

PASTORAL EPISTLES

1 & 2 TIMOTHY & TITUS

The Pastoral Epistles

Mark Harding

The Pastoral Epistles:

The Pastoral Epistles Stanley E. Porter, 2023-10-17 Leading New Testament scholar Stanley Porter offers a comprehensive commentary on the Pastoral Epistles that features rigorous biblical scholarship and emphasizes Greek language and linguistics. This book breaks new ground in its interpretation of these controversial letters by focusing on the Greek text and utilizing a linguistically informed exegetical method that draws on various elements in contemporary language study. Porter pays attention to the overall argument of the Pastoral Epistles while also analyzing word meanings and grammatical structures to tease out the textual meaning. Porter addresses major exegetical issues that arise in numerous highly disputed passages and while attentive to the history of scholarship on First Timothy, Second Timothy, and Titus, often takes untraditional or innovative positions to blaze a new path forward rather than adopt settled answers. This commentary will appeal to professors, students, and scholars of the New Testament.

The Pastoral Epistles I. Howard Marshall, Philip H. Towner, 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible. It has sought to bring together all the relevant aids to exegesis: linguistic and textual, no less than archaeological, historical, literary, and theological, with a level of comprehension and quality of scholarship unmatched by any other series. No attempt has been made to secure a uniform theological or critical approach to the biblical text; contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. The first paperback editions to be published cover the heart of the New Testament, providing a wealth of information and research in accessible and attractive format.

Exploring the Pastoral Epistles John Phillips, 2003-04 John Phillips writes with enthusiasm and clarity, cutting through the confusion and heretical dangers associated with Bible interpretation. *Moody Magazine*

Exposition of the Pastoral Epistles William Hendriksen, 1957

The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full-scale English commentary on the Greek text of 1 and 2 Timothy and Titus. While author George W. Knight gives careful attention to the comments of previous interpreters of the text, both ancient and modern, his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles. Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context, Knight's commentary includes an introduction that treats at length the question of authorship; he argues for Pauline authorship and proposes, on the basis of stylistic features, that Luke might have been the amanuensis for the Pastoral Epistles. The historical background of these letters and the personalities and circumstances of the recipients. Knight also provides two special excursuses: the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders; the other excursus examines the motivations for conduct in Titus 2:1-10 with a view to their applicability to present-day situations.

The Pastoral Epistles Burton Scott Easton, 1947

The Pastoral Epistles Through the Centuries Jay Twomey, 2020-05-26 Drawing on scholarly insights and a comprehensive array of texts from the entirety of Christian tradition

The Pastoral Epistles Through the Centuries explores the rich legacy of the Pastorals as it has unfolded over the centuries. Explores the important role of the New Testament letters to Timothy and Titus known collectively as the Pastoral Epistles in the development of early Christianity. Surveys the many theological, cultural, literary, political, and artistic uses of the Pastorals and the broader influence these letters have had throughout the ages. Considers the Pastorals' complex influence on issues such as church structure and rites, the roles of women in Christian religious life, the authority of scripture, and the development of monastic orders. Examines the many ways in which language and concepts from the Pastoral Epistles such as "fight the good fight" and "the root of all evils" have filtered into our cultural vernacular. References the works of major theologians and interpreters from all periods and places, special emphasis on traditionally underrepresented interpreters.

What are They Saying about the Pastoral Epistles? Mark Harding, 2001. An overview of recent trends in scholarship on the Pastoral Epistles.

Paul, the Pastoral Epistles, and the Early Church (I) James W. Aageson, 2007-10-01. Paul's influence on the history of Christian life and theology is as profound as it is pervasive. A brief survey of almost twenty centuries of Christian thought and practice will confirm the enduring importance of Paul for the life of the church in the Roman and Protestant traditions of the West as well as the Orthodox traditions of the East. Even as Christianity at the dawn of its third millennium has become increasingly global and traditions have come to develop and intersect in new and complex ways, Paul's place in the story of Christianity remains deeply rooted in the church's theology, worship, and pastoral life. In both past and present, Paul's influence on the Christian church can hardly be overestimated. Among the many intriguing issues generated by the historical Paul, his New Testament letters, and early church history is the question: what happened to Paul after Paul? Whether we think in terms of the reception of Paul's theology or the ongoing legacy of Paul or early Christian reinterpretation of his letters, the questions persist: what did the early church do with Paul's memory? How did it reshape his theology? And what role did his letters come to play in the life of the church? The focus of the present discussion is in the early decades and centuries of Christianity, a time when the memory and legacy of Paul came to serve varied and often competing interests in the emerging church. It was a time when Paul's reputation and importance to the church were being reinforced and when his epistles were gaining the authority that would ensure their place in the sacred library of Christianity. It was also the time when the Jesus movement forged itself into Christianity, a process in which Paul played a pivotal role and eventually also became an object of revision and transformation himself. What is virtually indisputable in this process is that Paul, during his lifetime and after, played a critical role in making Christianity what it was to become.

