*Building the Good Society* Lloyd J. Dumas,2019-11-15 In six interconnected essays leading political economist Lloyd J Dumas presents a pragmatic alternative view of a society that is capable of maximizing individual freedoms and producing sustained prosperity while preserving socially responsible behavior America's Strategic Choices, revised edition Michael E. Brown,Owen R. Cote, Jr.,Sean M. Lynn-Jones,Steven E. Miller,2000-07-18 Contending perspectives on the future of US grand strategy More than a decade has passed since the end of the Cold War but the United States has yet to reach a consensus on a coherent approach to the international use of American power The essays in this volume present contending perspectives on the future of U S grand strategy U S policy options include primacy cooperative security selective engagement and retrenchment This revised edition includes additional and more recent analysis and advocacy of these options The volume includes the Clinton administration's National Security Strategy for a New Century the most recent official statement of American grand strategy so readers can compare proposed strategies with the official U S government position *The Peacekeeping Economy* Lloyd J. Dumas,2011-09-20 DIVThe idea that military strength is virtually synonymous with security is deeply entrenched and widely held But while the threat or use of military force may sometimes be necessary it cannot keep us as safe as we would be by building relationships that replace hostility with a sense of mutual purpose and mutual gain Economic relationships says Lloyd J Dumas can offer a far more effective and far less costly means of maintaining security After defining the right kind of economic relationship one that is balanced and nonexploitative emphasizes development and minimizes environmental damage Dumas then addresses some practical concerns in establishing and maintaining these relationships He also considers the practical problems of the transition from military based security arrangements to economic peacekeeping and the effects of demilitarized security on economic development and prosperity div **Future Survey Annual 1986** Michael Marien,1987-01-01 **The Socio-economics of Conversion from War to Peace** Lloyd J. Dumas,Amitai Etzioni,2016-09-17 This text discusses the economic social and political implications of redirecting labour and capital from a military based to a post Cold War economy *The Institution of War* Robert A. Hinde,2016-07-27 War must be regarded as an institution which has evolved over time If its incidence is to be reduced the forces that maintain it as an institution must be understood In this book the nature of war and the factors that sustain it are considered from diverse perspectives anthropology history political science theology philosophy international law economics psychiatry and biology **The Politics and Economics of Defence Industries** Efraim Inbar,Benzion Zilberfarb,2013-09-13 This volume provides a policy relevant analysis of the complex web of contemporary economic trends

political developments and strategic considerations that are shaping the contours of the new post Cold War world market for weaponry     **Making Peace Possible** Lloyd J. Dumas, Marek Thee, 2014-06-28 In Making Peace Possible the editors have presented a range of papers which focus on the theory and practice of economic conversion of military oriented industry to civilian use The book brings together a wealth of information from academic research and from case studies undertaken by individual countries and by the United Nations Covering such diverse topics as the relationship between the level of armament expenditure in the industrialized countries and economic aid to less developed countries the economic impact of ever increasing expenditure on arms and the theory and practical experience of economic conversion projects in the US and Scandinavia Making Peace Possible shows that economic conversion from military to civilian use can help form the basis for a more peaceful and economically stable world
