# The PARABEL of JESUS

“the Pearl of Great Price”

\* Again, the kingdom of heaven is like  
a merchant seeking beautiful pearls, who,  
when he had found one pearl of great price,  
went and sold all that he had and bought it.”

## **The Parable:**

*All the Parables of the Bible* Herbert Lockyer, 1963 A study and analysis of the more than 250 parables in Scripture

*The Parables of Jesus* Luise Schottroff, 1990 A premier New Testament scholar explores how Jesus trial and execution are portrayed in the New Testament and how that portrayal has affected biblical studies Christian theology and Jewish Christian relations through history Tomson has written an accessible responsible analysis of the biblical accounts of Jesus death demonstrating how through compounded misunderstandings they contributed to anti Jewish sentiment in the early church and later history Tomson s question of how Jesus is to be understood in his first century Judean context is a critical one not only for biblical scholars but for anyone concerned about human rights and interreligious dialogue today [The Parables of](#)

[Jesus Christ](#): Eric Brandon Roberts, 2012-07-11 The Parables of Jesus Christ A Brief Analysis is an in depth look at Christ s teachings through Parables Approximately one third of the words spoken by Christ in the New Testament come in the form of parables This book attempts to relate those parables for modern readers **The Parables of Jesus** J. Pentecost, 1998-08-01 Dr Pentecost describes the setting of each parable explains the problem or question it addresses and offers Christ s solution to that issue *Encountering the Parables in Contexts Old and New* T. E. Goud, J.R.C. Cousland, John

P. Harrison, 2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts [Studying the Parables of Jesus](#) Peter Rhea

Jones, 1999 Peter Rhea Jones has spent the majority of his career studying and teaching the parables Studying the Parables of Jesus is a primer on the historical and literary approaches to biblical study It informs and inspires in dialogue with contemporary methods and contemporary meanings It provides an introduction to the methods of interpretation of the parables as well as an opening chapter on the recent history of interpretation The chapters of exegesis approach a select group of parables for a more intensive analysis While reserving much of the technical details for the endnotes the text includes discussion of critical issues and alternative opinions Questions and exercises are appended at the close of each chapter for personal use or classroom discussion *Meditations on the Parables of Christ* Peter Morrison, 2021-07-07 The parables that Jesus Christ used to convey his lessons are rich in their implications They serve as ongoing standards against which to set our thoughts actions and decisions Together they ask us to acknowledge Jesus and His teachings as the only

door John 10 1 to the fold the ultimate judge of our beliefs thoughts and actions Meditations on the Parables of Christ seeks to interpret the parables according to their theological significance while also applying them to individual lives and practices Mercy and forgiveness constitute the constant themes of the parables The parables emphasize the unfathomable mercy to our God which reaches out to the penitent They invite us to respond positively to God embrace what He offers us and be mindful of His will and of our eternal destinies in all our decisions thoughts actions and words This study examines the parables of Jesus Christ exploring and interpreting their meaning and considering their application in our daily lives

*Preaching the Parables* Geoff New, Wilfredo Weigandt, Paul Windsor, Esteban Améstegui, 2025-03-31 The parables of Jesus appear to be simple and yet they can become difficult for preachers to understand and apply This book wrestles with the unique challenges of preaching the parables It provides in depth and practical tools for studying interpreting and applying the parables within the reader's own setting while remaining true to the intentions of Scripture Offering a four step approach preachers are invited to consider how a parable operates as a picture then a mirror then a window and then a door

Containing contributions from a diverse group of authors this book provides rich and varied examples of how to put its teaching into practice Immensely accessible it empowers preachers teachers and readers to encounter the parables in all their simplicity and depth as if reading them for the first time *The Parables of Jesus Explained* Stephen Tvedten, 2014-07-12 A thoroughly researched and deeply insightful exploration of Jesus teachings from the Gospels Over a third of the Gospels by Matthew Mark and Luke contain Jesus parables In the Book of Matthew we learn that this style of teaching fulfilled God's prophecy I will open my mouth in parables I will utter what has been hidden since the foundation of the world But how do we best interpret these vital lessons The Parables of Jesus Explained offers a close reading of fifty two parables from the Bible Author Stephen Tvedten explains that a parable is a word picture which uses an earthly image or story to illustrate a spiritual truth or lesson It creates a mini drama that helps define the unknown and unseen by using both the visible and the known This volume includes close readings of some of the best known parables such as The Parable of the Good Samaritan and The Parable of the Prodigal Son as well as lesser known stories such as The Parable of the Unforgiving Servant *The Parables* Paula Gooder, 2020-09-30 The third volume in the Biblical Explorations series from bestselling New Testament writer Paula Gooder explores a major exponent of the Gospels the parables of Jesus It considers why Jesus spoke in pictures and opens up the world behind the parables to reveal just how striking memorable and challenging they were for their original hearers