Entrusted with the Gospel Andreas J. Köstenberger, Terry L. Wilder, 2010-04-01. After a lengthy period during which scholars paid relatively little attention to the Pastoral Epistles, a spate of studies has suddenly appeared in print. However, except for a small number of commentaries, critical scholars have by and large neglected evangelical scholarship on these letters. To fill in this gap, this volume offers a collection of important essays written by evangelicals on 1. Recent Study in the Pastoral Epistles. Andreas K.

M. Blaiklock, 1972-03 **The Pastoral Epistles** Scot McKnight, 2023-11-09 Provides an up to date explanation of the Pastoral Epistles traditionally attributed to the apostle Paul

The Pastoral Epistles Donald Guthrie, 1990 Tydale New Testament Commentaries contains The Pastoral Epistle of 1 2 Timothy and Titus and also book 14 The Pastoral Epistles Christopher Palmer, 2019-02-15 An essential course of study on the pastoral epistles for church leaders and candidates for Christian ministry Pay close attention to yourself and to your teaching 1 Tim 4 16 This course is a study of the three New Testament Epistles traditionally attributed to the apostle Paul The Pastoral Epistles 1 and discuss of the principles of early church theology practice and governance described within them This course is meant to help the student discover how we can apply these principles to the 21st century Church and so equip the student for Christian ministry as they lead the church of God in a modern context **The Pastoral Epistles** Benjamin Fiore (s.j.), 2007 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time two or more decades after Paul's death The Pastorals differ from Paul's own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada *The Pastoral Epistles, 1-2 Timothy, Titus* Graham Simpson, 2017-10-01 The India Commentary on the New Testament ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language from a contemporary Indian context The intended audience is the theological seminary or bible college both students and

faculty The commentaries are also ideal for pastors and lay people with an interest in theology or responsibilities for preaching in the local congregation The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved with cross cultural evangelism and mission work There is no direct equivalent to the ICNT and hence this is the first Indian commentary serving India the entire subcontinent India Nepal Bangladesh and Sri Lanka and the world The ICNT is an affordable evangelical commentary series written by respected academics in everyday language providing a well informed meaning of the New Testament and practical reflections for modern India

Sacra Pagina: The Pastoral Epistles Benjamin Fiore,2009-10-01 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul s letters but apply the apostle s teaching to the concerns of a later time two or more decades after Paul s death The Pastorals differ from Paul s own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada

Studies in the Pastoral Epistles Anthony Tyrrell Hanson,2015-03-04

The Pastoral Epistles (ITC) Gerald L. Bray,2019-07-25 This commentary offers a verse by verse theological interpretation of the First and Second epistles to Timothy and Titus Bray reads the letters as authoritative scripture moving beyond questions of whether they are pseudonymous and of whether or not they are post apostolic instead looking closely at how they have been understood in the life of the Church Bray engages with the history of commentary surrounding these letters ranging from the Fathers to contemporary theology and exegesis He reads the epistles as the authoritative word from God to his people and through his engagement with the history of interpretation shows the constant thread of witness and confession that unites believers across the ages In so doing Bray shows why the Pastoral Epistles have survived the passage of time and have retained the canonical authority that they have always enjoyed

The Pastoral Epistles with Philemon & Jude Risto Saarinen,2008-10 Pastors and leaders of the classical church such as Augustine Calvin Luther and Wesley interpreted the Bible theologically believing Scripture as a whole witnessed to the gospel of Jesus

Christ Modern interpreters of the Bible questioned this premise But in recent decades a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places This addition to the Brazos Theological Commentary on the Bible offers a new interpretation of the theology and the narrative context of 1st and 2nd Timothy Titus Philemon and Jude Risto Saarinen makes three unique claims 1 the Pastoral Epistles need to be understood in terms of character formation and diagnostic language 2 the treatment of gifts and giving is a prominent feature of the epistles and 3 a theological exegesis of these books results in a new view regarding the nature of doctrine This commentary like each in the series is designed to serve the church through aid in preaching teaching study groups and so forth and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible
