The Passion In Mark Studies On Mark 14 16:

The Passion in Mark Werner H. Kelber, 1976 The Disciples according to Mark C. Clifton Black, 2012-12-13
Redaction criticism attempts to identify biblical authors' theological interests by examining their adaptation of sources. Focusing on representative studies of Jesus' disciples in the Gospel of Mark, this pioneering book by C. Clifton Black has become the standard evaluation of that method's exegetical reliability. Comprehensively reviewing recent scholarship, Black identifies three distinctive types of redaction criticism in Markan interpretation. He demonstrates that diverse redaction critical interpretations of the disciples in Mark have bolstered rather than controlled scholarly presuppositions to a degree that impugns the method's reliability for interpreting Mark. The book concludes by assessing redaction criticism's usefulness and offering a more balanced approach to Mark's interpretation. This second edition includes a substantial detailed afterword that revisits the book's primary issues, converses with its critics, and provides an update of Markan scholarship over the past twenty-five years.

Faith as a Theme in Mark's Narrative Christopher D. Marshall, 1994-12-08
Mark's gospel has attracted an enormous amount of scholarly attention over recent decades. The major themes of the gospel have been studied exhaustively and from a variety of critical perspectives. But at least one important theme in Mark has been comparatively neglected in recent study: the theme of faith. This critically acclaimed book redresses such neglect through a thorough exegetical and literary study of all the references to faith in Mark's composition.

The Theological Role of Paradox in the Gospel of Mark Laura C. Sweat, 2013-10-10
Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes: christology and discipleship. This book argues that paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God's activity. Part One focuses on divine action present in Mark 4:10-12. In the first paradox, Mark portrays God's revelatory acts as consistently accompanied by concealment. The second paradox

is shown in the various ways in which divine action confirms yet counters scripture Finally Mark describes God's actions in ways that indicate both wastefulness and goodness deeds that are further illuminated by the ongoing yet defeated presence of evil Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4 Through paradoxical narrative Mark emphasizes God's transcendence and presence showing that even though Jesus has brought revelation a complete understanding of God remains tantalizingly out of their grasp until the eschaton 4 22

Writing the Gospels Catherine Sider Hamilton, Joel Willits, 2019-02-21 In this book prominent biblical scholars engage with Francis Watson's most striking arguments on the creation of the gospels Their contributions focus in particular on his argument for a fourfold gospel rather than four separate gospels his argument against Q but for an early sayings collection and on the larger landscape of Jesus studies gospel reception and interpretation The contributors ask whether and in what ways Watson's reorientation of gospel studies is successful and explore its implications for research Leading scholars including Jens Schröter Margaret Mitchell Richard Bauckham and many others provide a close critical and creative engagement with Watson's work More than merely a critical review of Watson's writing this book carries forward his work with fresh treatments and provides an essential volume for students and scholars seeking to understand the landscape of gospel studies and to explore new directions within it

The Gospel of Mark John R. Donahue, Daniel J. Harrington, 2005 In *The Gospel of Mark* Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism intratextuality and intertextuality This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character its setting in life and its distinctive approaches to the Old Testament Jesus and early Christian theology Intratextuality means we read Mark as Mark and by Mark Such a reading expresses interest in the final form of the Gospel not its source or literary history and in its words and images literary devices literary

forms structures characterization and plot Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts e g archaeological data Intertextuality is used to note the links of the text of Mark s Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today

