The Papers of the Henry Luce III Fellows in Theology ,1996 The Papers of the Henry Luce III Fellows in Theology, with a Foreword by Martin E. Marty ,1996 The Papers of the Henry Luce III Fellows in Theology: *Necessarium Adae peccatum* ,1996 *Good Taste, Bad Taste, & Christian Taste* Frank Burch Brown,2003 Christians frequently come into conflict with themselves and others over such matters as music popular culture and worship style Yet they usually lack any theology of art or taste adequate to deal with aesthetic disputes In this provocative book Frank Burch Brown offers a constructive ecumenical approach to artistic taste and aesthetic judgment a non elitist but discriminating theological aesthetics that has teeth but no fangs While grounded in history and theory this book takes up such practical questions as How can one religious community accommodate a variety of artistic tastes What good or harm can be done by importing music that is worldly in origin into a house of worship How can the exercise of taste in the making of art be a viable and sometimes advanced spiritual discipline In exploring the complex relation between taste religious imagination and faith Brown offers a new perspective on what it means to be spiritual religious and indeed Christian **Resurrection and the Restoration of Israel** Jon Douglas Levenson,2006-01-01 Many famous antique texts are misunderstood and many others have been completely dismissed all because the literary style in which they were written is unfamiliar today So argues Mary Douglas in this controversial study of ring composition a technique which places the meaning of a text in the middle framed by a beginning and ending in parallel To read a ring composition in the modern linear fashion is to misinterpret it Douglas contends and today s scholars must reevaluate important antique texts from around the world Found in the Bible and in writings from as far a field as Egypt China Indonesia Greece and Russia ring composition is too widespread to have come from a single source Does it perhaps derive from the way the brain works What is its function in social contexts The author examines ring composition its principles and functions in a cross cultural way She focuses on ring composition in Homer s Iliad the Bible s book of Numbers and for a challenging modern example Laurence Sterne s Tristram Shandy developing a persuasive argument for reconstruing famous books and rereading neglected ones *Pentecostals and Nonviolence* Paul Alexander,2012-11-09 *Pentecostals and Nonviolence* explores how a distinctly Pentecostal charismatic peace witness might be reinvigorated and sustained in the twenty first century To do so the book examines the nature of the early Pentecostal commitment to nonviolence and investigates the possibilities that might emerge from Pentecostals and Anabaptists entering into conversation and worship with each other Contributors engage the arguments surrounding the heritage of Pentecostal pacifism in the United States and then move toward exploring nonviolence and peacemaking as crucial for contemporary Christianity as a whole Ranging from theology testimony and pastoral ministry to interchurch relations activism and protest

this diverse collection of essays challenge and invite the whole church to the task of peacemaking while exploring the distinctive and often neglected contributions from the Pentecostal charismatic tradition Living Countertestimony Walter Brueggemann, 2012-01-01 This volume invites readers to get up close and personal with one of the most respected and beloved writers of the last four decades Carolyn J Sharp has transcribed numerous table conversations between Walter Brueggemann and his colleagues and former students in addition to several of his addresses and sermons from both academic and congregational settings The result is the essential Brueggemann readers will learn about his views on scholarship faith and the church get insights into his contagious charisma grace and charity and appreciate the candid reflections on the fears uncertainties and difficulties he faced over the course of his career Anyone interested in Brueggemann's work and thoughts will be gifted with thought provoking inspirational reading from within these pages
