M Lipman

The Papers Of Henry Clay Volume 9 The Whig Leader January 1 1837 December 31 1843:

The Papers of Henry Clay Henry Clay, 2014-10-17 The Papers of Henry Clay span the crucial first half of the nineteenth century in American history Few men in his time were so intimately concerned with the formation of national policy and few influenced so profoundly the growth of American political institutions The year 1837 found Henry Clay hard at work in a successful effort to organize and strengthen the new Whig party In his attempt to provide for it an ideological core he emphasized restoration of the Bank of the United States distribution of the treasury surplus to the states continued adherence to his Compromise Tariff Act of 1833 and federal funding of internal improvements The achievement of these goals Clay reasoned would mitigate the severe impact of the Depression of 1837 and sweep the Whigs into the White House in 1840 Soon after the election of 1836 Clay began running again for the presidency By 1838 it was clear to him that he would have to come to grips politically with the long muted slavery question This he did in February 1839 in a Senate speech that was so proslavery anti abolitionist and racially extremist that it cost him the Whig presidential nomination at the Harrisburg convention in December 1839 William Henry Harrison was nominated in his stead and won handily But one month after his inauguration Harrison died and Vice President John Tyler a states rights Democrat turned Whig was elevated to the presidency Senator Clay emerged from his disappointment at Harrisburg as the acknowledged leader of the Whig party and further unified it in a wide ranging assault on the Tyler administration s refusal to support Whig principles By the end of 1843 Tyler had been broken the Whig party was Clay s to lead and the Kentuckian was again in the presidential lists Confident that 1844 would surely be his year Clay unfortunately failed to see the formation and growth of the black cloud that was Texas annexation Publication of this book was assisted by a grant from the National Historical Publications and Records Commission Historical Documentary Editions 1993 ,1993 Historical Documentary Editions ,1993 **The Rhetoric of the "Corrupt Bargain" in the 1824 Election** Amos Kiewe, 2022-09-21 In The Rhetoric of the Corrupt Bargain in the 1824 Election Clay Jackson and Democratic Strategy Amos Kiewe explores the story of the 1824 presidential election when the House of Representatives elected the president after no candidate won outright the majority of the Electoral College Though most in the nation assumed that Andrew Jackson who won the popular vote and the plurality of the Electoral College would be elected the presidency by the House Kiewe demonstrates how maneuvering vote trading and special favors dictated a different outcome Through inspecting speeches statements private letters and published accounts Kiewe simultaneously intersects rhetoric history and politics to tell the story of the 1824 presidential election Scholars of communication political science and history will find this book of particular interest **Don't Stop Thinking About the Music** Benjamin S. Schoening, Eric T. Kasper, 2011-12-16 In this insightful erudite history of presidential campaign music musicologist Benjamin Schoening and political scientist Eric Kasper explain how politicians use music in American presidential campaigns to convey a range of political messages From Follow Washington to I Like Ike to I Got a Crush on

Obama they describe the ways that song use by and for presidential candidates has evolved including the addition of lyrics to familiar songs the current trend of using existing popular music to connect with voters and the rapid change of music's relationship to presidential campaigns due to Internet sites like YouTube JibJab and Facebook Readers are ultimately treated to an entertaining account of American political development through popular music and the complex two way relationship between music and presidential campaigns

A Self-Made Man Sidney Blumenthal, 2016-05-10 The first in a sweeping multi volume history of Abraham Lincoln from his obscure beginnings to his presidency death and the overthrow of his post Civil War plan of reconciliation engaging and informative and thought provoking The Christian Science Monitor From his youth as a voracious newspaper reader Abraham Lincoln became a free thinker reading Tom Paine as well as Shakespeare and the Bible In the fascinating Booklist starred review A Self Made Man Sidney Blumenthal reveals how Lincoln's antislavery thinking began in his childhood in backwoods Kentucky and Indiana Intensely ambitious he held political aspirations from his earliest years Yet he was a socially awkward suitor who had a nervous breakdown over his inability to deal with the opposite sex His marriage to the upper class Mary Todd was crucial to his social aspirations and his political career The Lincoln of Blumenthal's pen is a brave progressive facing racist assaults on his religion ethnicity and very legitimacy that echo the anti Obama birther movement Blumenthal takes the wily pol of Steven Spielberg's Lincoln and Doris Kearns Goodwin's Team of Rivals and goes deeper finding a Vulcan logic and House of Cards ruthlessness The Washingtonian Based on prodigious research of Lincoln's record and of the period and its main players Blumenthal's robust biography reflects both Lincoln's time and the struggle that consumes our own political debate This first volume traces Lincoln from his birth in 1809 through his education in the political arts rise to the Congress and fall into the wilderness from which he emerged as the man we recognize as Abraham Lincoln Splendid no one can come away from reading A Self Made Man without eagerly anticipating the ensuing volumes Washington Monthly

When Life Strikes the President Jeffrey A. Engel, Thomas J. Knock, 2017-03-03 Life does not stop simply because someone becomes president Death illness sadness and scandal affect every president and his family often during their time in office Yet the work of the nation and the pressures of the job do not cease simply because a president suffers though their reaction suffering and perseverance often alters the course of American history

WCDS History Essays, vol. 2: the Civil War Era Mr. Joseph J. Cook, Editor, 2015-07-17 A collection of essays by students at Wayne Country Day School about topics of their choosing from the Civil War Era

The Hollow Parties Daniel Schlozman, Sam Rosenfeld, 2025-10-28 A major history from the Founding to our embittered present that explains the void Politico at the center of America's political parties Featured on The Ezra Klein Show and The Weekly Show with Jon Stewart America's political parties are hollow shells of what they could be locked in a polarized struggle for power and unrooted as civic organizations The Hollow Parties takes readers from the rise of mass party politics in the Jacksonian era through the years of Barack Obama and Donald Trump Today's parties at once overbearing and ineffectual

have emerged from the interplay of multiple party traditions that reach back to the Founding Daniel Schlozman and Sam Rosenfeld paint unforgettable portraits of figures such as Martin Van Buren whose pioneering Democrats invented the machinery of the mass political party and Abraham Lincoln and other heroic Republicans of that party's first generation who stood up to the Slave Power And they show how today's fractious party politics arose from the ashes of the New Deal order in the 1970s Activists in the wake of the 1968 Democratic National Convention transformed presidential nominations but failed to lay the foundations for robust movement driven parties Instead modern American conservatism hollowed out the party system deeming it a mere instrument for power Party hollowness lies at the heart of our democratic discontents With historical sweep and political acuity *The Hollow Parties* offers powerful answers to pressing questions about how the nation's parties became so dysfunctional and how they might yet realize their promise

On the Stump Sean Scalmer, 2017-09

Stumping or making political speeches in favor of a candidate cause or campaign has been around since before the 1800s when speechmaking was frequently portrayed as delivered from the base of a tree The practice which has been strongly associated with the American frontier British agitators and colonial Australia remains an effective component of contemporary democratic politics In his engaging book *On the Stump* Sean Scalmer provides the first comprehensive transnational history of the stump speech He traces the development and transformation of campaign oratory as well as how national elections and public life and culture have been shaped by debate over the past century Scalmer presents an eloquent study of how stumping careers were made sustained remembered and exploited to capture the complex rhythms of political change over the years *On the Stump* examines the distinctive dramatic and performative styles of celebrity orators including Davy Crockett Henry Clay and William Gladstone Ultimately Scalmer recovers the history of the stump speech and its historical significance in order to better understand how political change is forged
