The Paschal Liturgy And The Apocalypse:

The Paschal Liturgy and the Apocalypse Massey Hamilton Shepherd, 1960 The Paschal Liturgy and the Apocalypse Massey H. Shepherd, 2002-09-19 Christian interpreters in all ages have sought a clue to the New Testament Book of Revelation In this study Massey H Shepherd offers a new approach to the basic structure of the Book He surveys the development of Paschal rites and customs of the ancient Church from apostolic times to the end of the age of persecution as a background and context for understanding the outline and basic theme of Revelation Fresh perspectives are opened to students of New Testament and early Christian literature the liturgy and piety of the primitive Church and the origins of the Christian Year **The Paschal liturgy and the Apocalypse #6 Ecumenical Studies in worship** Massey Hamilton Shepherd, 1960 **Exegesis and Hermeneutics in the Churches of the East** Society of Biblical Literature. Meeting, 2009 Exegesis and Hermeneutics in the Churches of the East contains the proceedings of the Bible in the Eastern and Oriental Orthodox Traditions unit of the Society of Biblical Literature s SBL 2007 meeting in San Diego California Biblical professors and scholars from the Eastern and Oriental Orthodox traditions the latter including Aramaic Syriac Armenian Arabic Georgian and Coptic among others gathered to engage in critical study of the role of the Bible in eastern Christianity past and present The collection of articles in Exegesis and Hermeneutics in the Churches of the East examines the latest scholarly findings in the field of the utilization and interpretation of the Bible in the Christian communities in the East during the first five centuries of Christianity They offer critical evaluations of the early church s hermeneutical and exegetical tools and methodologies **This Is the Night** James W. Farwell, 2004-12-17 This Is the Night is a work of liturgical theology understood as a theology inspired or informed by the liturgies of Christian Holy Week In the context of modernity in crisis it is an attempt to think with the principal liturgies of the Paschal Triduum Maundy Thursday Good Friday and the Great Vigil of Easter about human suffering The author works from an analysis of the structure of the Christian paschal liturgies to offer an account of suffering that is more compassionate and honest than that of western modernity Moreover this account is the theoretical correlate of an ethic performed by the paschal liturgies their structure and rhythm give rise not only to an account of suffering and its remedy but to a compassionate practice into which Christians are called In both the philosophical and the popular imagination modernity is a context in which progress is the defining human telos Because of this commitment to progress modernity is often allergic to the concrete pain and horror of suffering Modernity sidelines suffering as an unfortunate but necessary moment in the course of human progress not infrequently because it is a byproduct of our progress our technical mastery of nature and leadership of global capitalization In this context suffering is more a concept than an existential fact or experience Yet downplaying human suffering in this way creates even greater suffering by anesthetizing us to its effect on human beings Some of the critics of modernity also criticize Christianity as a religious version of the modern myth of progress or even as its very source Inspired in part by the political theology of Johann Metz

and by the liturgical scholarship of Don Saliers Robert Taft and others the author argues instead that in the liturgies of Holy Week the passion death and resurrection of Christ form a context in which Christians recognize human suffering not as an unfortunate moment on the way to salvation but as the very field of God's saving activity That divine activity is saving precisely as we enter into it by practice To be saved to enter into an abundant and vigorous human life is to become a priestly people orienting ourselves toward suffering in the same way that Jesus Christ did facing it with courage where necessary and resisting its ravages where possible

The Sacrament of Easter Roger Greenacre, Jeremy Haselock, 1995 This highly readable exploration of the church's liturgy from Ash Wednesday to Pentecost clearly shows why Easter is not only the climax of the Christian year but also the center of the church's worship and doctrine The authors examine the common liturgical traditions shared by both Anglicans and Roman Catholics

Worship as Body Language E. Elochukwu Uzukwu, 1997 The body language or gestures of praise adoration contemplation ritual dance and care of the neighbor are meaningful to the ethnic group African Christians tune into these body motions to express the one Christian faith In Worship as Body Language Father Uzukwu details how the patterns of the African ritual assemblies and sacred narratives have merged with Jewish Gospel and early Church traditions to create living Christian communities and liturgies

The Book of Revelation G. K. Beale, 2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis

A Heavenly Chorus Justin Jeffcoat Schedtler, 2014-10-30 The claim that Revelation's hymns function as did Classical tragic choral lyrics insofar as they comment upon or interpret the surrounding narrative has become axiomatic in studies of Revelation Justin Jeffcoat Schedtler marks an advance in this line of inquiry by offering an exegetical analysis of Revelation's hymns alongside a presentation of the forms and functions of ancient tragic choruses and choral lyrics Evaluating the hymns in light of the varieties and complexities of ancient tragic choruses he demonstrates that they are not best evaluated in terms of choral lyrics generally but in terms of dramatic hymns in particular insofar as they constitute mythological theological reflections on the surrounding narrative and function to situate the surrounding dramatic activity in a particular mythological theological contexts

Alan,2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely *Models of Heaven* M.
