The Parables Of Jesus Glimpses Of The New Age:

The Parables of Jesus Neal Floyd Fisher,1979 **The Parables of Jesus** Neal Floyd Fisher,1990 **Speaking Parables** David Buttrick,2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables Speaking Parables includes commentary on thirty three different parables with suggestions for preaching each one **The Gospel of Matthew and the Sayings Source Q** Frans Neirynck,1998 *All Things Spiritual* Phillip Eldridge Williams,2022-01-12 This short quip referred to in conversation and seen often in descriptive writing as well as various and sundry speeches is in reality on shaky ground when taken apart The truth has been the object of the search of man since he became serious with his ontology from earliest recorded history and finds its way in most academic institutions with each Latin phrase in its logo Matter has always been taken for granted but until recently 1939 with the declaration of the Physicists community in Copenhagen Denmark has acknowledged that indeed there is no final field theory for locating reality In this book I will attempt to speak to this lack of reality by delving into the state of being or lack thereof I will refer to as spirituality and the Native American priority given to the Great Spirit and the answer they give to one s ontology why one is here known as their vision quest We will investigate spirituality as that encounter we all must deal with in our religious medium for finding some sense of meaning and its answer to our need for respect I ll look at the Judeo Christian offering of the image of God and the spooky goings on at a distance stipulated by Albert Einstein as well as the implications of Galileo s insightful declaration in the 17th century that all meaning begins with experience spirituality and ends with experience that spirituality is all that there is and to offer proposals based upon purely logic alone is meaningless as regards reality Spirituality in the best sense of the word is your taking serious your honor as well as that of others This could be seen as the First and Greatest Commandment and the Second like unto it Thy neighbor as thyself This work is the culmination of 15 years of writing and a lifetime of seeking first the kingdom of God and his righteousness having all these things being added unto me Matthew 6 33 Now to have all these things added unto you is to be quickened with eyes to see and ears to hear things matter as they are and not from the might makes right syndrome or the what s in it for me modus operandi This quickening power is the mighty hand of God as opposed to the hand of God revealing the nature of truth God s righteousness as being no respecter of persons time place or thing and doing so unconditionally This is indeed the Final Field or the Truth of the Matter **A Glimpse of Jesus** Brennan Manning,2010-10-12 Beloved Christian writer Brennan Manning has long been illuminating the transforming power of God s constant love for us in his bestselling books Now he identifies self hatred as the reason that so many of us seem unable to accept this incredible unchanging love By clearly examining and understanding Jesus life we can put self hatred behind us forever and truly be transformed in the ways God intended **Las Parábolas de Jesús. Una Aplicacion Para Hoy** Roberto Fricke,2005-11 The author presents an analysis of each one of the parables taking into account the context in which Jesus

presented the parable then how it was understood and used by the people of that day and finally how we can follow its teachings within our own context Dr Fricke is a retired missionary who taught in Latin American seminaries for many years and wrote this book in Spanish *A Glimpse of the Kingdom* Ron Mosby,2015-10-15 This book is an informational tool to use in helping to understand the kingdom of God on a very basic level Since the kingdom of God is a spiritual kingdom this book helps to make a transition from an earthly government to a spiritual government This book will help transform the readers thinking from an earthly democratic mind set to a spiritual theocratic mind set It is written with simplicity in order that anyone with a desire to seek first the kingdom of God may read it and understand *The Parables* Brad H. Young,2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty **The Ohio Speech Journal** ,1980
