America, History and Life , 1992 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Books in Series, 1876-1949** R.R. Bowker Company, 1982 *Humanities Index* , 1991 **A Man Apart** Harold B. Gill Jr., George M. Curtis III, 2009-03-16 The American Revolution radically changed the lives of many some of them friends of the Revolution some not and some who wished to have no part of it for either side Rarely did one of these reluctant witnesses leave a narrative journal Nicholas Cresswell a young English gentry farmer was one Arriving in Virginia during the momentous month of May 1774 Cresswell set out to seek his fortune as a farmer in the newer settlements in northwest Virginia Soon the fortunes of Revolution overwhelmed him and his plans to begin a new life in America For the next three years Cresswell struggled to sustain his mission Time was against him as his combatants on both sides with increasingly ominous insistence sought for and demanded his allegiance This he never ceded The very act of keeping a journal became dangerous His written account of his attempt to sustain his liberty has long been a significant window into the turbulence of the Revolution In offering this singular view of liberty during the Revolution Nicholas Cresswell stood and still stands as a rebuke to subsequent historians of the Revolution patriot leaning or loyalist leaning who had difficulty in accommodating this journal into their generalized views of causation and justification As a consequence much of Cresswell s real perspectives were either lost or misinformed In 1928 an edition of Cresswell s journal was published but it was expurgated and not annotated This edition of the Cresswell journal is the first unexpurgated and annotated edition ever published As such it offers new light for the better illumination of the turbulent world of revolutionary politics and personalities *Writings on American History* , 1916 **Empire and Liberty** Alan Rogers, 2023-11-15 In April 1754 a French expedition from Canada seized a partially built fortress near the Ohio River in western Pennsylvania igniting a global conflict between Great Britain and France that culminated nine years later with a

treaty granting Britain control of all North America However the birth of the first British Empire was accompanied by American discontent as the colonists steeped in a political philosophy emphasizing liberty and a distrust of power began to challenge British authority During the Great War for Empire 1755 1763 the actions of British generals who exercised sweeping powers under the Crown exposed Americans to what they perceived as arbitrary power Embargoes forced quartering of soldiers press gangs and the subordination of colonial political bodies to military authority all clashed with the colonists belief in their rights as Englishmen Although the colonists often resisted these measures there was no legal recourse to limit the power of the British army fostering a widespread fear of imperial overreach After the war unresolved tensions grew more acute as Britain imposed new economic and political restrictions prompting American leaders to formalize their opposition to British rule This book examines the impact of the war on American colonies through illustrative examples highlighting how experiences of British military and imperial authority during this period sowed the seeds of rebellion This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974 **Arts & Humanities Citation Index** ,1990 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals Building On The Gospel Foundation Edsel Burdge,Samuel L.
