The Papers of Ulysses S. Grant Ulysses Simpson Grant, 1969 *The Papers of Ulysses S. Grant: October 1, 1867-June 30, 1868* Ulysses Simpson Grant, 1967 In spite of his public silence Grant was caught in the dispute between Congress and President Andrew Johnson His position became intolerable after Johnson publicly accused Grant of dishonesty The same sense of duty that sent Grant to war in 1861 gave him no alternative to accepting the Republican nomination I could back down without as it seems to me leaving the contest for power for the next four years between mere trading politicians the elevation of whom no matter which party won would lose to us largely the results of the costly war which we have gone through From Washington Grant monitored events in both the South and the West He felt that military government could protect the citizenry when civil government faltered and endorsed the efforts of the congressional Indian Peace Commission

Grant: July 1, 1868-October 31, 1869** Ulysses Simpson Grant, Ulysses S. Grant Association, 1967 This volume carries Ulysses S Grant through a brief period of welcome calm to the storms of the White House Seemingly resigned to becoming president Grant detached himself from military routine in Washington D C during the summer of 1868 to tour the Great Plains He then settled in Galena to escape the clamor of the presidential campaign Grant reveled in his respite from official duties writing to his father I have enjoyed my summers vacation very much and look forward with dread to my return to Washington Grant s residence in Galena shielded him from public scrutiny Whilst I remain here I shall avoid all engagements to go any place at any stated time The turn out of people is immense when they hear of my coming Grant remained in or near his prewar hometown until the election forced him back to Washington Grant publicly said that he accepted presidential responsibilities without fear but privately lacked eagerness for the office Even before his electoral victory he wrote disapprovingly of the Army of office seekers and begging letters from potential appointees Never enamored with the pulling and hauling so much a part of politics Grant tried to minimize importunities by withholding names of his cabinet selections until after his inauguration and keeping his policy pronouncements spare and noncontroversial His earnest desire as president was simply to inspire every citizen to work for a happy Union **The Papers of Ulysses S. Grant: October 1, 1878-September 30, 1880** Ulysses Simpson Grant, 1967 By late 1878 after a year and a half abroad Ulysses S Grant had visited every country in Europe and he was homesick I have seen nothing to make me regret that I am an American Our country its resources energy ingenuity and intelligence of the people is more appreciated abroad than at home Grant decided to return through Asia After a delightful run to Dublin and northern Ireland he left Paris with his wife Julia son Frederick and a few friends in January 1879 Heading east Grant kept a travel diary On the voyage to Bombay travelers socialized on deck Four of the lady passengers and one of the gentlemen Amateur Artists amused themselves by sketching me Crossing India overland the Grant party rode elephants visited the Taj Mahal and witnessed

Hindu ceremonies From Calcutta Grant sailed for Burma Singapore and Siam where he found young King Chulalongkorn quite impressive in appearance and intelligent After stops at Hong Kong and Canton Grant wrote I am satisfied that the Chinese are badly treated at home by europeans as well as when they emigrate At Tientsin Grant befriended Viceroy Li Hung chang probably the most intelligent and most advanced ruler if not man in China and at Peking he agreed to mediate a dispute with Japan over the Ryukyu Islands While China languished Japan had made almost inconceivable progress since the 1868 Meiji Restoration During a very delightful ten weeks Grant met the Emperor visited shrines and hot springs attended a play and a lantern parade in his honor and held talks on the Ryukyu dispute He departed with assurances that pleasant recollections of my present visit will not vanish while my life lasts Throngs welcomed Grant to San Francisco on September 20 1879 Grant assured all that the United States stood second to none in the world in its people institutions and ideals He told Confederate veterans I have an abiding faith that we will remain together in future harmony Grant toured Yosemite and visited scenes from his army days in Oregon and Washington Territory then headed east again his train cheered at every stop At Galena and Chicago he basked in the warmth of ovations and old friends Another series of crowds and banquets culminated in December at Philadelphia where Grant completed his circuit of the globe As 1880 began Grant headed south He marveled at Florida s potential and groused at Cuba s heat then reached Mexico a country he had long ago admired as part of an occupying army The climate is perfection the scenery unsurpassed and the people as clever and hospitable as it is possible for them to be Grant met influential leaders toured silver mines and old battlefields and encouraged development Grant returned to New Orleans and more banquets and speeches touting reconciliation and praising black advancement His progress north took on the air of a campaign as the Republican convention loomed Newspapers debated a third term while Grant kept silent In June at Chicago delegates split between Grant and James G Blaine and settled on dark horse James A Garfield Grant expressed relief at avoiding a most violent campaign Grant spent the summer in the Rocky Mountains inspecting mines sometimes by pack mule for possible investments In September back in Galena he rejoined the political fray attacking Garfield s opponent Major General Winfield S Hancock in an interview He is the most selfish man I know He can not bear to hear anyone else praised but can take any amount of flattery With the election weeks away and the outcome in doubt Grant took to the stump I am a Republican he told an Ohio crowd as the two great political parties are now divided because the Republican Party is a national party seeking the greatest good for the greatest number of citizens **Ulysses S. Grant** Garry Boulard,2024-06-10 Tolling slowly tolling the alarm bells of all America sent to every heart this morning the news long expected and long dreaded that Ulysses S Grant was dead announced the Boston Globe on July 23 1885 just hours after the one time Commanding General of the U S Army and former President of the United States had passed on Taking note of the extraordinary tributes and declarations of love expressed by people in all regions of the country black and white as Grant endured a months long struggle with throat cancer the paper asserted that such praise had sweetened the draught

