Wainwright, 2017-01-12 Recent decades have seen significant shifts in biblical scholarship opening up a range of ways of engaging the biblical narrative both methodologically the tools and techniques for engaging the text and hermeneutically the perspectives that inform an interpreter's approach to the text and to the interpretative task It is these shifts that give shape to this introduction and study guide so that students encounter not only the text of Matthew itself but also its rich lode of recent interpretation Among aspects of 1st century life brought to the fore by current social scientific methodology are kinship the honor and shame culture and masculinity Gender is another interpretative lens that has characterized the study of the Gospel of Matthew in recent decades and the Guide provides pathways through this rich literature The guide to Matthew concludes with the most recent turn of the hermeneutical lens namely an ecological perspective on what is perhaps the best known text in Matthew the Beatitudes This final chapter is an example of how we can enter an old and familiar text like the Gospel of Matthew from yet another new critical direction **The Passion and Resurrection Narratives of Jesus** Little Rock Scripture Study, 2016-11-09 This study compares the particular insights found in the passion and resurrection accounts of the four gospels The core of our faith incorporates both the pain of the cross and the hope of the resurrection into daily living Ideal as a Lenten Easter study Lecturers to be announced 7 sessions **The Passion and Resurrection Narratives of Jesus** Stephen J. The Acts of The Apostles: An Introduction and Study Guide Shelly Matthews, 2017-01-12 The book of Acts opens with the dramatic story of tongues of flame descending upon believers at Pentecost and the prophecy of an egalitarian dispensation of the Spirit being fulfilled Yet as the narrative unfolds we become aware of a tension between the socially egalitarian promise of the Pentecost story and the author s underlying concern to provide reassurance for his elite patron Theophilus that Jesus followers do not disturb the existing social order In this guide Acts is read as a struggle to tame the tongues of fire Acts mutes the egalitarian promise of the Spirit through presenting an orderly account as its author calls it of the Jesus movement that appeals to elite sensibilities And at the same time the narrative contains contradictions gaps and fissures that suggest the outlines of a more complex and even subversive religious movement

The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative **Introduction to the Bible** Stephen J.

The Gospel According to Luke 19:28 Through 24:53 William Flewelling, 2019-03-08 The Bible studies I chose to do came about in answer to a request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume the study of Luke 19:28-19:27 followed that pattern exactly This volume completes the study of Luke following volumes on 1:1-9:50 and 9:51-19:27