Kaiphaz. Der Hohepriester jenes Jahres Rainer Metzner, 2010-06-30 The high priest Caiaphas is one of the important figures in biblical history who received little attention or sympathy in the judgement of posterity Since the time of the old church the highest representative of the Jewish society in the time of Jesus was assessed as a wicked enemy of Jesus and the leading apostles in Jerusalem This image obscures the religious and political efficiency of a man who worked with great success in his office for a long period of eighteen years What do we know about the historical Caiaphas And what is the image of this man in the New Testament and afterwards The present study tries to answer these questions in view of the history the exegesis and the reception history Der Hohepriester Kaiphaz geht zu den bedeutenden Figuren der biblischen Geschichte denen im Urteil der Nachwelt eine geringe Aufmerksamkeit oder Sympathie entgegengebracht wurde Seit der alten Kirche wurde der höchste Repräsentant des jüdischen Tempelstaates zur Zeit Jesu als bösartiger Feind Jesu und der frommen Apostel in Jerusalem betrachtet Dieses Bild verdeckt die religiösen und politischen Leistungen eines Mannes der achtzehn Jahre lang mit Erfolg amtiert hat Was wissen wir über den historischen Kaiphaz Und welches Bild hat sich von ihm im Neuen Testament und in der Zeit danach ausgeprägt Die vorliegende Studie versucht diese Fragen historisch exegetisch und wirkungsgeschichtlich zu beantworten

The Gospel of Mark in Context Santiago Guijarro, 2022-04-14 The short story that we now know as the Gospel according to Mark was written in Greek twenty centuries ago in the context of an agrarian society that had been developing its own characteristics in the circum Mediterranean region Mark s account presupposes the values institutions and relationships of the culture in which Jesus and his first followers lived Modern readers of the Gospels however especially those born and raised in the North Atlantic postindustrial societies have other values and institutions and relate to each other according to other cultural codes This temporal and cultural distance between the ancient texts and their present day readers makes necessary an exegetical effort whose purpose is to recover as far as possible the reading scenarios presupposed by these texts In order to reconstruct these scenarios exegesis has turned in recent years to the social sciences whose models permit us to imagine and describe the situations presupposed by these ancient texts This book aims to show how the use of these scenarios elaborated with the help of the social sciences can contribute to a more considered and respectful reading of Mark s story

The Son of Man as the Last Adam Yongbom Lee, 2012-07-01 Most New Testament scholars today agree that Jesus used an enigmatic self designation bar nasha the Son of Man translated into Greek as ho huios tou anthropou in the Synoptic Gospels In contrast Paul the earliest New Testament writer nowhere mentions the phrase in his letters Does this

indicate that the Gospel writers simply misunderstood the generic sense of the Aramaic idiom and used it as a christological title in connection with Daniel 7 as some scholars claim Paul demonstrates explicit and sophisticated Adam Christology in Romans 5 and 1 Corinthians 15 In contrast there is no real equivalent in the Synoptic Gospels Does this indicate that Adam Christology in Romans 5 and 1 Corinthians 15 was essentially a Pauline invention to which the Evangelists were oblivious In this study Yongbom Lee argues that in addition to the Old Testament contemporary Jewish exegetical traditions and his Damascus Christophany Paul uses the early church tradition in particular its implicit primitive Adam Jesus typology and the Son of Man saying traditions reflected in the Synoptic Gospels as a source of his Adam Christology Mark Bas M. van Iersel,2005-03-01 An incisive and comprehensive episode by episode commentary on the Gospel of Mark There is a special focus on the contribution of each episode to the overall meaning of the Gospel at both the level of the story and the level of the discourse As a reader response commentator the author's concern is constantly with the effect of Mark's story on its readers engaging both the situation of the original audience of Mark Christians of Gentile origin in Rome shortly after the Neronian persecutions and with that of the present day reader **Following God Through Mark** Ira Brent

Driggers,2007-01-01 Ira Brent Driggers examines the character of God as portrayed in the Gospel of Mark paying particular attention to the way God factors into the unfolding conflict between Jesus and his disciples Arguing that Mark depicts God as acting in two logically opposite ways both independently of Jesus as a distinct character and through Jesus possessing him from his baptism he adds a level of complexity to Mark's portrayal of Jesus and sheds new light on the most enigmatic feature of Mark's narrative the consistent and troubling misunderstanding of the disciples **Religious Propaganda and**