from Death's chalice till all the bitterness of the deadly poison had passed away and it was but as drinking from the Holy Grail In this work Ulysses S Grant The Story of a Hero Garry Boulard chronicles the career of one of the most consequential figures in American history Rightly regarded as a great military commander whose skills and strategic vision combined to bring about the end of the Civil War thus also forever obliterating a slavery that had entrapped nearly 4 million people Grant would serve two controversial terms as president working assiduously to foster a regional and racial reconciliation of the country At the time of his death he had just completed his monumental two volume Personal Memoirs of U S Grant since praised by generations of historians and regarded as one of the most important works in all of American non fiction literature

Andrew Johnson and Ulysses S. Grant Garry Boulard,2022-09-15 In the spring of 1865 after the end of the Civil War and the assassination of Abraham Lincoln two men bestrode the national government as giants Andrew Johnson and Ulysses S Grant How these two men viewed what a post war America should look like would determine policy and politics for generations to come impacting the lives of millions of people North and South black and white While both Johnson and Grant initially shared similar views regarding the necessity of bringing the South back into the Union fold as expeditiously as possible their differences particularly regarding the fate of millions of recently freed African Americans would soon reveal an unbridgeable chasm Add to the mix that Johnson having served at every level of government in a career spanning four decades very much liked being President and wanted to be elected in his own right in 1868 at the same time that a massive move was underway to make Grant the next president during that same election and conflict and resentment between the two men became inevitable In fact competition between Johnson and Grant would soon evolved into a battle of personal destruction one lasting well beyond their White House years and representing one of the most all consuming and obsessive struggles between two presidents in U S history

The Papers of Ulysses S. Grant: October 1, 1880-December 31, 1882

Ulysses Simpson Grant,1967 In the final weeks of the 1880 campaign Ulysses S Grant left Galena and headed east to stump for the Republican ticket At rallies in New England upstate New York Connecticut New Jersey and New York City sometimes several times a day the reticent Grant warmed to his role Sounding a familiar postwar theme he repeatedly condemned voter harassment in the South asserting the right of our fellow citizens of African descent to go to the polls even though they are in the minority and put in their ballot without being burned out of their homes and without being threatened or intimidated James A Garfield won a narrow victory over Major General Winfield S Hancock and welcomed Grant's advice on matters ranging from cabinet choices to foreign policy Rootless since their White House days unsatisfied with backwater Galena the Grants now decided to settle in New York City and took rooms at the Fifth Avenue Hotel In January 1881 Grant accepted the

