The Passion And Exaltation Of Jesus:

The Passion and Exaltation of Christ Francis Joseph Hall,1918 *The Passion and Exaltation of Jesus* Billy F. Baumann,2004 Georgia Jensen and friend Ellie Forsythe find themselves embroiled in another suspicious death when Georgia against her better judgment agrees to speak at a symposium for historians The most Georgia expected was publicity for her one woman retiree s business Historical Research By George not a dead body But that s exactly what Ellie finds shortly after she joins Georgia on the final day of the symposium Hoping the death of one of the speakers would put an end to what Georgia termed two of the worst days of her life their hopes were dashed when the final day wasn t cancelled and the police ask that everyone involved stay on campus until they complete their investigation Unhappy with having their vacation plans disrupted Georgia and Ellie set out to help the police uncover the real motive for the rising young historian s murder by following the victim s research trail through the 1920s Wading through old newspaper microfilm books and old city directories they begin to realize that those efforts may not be enough to lead them to a cold and calculating murderer The reason may lie in the past of one of others involved in the gathering of illustrious academicians some of whom aren t exactly what they seem to be and something much more difficult to research The deeper they dig the more muddled the situation becomes And their efforts may lead to naught Unbeknownst to them a killer is watching and waiting prepared to put an end to their meddling if need be As they move closer to the truth the killer might just manage to do away with the problem of Georgia and her research especially if Ellie doesn t find Georgia s note in time

The Davidic Messiah in Luke-Acts Mark L. Strauss,1995-03-01 The nature of Lukan christology has been much debated in recent years with scholars claiming the pre eminence of such categories as Lord Prophet Christ or Isaianic Servant In the present work the author examines one major theme within Luke s christology that of the coming king from the line of David A study of the Lukan birth narrative and the speeches in Acts reveals that Luke shows a strong interest in this royal messianic theme introducing it into passages which are introductory and programmatic for his christology as a sermon portraying Jesus in strongly prophetic terms The author seeks a synthesis of these seemingly conflicting royal and prophetic portraits in Luke s interpretation of the Old Testament book of Isaiah When Isaiah is read as a unity the eschatological deliverer is at the same time Davidic king Isa 9 11 suffering servant of Yahweh Isa 42 53 and prophet herald of salvation Isa 61 leading God s people on an eschatological new exodus On the basis of this synthesis the christology of Luke Acts is seen to be both consistent and unified forming an integral part of Luke s wider purpose in his two volume work

Politics and Theopolitics in the Bible and Postbiblical Literature Henning Graf Reventlow,Yair Hoffman,Benjamin Uffenheimer,1994-03-01 This volume contains papers from the third symposium held by the University of Tel Aviv Israel and the Ruhr University Bochum Germany with the aim of furthering dialogue between Jewish and Christian biblical scholars The papers examine the ways in which political issues and events are reflected in the Bible and in the postbiblical literature the term theopolitics expressing the conviction of both communities that the politics of human life have always been and continue to be subject to the rule and providence of God The hope of the symposium is that through examination of the ways in which Jews and Christians have reflected upon political and ethical theories there may arise new possibilities for better mutual understanding