*The Parables* Paula Gooder, 2020-09-30 The third volume in the Biblical Explorations series from bestselling New Testament writer Paula Gooder explores a major exponent of the Gospels the parables of Jesus It considers why Jesus spoke in pictures and opens up the world behind the parables to reveal just how striking memorable and challenging they were for their original hearers *Allegorical Spectrum of the Parables of Jesus* Suk Kwan Wong, 2017-02-08 Allegory in the parables of Jesus has never been addressed properly By studying the allegorical features in parables and evaluating some former parable theories current study hopes to bring insight to the hermeneutics of allegory in the parables of Jesus *Preaching the Parables* John R. Brokhoff, 1987-06 The parables of Jesus are timeless stories and with the current popularity of narrative preaching the parables are a familiar topic in the contemporary pulpit But preaching on the parables is not as easy as it looks

at first glance Should we simply tell the parable in our own words and let it stand on its own feet or is its lesson most effectively communicated by constructing a sermon around the central theme Or should the preacher spiritualize the parable by probing for allegorical meaning Master homiletician John Brokhoff aids preachers in answering these key questions with rigorous and enlightening background information on parables from Mark and John appearing in Cycle B of the Revised Common Lectionary He offers not only exegesis and interpretation for each passage but also rich material for sermon development suggested outlining approaches and preaching illustrations Parables included are The Doorkeeper Mark 13 32 37 The Good Shepherd John 10 11 18 The True Vine John 15 1 8 A Strong Man Mark 3 20 25 The Miracle Seed Mark 4 26 34 Bread To Eat John 6 35 41 51 Eat The Bread John 6 51 58 A popular preacher teacher and writer John R Brokhoff served as Professor of Homiletics at Candler School of Theology Emory University from 1965 to 1979 Prior to that he pastored Lutheran congregations in Virginia Georgia North Carolina and Pennsylvania Brokhoff is the recipient of the George Washington medal from the Freedom Foundation of Valley Forge Pennsylvania and is the author of many CSS titles including This You Can Believe and Pray Like Jesus     The Parables in Q Dieter Roth,2018-05-17 Few New Testament topics have been discussed as often and as intensely as Q the hypothesized second major source alongside the gospel of Mark for the gospels of Matthew and Luke and the parables And yet no monograph to date has been devoted to considering the parables in Q In addition to filling this gap in New Testament scholarship Dieter T Roth addresses the need to move scholarship on both Q and the parables forward along methodological and interpretive lines Roth considers Q not as a text behind Matthew and Luke that needs to be reconstructed but rather as an intertext between Matthew and Luke that offered plots characters and images in parables that were taken up by Matthew and Luke and utilized in their own respective texts In addition Roth draws on recent parables research in his examination of the 27 parables in Q two spoken by John the Baptist one by the Centurion and 24 by Jesus in order to consider their purpose and function in this early Christian text     **The Parables of Jesus** William Barclay,1999-02-01 William Barclay brings to these best known stories in the world new force and significance for the modern reader Each chapter analyzes an individual parable identifies its theme explains it in the light of the language and customs of the ancient world and clearly interprets its meaning for us today The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world s most widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ     **The parables of the Old Testament** Alfred Barry (bp. of Sydney.),1889     **The Parables of Jesus the Messiah** E. Keith Howick,2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 2 the parables taught by Jesus are discussed Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed The volume s organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete

index and a scripture index allowing readers to quickly find relevant commentary      *Notes on the Parables of Our Lord*

Richard Chenevix Trench, 1886      **The Parable of the Wicked Tenants** Klyne Snodgrass, 1983 Despite its importance the parable of the wicked tenants has been an enigma to modern interpretation The approaches to the parable have been quite varied Some interpreters place this parable at the apex of the ministry of Jesus while others assign little importance to it or virtually ignore it In some cases the conclusions drawn have been unsatisfactory either because of presuppositions that are too rigid or that have been shown to be erroneous by recent developments Any discussion of the parable is necessarily a complex one in that it involves the relation of the three Synoptic accounts an assessment of the account in the Gospel of Thomas the religious and economic background in Palestine the self designation of Jesus and the theological shaping of the parable by the tradition and by evangelists Because of the importance of this parable as a possible key to understanding the ministry of Jesus particularly since its relevance has often been minimized this parable deserves closer analysis      **The**

**Parables of Jesus** Elbert Russell, 1928      **The Authenticity of the Parable of the Wheat and the Tares and Its Interpretation** Ramesh Khatri, 2000-07 This thesis seeks to demonstrate the authenticity as dominical teaching of the parable of the darnel Mt 13 24 30 and its interpretation Mt 13 36 43 The interpretation in particular is almost universally regarded as non dominical notably by J Jeremias and his followers My thesis argues that the whole of Mt 13 36 43 and Mt 13 24 30 should be seen as dominical The introduction gives a brief survey of parabolic studies and outlines the case against the authenticity of Mt 13 24 30 36 43 Chapter AI defends the authenticity of the parable Mt 13 24 30 The following chapters do the same for the interpretation Mt 13 36 43 looking at the Son of Man and related teaching chapter BI the kingdom of God BII righteousness and lawlessness BIII and other motifs BIV and finally the question of the coherence of the parable and its interpretation BV My approach has been negatively to demonstrate the weakness of the scholarly arguments against authenticity and positively to offer a case for authenticity via a a study of background including special study of the rural Palestinian practices and of relevant Jewish theological ideas and b a careful use of the criterion of multiple attestation which demonstrates that our material is linguistically and theologically coherent with other well attested Jesus tradition The originality of the work lies apart from anything else in the fact that a full length defence of the authenticity of Mt 13 24 30 36 43 has not been attempted before But we have also brought to bear various insights canvassed in other contexts but not specifically in connexion with Mt 13 24 30 36 43 e g suggesting a background to the Son of Man tradition in Ezekiel and the Similitudes of Enoch making use of the Old Testament concept of God as farmer explaining the agricultural background to the parable and interpretation
