The Parables A Preaching Commentary Great Texts:

The Parables Paul Simpson Duke, 2005 Another book on the parables Why Because Paul Duke hears possibilities for preaching the parables that the rest of us miss Duke makes preliminary observations sketches historical context pursues literary structure pauses over how details of the text would fall on the ears of ancient listeners and offers reflections for preaching This book would be an ideal basis for a sermon series **BOOK JACKET** **Preaching the Parables** Craig L. Blomberg, 2004-07 A guide to preaching the parables that shows how to first interpret the parables then proclaim their significance *The Parables* Dr. Paul Simpson Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching However few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary's grouping For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year little guidance has been offered for how to select and preach on important biblical texts *The Parables A Preaching Commentary* the third book in *The Great Texts* series gives guidance to preachers on preaching about this central part of faith The principles by which volumes in *The Great Texts* series have been chosen are primarily two fold Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching *Parables and Rhetoric in the Sermon on the Mount* Ernst Baasland, 2015-07-27 Parable research has to a large degree ignored the Sermon on the Mount SM and for its part research into the SM has likewise left the parables by the wayside However the use of parabolic language in more than one third of the SM influences its interpretation and indeed opens up a new approach to it In the current volume Ernst Baasland focuses on this important factor whilst also taking the rhetoric of Jesus teaching into consideration The author maintains that rhetorical features have a great bearing on the interpretation of the text with the overall structure illuminating the entire composition of the sermon Fresh insights into its oration therefore serve to challenge the source problem in a new way The religious and philosophical settings of this most well known of Christ's preachings are clarified by its parables and rhetoric and the sermon's Jewish background has often been investigated While the author continues with that particular task he simultaneously affords more emphasis to the parallels in Greek Hellenistic literature The combining of all these factors leads to a clearer comprehension of the Sermon on the Mount's philosophy of life and provides a better understanding of this classical text **Go Preach!** Brian K. Blount, 1998 Connecting the apocalyptic message of Mark's Gospel to principles and programs of socio cultural transformation in the life of the Black church today Blount begins his study of Mark by examining the social significance of Jesus proclamation of the coming Kingdom of God Through Jesus God's future power broke through to the human present This experience of the Kingdom empowered the disciples to Go preach the Kingdom message in word and deed to finish the story that Mark's narration about Jesus began Blount compares the

situation of today's Black church to the situation in which the Gospel arose and explores the implications of apocalyptic theology for the pastoral mission of the Black church. He demonstrates the value of a sociolinguistic approach to the scripture both in interpreting the text in its original context and in unpacking its meaning for today. **The Web of Preaching**

Richard L. Eslinger, 2002. The book is a follow up to Eslinger's earlier *A New Hearing* the standard text on the varieties of homiletical method since its publication in 1987. **BOOK JACKET** **In the Mirror of the Prodigal Son** Pietro

Delcorno, 2017-09-25. *In the Mirror of the Prodigal Son* provides a comprehensive history of the function of the parable of the prodigal son in shaping religious identity in medieval and Reformation Europe. By investigating a wealth of primary sources the book reveals the interaction between commentaries, sermons, religious plays and images as a decisive factor in the increasing popularity of the prodigal son. Pietro Delcorno highlights the ingenious and multifaceted uses of the parable within pastoral activities and shows the pervasive presence of the Bible in medieval communication. The prodigal son narrative became the ideal story to convey a discourse about sin and penance, grace and salvation. In this way the parable was established as the paradigmatic biography of any believer. **The Union Seminary Review**, 1928. Text Messages John

Tucker, 2017-12-06. Facebook, Twitter, Snapchat. We live in a rapidly changing world, a world that seems to be increasingly inhospitable toward preaching. In the face of digital technology, social media, cultural pluralism and pastoral burnout, how can Christian preachers proclaim the gospel faithfully and effectively? This book answers that question by bringing together a selection of important voices from across North America, Asia and the Pacific. It argues that Spirit-empowered preaching is characterized by five attributes: it opens the Scriptures, engages the culture, addresses the listener, dissects the preacher and elevates the Savior. With contributions from authors like William Willimon, Darrell Johnson, Lynne Baab, Robert Smith Jr and Paul Windsor, this is an excellent resource for ordained ministers, lay preachers, theological students and anyone wrestling with the challenge of preaching God's word in a smartphone world. **The Sacramentality of Preaching** Todd

Townshend, 2009. In the time of the church transformation, renewal and the process of coming to faith, rely on the symbolic efficacy of speech where God is encountered as a word. *The Sacramentality of Preaching* examines the thought of Louis Marie Chauvet and incorporates it into contemporary homiletical theory in order to bolster and renew Christian proclamation that has an intentionally sacramental character. Liturgical preachers will find practical pathways, frameworks and common language through the use of this innovative sacramentology. *Recapturing the Voice of God* Steven W. Smith, 2015-06-01. In *Recapturing the Voice of God*, veteran preacher Steven W. Smith teaches how to preach genre-sensitive, text-driven sermons to allow the structure of the text to be the structure of the sermon. *The London catalogue of books ... MDCCCXIV [compiled by W. Bent]*. London catalogue, 1814. **A Catalogue of Books, with their sizes and prices: containing the books that have been published ... since the London Catalogue of Books, 1814, to September, 1816.
