The Passion for Pelargoniums reveals the fascinating and dramatic tales of those who have been involved in finding classifying collecting and breeding the plants It explodes the myth that all modern

versions of the plant are descended from the oldest known variety the seventeenth century drab coloured P triste literally translated as the sad pelargonium and reveals that 2 000 hybrids have been developed from less than a dozen plants originally imported from the East From the contribution of L Heritier whom Sir Joseph Banks named an impudent Frenchman to collectors like Masson and the Marguess of Blandford known for his elegant emporium competing nurserymen determined to make both fortunes and reputations and the burgeoning Victorian varieties as growers searched for the holy grail of the scarlet geranium the book recounts the plant's extraordinary history Today while traditional white ones doubles nosegays and rosebuds still flourish the lemon scented geranium is only one of a number of scented varieties while pelargoniums can have flowers of pink red purple yellow or black This is the story of how the passion felt by gardeners for their plants stirred them to bitter rivalry and criminal obsession scandal fraud and fast dealing and saw polite society being rather less than polite The Quilter's Legacy Jennifer Chiaverini, 2011-04-05 When precious heirloom guilts hand stitched by her mother turn up missing from the attic of Elm Creek Manor Sylvia Bergstrom Compson resolves to find them From scant resources journal entries receipts and her own fading memories she pieces together clues then queries quilting friends from around the world When dozens of leads arrive via the Internet Sylvia and her fiance Andrew embark on a nationwide investigation of antique shops and quilt museums Sylvia s quest leads her to unexpected places where offers of assistance are not always what they seem As the search continues revelations surface about her mother who died when Sylvia was only a child Burdened with poor health and distant parents Eleanor Lockwood defies her family by marrying for love Far from her Manhattan home she embraces her new life among the Bergstroms but although warmth and affection surround Eleanor at last the Bergstroms cannot escape the tragedies of their times As Sylvia recovers some of the missing quilts and accepts others as lost forever she reflects on the woman her mother was and mourns the woman she never knew For every woman who has yearned to know the untold story of her mother s life and for every mother who has longed to be heard THE QUILTER S LEGACY will resonate with heartfelt honesty as it reveals what tenuous connections bind the generations and celebrates the love that sustains them Quilting For Beginners: How To Quilt For Beginners For Profit Mary Kay Hunziger, 2014-08-25 Do you want to discover some unique and profitable quilting ideas and profitable opportunities plus have access to 2 of the most complete ultimate and updated craft and quilting resource reference guides at the same time Now you can get access to some truly exciting quilting opportunities that you can use to make money ASAP together with these two ultimate resource reference guides Inside this guilting compilation you will not only receive some of the most unique quilting ideas that provide an array of profitable quilting opportunities that you can add to your bottom line ASAP to make even more money with your guilting business but you will also receive my popular Craft Resource Reference Guide that includes 99 creative inspirational craft resources my popular Quilting Resource Reference Guide that includes 40 creative inspirational quilting resources that you must absolutely know about if quilting is your passion You will love these two