presidency of the 1883 World's Fair Commission charged with bringing an exposition to New York City Initial enthusiasm soon gave way to rancor as factions split over where to place the fair Grant favored Central Park but public sentiment intervened and funding evaporated By March Grant resigned A friend told a reporter Grant and I had a long talk over the matter across the way in his son's office and we both arrived at the conclusion that the people of New York don't want a World's Fair Grant's business interests reflected the international stage he now occupied Competing plans for an isthmian canal through Panama Mexico and Nicaragua jockeyed for support and Grant had his favorite The only feasible route for a canal across from the Atlantic to the Pacific is by the Nicaragua route I have been all over the routes myself besides having examined all the reports made regarding each of them carefully and that is my firm conviction Grant published an article championing Nicaragua even as momentum swung behind Panama But Grant's attention was drawn more to railroads and to Mexico When his friend Matas Romero promoted a new line through Oaxaca Grant jumped on board A speech to American capitalists in November 1880 led a few months later to the incorporation of the Mexican Southern Railroad with Grant as president By April 1881 he was in Mexico City where he told lawmakers I predict with the building of these roads a development of the country will take place such as has never been witnessed in any country before There is nothing in my opinion to stand in the way of Mexican progress and grandeur and wealth but the people themselves In June Grant returned from Mexico with a new charter in hand But his mind was on Garfield and Secretary of State James G Blaine two men who had thwarted him at the Republican convention one year earlier Grant supported his Stalwart ally Roscoe Conkling in a power struggle with Garfield and Blaine From New Orleans to New York City Grant spoke candidly If you want to know what I think of the manner in which Mr Conkling has been treated by the President and his colleagues in the Senate I will tell you without any hesitation I think it is most outrageous The feud ended after Garfield was shot on July 2 When he died in September Grant wept with the nation Fitz John Porter had sought restoration to the army since his dismissal after the Second Battle of Bull Run Grant had previously rebuffed Porter but now reversed course I believe I have heretofore done you an injustice both in thought speech Taking up a case that divided former commanders now in Congress Grant forcefully argued for Porter's vindication Grant and wife Julia bought a home just off Fifth Avenue in New York City In the summer he commuted from his seaside cottage at Long Branch New Jersey to his office on Wall Street where he greeted a steady stream of admirers and influence seekers A silent partner in the brokerage firm his son Ulysses Jr formed with Ferdinand Ward Grant left finances in Ward's hands Surveys for the Mexican Southern proceeded Banquets and parties filled many evenings The Grants settled into Manhattan society *The Papers of Ulysses S. The Papers of Ulysses S. Grant: November 1, 1869-October 31, 1870 Ulysses Simpson Grant, Ulysses S. Grant Association, 1967 Volume 20 is the first in this acclaimed series to cover the months when Ulysses S Grant held no military commission As president however Grant's significance grew rather than diminished His leadership and decisions touched directly or indirectly most people in the United States and many more around the globe Grant spoke sincerely when he said that I have done all I could to advance the best interests of the citizens of our country without regard to color and I shall endeavor to do in the future what I have done in the past He urged adoption of the Fifteenth Amendment and rejoiced in its ratification expressing his belief that it was the realization of the Declaration of Independence Grant acknowledged that government had treated Indians badly in the past In the short run he recommitted his administration to the experiment of employing Quakers and humanitarians as Indian advisers and agents trusting in eventual great success In the long run however Grant thought placing Indians on large reservations and encouraging them to take their lands in severalty and to set up territorial governments for their own protection the best course In foreign affairs Grant became fixed on the annexation of Santo Domingo gave this issue an inordinate degree of attention and squandered political capital in confrontations with Congress Senate foreign affairs committee chairman Charles Sumner emerged as the villain preventing Grant from achieving his desire and Grant displayed his animosity toward the Massachusetts senator in private as well as in the very public removal of Sumner's friend John L Motley as minister to England Developments such as growing tensions among European powers Spanish Cuban relations and the Alabama Claims negotiations received relatively little attention Grant in fact admitted shortly after the outbreak of the Franco Prussian War I had no idea that such an event was even threatening

The Papers of Ulysses S. Grant: January 1-October 31, 1876 Ulysses Simpson Grant, 1967 On May 10 1876 Ulysses S Grant pulled a lever to start the mighty 1 400 horsepower Corliss Steam Engine powering acres of machinery for the nation's Centennial Exhibition in Philadelphia Grant summed up a century of American progress by saying Whilst proud of what we have done we regret that we have not done more Our achievements have been great enough however to make it easy for our people to acknowledge superior merit wheresoever found That summer Fourth of July celebrations coincided with early reports that Lieutenant Colonel George A Custer and his Seventh Cavalry had been wiped out by Sioux Grant resisted the subsequent clamor for volunteers to crush the Sioux but his peace policy lay in shambles and he later criticized Custer's unnecessary sacrifice of troops Soldiers sent to subdue Indians meant fewer available to help ensure a fair election in November Grant's correspondents described a pattern of physical and economic intimidation throughout the South as Democrats sought to keep blacks from the polls After whites massacred black militia in South Carolina Grant warned that unchecked persecution would lead to bloody revolution As violence spread Grant struggled to position limited forces where

they could do the most good Scandals diverted Grant's attention from larger policy questions A series of Whiskey Ring prosecutions culminated in the February trial of Orville E Babcock Grant's private secretary A new scandal erupted in March when Secretary of War William W Belknap resigned hoping in vain to avoid impeachment for selling post traderships Grant drew fire for having accepted the resignation a move that ultimately led to Belknap's acquittal by the Senate An investigation also linked Grant's brother Orvil to the scandal Grant battled a Democratic House of Representatives until late that summer over issues as vital as the budget and as symbolic as the president's absences from the capital He welcomed Rutherford B Hayes as the Republican choice for his successor despite private irritation at Hayes's pointed pledge to serve only one term As his presidency waned Grant planned a trip to Europe when he left office Investments would finance his travels and he staked his fortunes on western mining stocks In June a granddaughter born at the White House brought the family joy in an otherwise trying year

The Papers of Ulysses S. Grant: November 1, 1876-September 30, 1878 Ulysses Simpson Grant, 1967

