jørgensen, Jamal Shahin, 2013-09-13

The Performance of the EU in International Institutions marks one of the first attempts to systematically analyse the subject. It focuses on the role of the EU in decision making within international organizations and regimes as a major locus of global governance. The book unpacks the concept of EU performance into four core elements: effectiveness, goal achievement, efficiency, ratio between outputs accomplished and costs incurred, relevance of the EU for its priority stakeholders and financial resource viability, the ability of the performing organization to raise the funds required. Based on the case studies herein, the findings presented in this book relate to the identified core elements of performance with a particular emphasis on the dimensions of effectiveness and relevance. Most notably, the EU appears on balance and over the past two decades to have become much more relevant for its member states when acting within international institutions. The book highlights four particular factors explaining EU performance in international institutions: the status of relevant EU legislation and policies, the legal framework conditions including the relevant changes that the Lisbon Treaty has brought about, domestic EU politics and the international context. This book was originally published as a special issue of the Journal of European Integration.

Israel and the European Union Sharon Pardo, Joel Peters, 2012-01-12

Israel's relations with the European Union stretch back to the early days of the European Community and the signing of the Treaty of Rome in 1957. From that point onward, Israel and Europe have developed an increasingly strong network of political, economic, scientific and cultural ties. These relations have, however, consisted of a number of conflicting trends. Indeed, even while the EU has become Israel's most important trading partner, the political relationship has been marked by disappointment, frustration and at times even anger. Israel and the European Union: A Documentary History by Sharon Pardo and Joel Peters traces the history of these complex relations by bringing together over two hundred documents in one volume. The documents contained in this book are divided into five time periods: i) 1957-1966: Israel Looks to Europe; ii) 1967-1979: Between War and Peace; iii) 1980-1991: From Venice to Madrid; iv) 1992-2003: From Oslo to Barcelona; and v) 2004-2011: A Renaissance Cut Short. Each section is preceded by a short essay outlining the major themes of Israeli-European Relations during those years. The authors have not added any commentary to the documents themselves and instead have allowed the documents to speak for themselves. The aim of this book is to offer a public record for future researchers and students of the dynamics of European-Israeli relations as well as of Europe's relationship with the Middle East over the past fifty years. Israel and the European Union is designed to serve as a companion volume to Pardo and Peters' Uneasy Neighbors: Israel and the European Union (Lexington Books, 2010).

ECDG 2018 18th European Conference on Digital Government Ramon Bouzas-Lorenzo, Andres Cernadas Ramos, 2018-10-25

The European Conference on e-Government has been running now for 18 years. This event has been held in Italy, Ireland, Belgium, UK, Slovenia to mention a few of the countries who have hosted it. This year we are refocusing the conference to look more

broadly at the area of Digital Government The conference is generally attended by participants from more than 40 countries and attracts an interesting combination of academic scholars public sector workers and individuals who are engaged in various aspects of Digital Government research and application Evidence, Proof and Judicial Review in EU Competition Law Fernando Castillo de la Torre, Eric Gippini Fournier, 2024-03-14 In this thoroughly revised new edition of what quickly became the authoritative work when first published in 2017 Fernando Castillo de la Torre and Eric Gippini Fournier two of the most experienced litigators in EU competition law update their systematic analysis of the case law of the EU Courts on the rules of evidence proof and judicial review as they are applied in EU competition law *The Caucasian Tiger*, 2007 This book is intended to explain the factors underlying the stellar growth record that has led to Armenia's emergence as the Caucasian Tiger and to provide policy advice to the Armenian authorities to ensure the continuation of this growth The book is presented in two parts with Part I containing analysis and policy advice and Part II containing detailed background papers