In his eighth and final annual message to Congress Ulysses S Grant reminded the nation that it was his fortune or misfortune to be called to the office of Chief Executive without any previous political training The electoral crisis that dominated Grant's last months in office left little room for political error On November 7 1876 Democrat Samuel J Tilden won the popular vote but Republican Rutherford B Hayes could claim the presidency by a single electoral vote if he captured all disputed electors from Florida Louisiana South Carolina and Oregon Uncertainty gave way to deadlock as the crisis deepened Grant's mail included a steady trickle of anonymous threats In late January 1877 Grant signed a bill creating an electoral commission to end the dispute Hayes won all disputed electors and succeeded Grant without incident Out of the White House without a settled home the Grants spent two months visiting family and friends before embarking on their long planned European tour On May 17 Grant left Philadelphia aboard the steamer Indiana When he arrived at Liverpool crowds thronged the docks and streets to give him a hero's welcome and Londoners welcomed Grant with similar enthusiasm In July the Grants crossed to Belgium traveled through Germany and summered in the Swiss Alps and the lakes of northern Italy Back in Great Britain they toured Scotland and northern England then visited daughter Ellen Grant Sartoris at Warsash the Sartoris country home near Southampton Grant spent November in Paris later writing no American would stay in Paris if he found himself the only one of his countrymen there The Grants wintered in the Mediterranean sailing down the Italian coast to Sicily where they spent Christmas then to Alexandria and a long trip up the Nile The party toured the Holy Land visited Constantinople and Athens and spent a month in Italy After another month in Paris the Grants were off to Holland Germany Scandinavia Russia Austria and Switzerland exploring the Alps again before returning to Paris in September 1878 to ponder their next move Abroad and out of office Grant freely talked about the war and his presidency Several interviews stirred controversy in America and stoked talk of a third term in 1880 despite Grant's own protestation I never wanted to get out of a place as much as I did to get out of the Presidency The Grants had seen Europe Now they faced a choice between home and

a journey to distant Asia

The Papers of Ulysses S. Grant: June 1, 1871-January 31, 1872 Ulysses Simpson Grant, 1967 In his third annual message to the nation Ulysses S Grant stated the obvious The condition of the Southern States is unhappily not such as all true patriotic citizens would like to see Brutal attacks and political murders throughout the South prompted Grant to invoke the new Enforcement Act ordering in troops and suspending the writ of habeas corpus When fire swept through Chicago during 1871 Grant immediately telegraphed to General Philip H Sheridan to Render all the aid you can When Illinois governor charged federal interference Grant replied The only thing thought of was how to benefit a people struck by a calamity greater than had ever befallen a community of the same number before in this country Grant s July Fourth proclamation announced British ratification of the Treaty of Washington Elsewhere the civil war in Cuba furnished a constant irritant An exasperated Grant warned that each new atrocity strengthened American public opinion against Spain Telling a friend It will be a happy day for me when I am out of political life Grant nevertheless cast a keen eye over the political landscape looking toward the 1872 election In another letter never sent he surveyed opposition within his own party deftly characterized Horace Greeley as a genius without common sense and saved his worst for Senator Charles Sumner a man he called unreasonable cowardly slanderous unblushing false Despite his lack of zeal for presidential duties he confessed I believe I am lazy and dont get credit for it Grant was not about to yield power to such scorned enemies

The Papers of Ulysses S. Grant: November 1, 1870-May 31, 1871 Ulysses Simpson Grant, 1967 In the spring of 1871 Ulysses S Grant wrote to an old friend that as president he was the most persecuted individual on the Western Continent Grant had not sought the office and halfway through his first term he chafed under its many burdens Grant s cherished project to annex Santo Domingo begun early in his administration entered a crucial period Grant agreed to a tactical compromise Rather than vote the controversial treaty down Congress sent a commission to investigate the island Grant s message submitting the report hammered out over labored drafts bore a defensive tone and asked Congress to postpone any decision Closer to home Grant sought legislation to facilitate federal intervention in the persecution of blacks by white extremists across the South After much acrimony and stinging accusations of executive tyranny Congress passed an Enforcement Act hailed by Grant as a law of extraordinary public importance The greatest accomplishment of Grant s first term came in foreign relations After secret negotiations the United States and Great Britain met in a Joint High Commission to settle long standing grievances from boundary and fishing questions to British complicity in the depredations of the Alabama and other Confederate raiders The resulting Treaty of Washington established an international tribunal in Geneva Switzerland At home economic prosperity and consequent debt reduction meant that Grant could see no reason why in a few short years the national taxgatherer may not disappear from the door of the citizen almost entirely His Indian policy influenced by Eastern Quakers and often ridiculed for its benevolence augured well Despite continued clashes between Indians and settlers Grant maintained that compassion rather than force would answer the Indian problem
